

Summer Programming is Back in 2025!

Last year's RCSC Sundial summer programming was a big hit...and we'll be doing it again in 2025! We're aware that some members live in Sun City year-round and look forward to having fun and engaging activities planned during the hot summer months.

The series is called Hot Fun "Outta the Sun" and will feature a great mix of concerts and activities from May through August. A main goal of the series is to offer unique events and performers. For example, in May, the Traveler band will delight the audience with sounds of the violin, oud, and many other ethnic instruments.

The only thing hotter than the temperature in July, will be the Circus Farm performance. They offer a special twist with LED light props and aerial entertainment. In August, another unique event will be the Corn Hole (bag toss) Tournament. Don't miss one of America's favorite pastimes. Sign up to play or just watch the games. Join us this summer!

Sundial Hot Fun "Outta the Sun" May Events

May 7 Doors open 5pm;
Concert at 6pm

Traveler band's mesmerizing violin, oud, and other ethnic instruments have a way of inspiring a deeper connection. They have an amazing energy, keeping the audience enthralled.

May 14 From 4:30-7:30pm

What to Eat Wednesday offers a Food Truck Festival! Food and beverage pricing will vary by food truck. Come check out an interesting array of different culinary fare on wheels.

Food Trucks

May 21 Doors open 5pm;
Games from 6-8pm

This audience-inclusive game is fun for everyone! Groups of 8 share a table and work as a team to win games and prizes. Bring a group of 8 to share a table or make new friends.

Be prepared to show your RCSC Member/Privilege Card for entry; no key fobs accepted.

Benefits of Closed Captions (CC)

Did you know that many videos, including RCSC YouTube videos, offer closed captions (CC)? This form of subtitling, is a process of displaying text on a television, video screen, or other visual display to provide additional or interpretive information, where the viewer is given the choice if text is displayed. This type of visual communication is used by individuals with and without hearing impairments and by native and non-native speakers.

When viewing a video, click the CC symbol (see below example) at the bottom right of the video and a red underline should appear. Running text should then appear at the bottom of the image in your video. Happy watching!

Be sure to check out RCSC's YouTube channel for informative videos and important information. Full address: <https://www.youtube.com/@suncityaz7348>

Exciting News for 2025: Recreation Radio is Here!

We're thrilled to announce the launch of Recreation Radio, your brand-new 24/7 commercial-free radio station! Now you can enjoy the greatest hits of the '50s, '60s, '70s, and '80s curated especially for our community.

Why Recreation Radio?

For years, our recreation centers have relied on music and entertainment broadcasted by another station. While convenient, it came with challenges; inconsistent reception, station format changes, objections to commercials and conflicting tastes in music, and lack of RCSC specific information.

It has been our vision to create a station that serves as the "Voice of RCSC," delivering music and messages tailored to our community's unique preferences. Thanks to the support of senior management and the upgrades made by our IT department, this vision is becoming a reality.

Where to Hear It

Recreation Radio is currently playing in various locations at the Sundial Center. Our goal is to expand to all centers using our business network infrastructure, with the rollout to happen in the near future.

We're also streaming online via Live365.com. Now you can listen from anywhere! Here's the address to listen: <https://live365.com/station/Recreation-Radio-a83892>.

Get Involved!

This station was built for YOU, and we'd love your input to make it even better. Send us your suggestions, critiques, and comments at reclradio@suncityaz.org.

Join the fun and help us create Your soundtrack, Your community, Your Recreation Radio!
