APPROVAL OF PRIOR MEETING SUMMARY: The Summary from the March 5, 2020 meeting was approved as presented.

Randy Johnson, RCSC Director of Bowling:

Randy reported that Bell and Lakeview Lanes will re-open on September 4, 2020. Currently, only RCSC cardholders will be allowed to bowl. The center will require that masks be worn and Social Distancing of six feet be maintained. Due to the current pandemic and restrictions, no leagues are scheduled at this time and every other lane will be used to maintain social distancing. Once RCSC enters Phase 3 there will be fewer restrictions and guests will be allowed to participate and possibly league play will begin. Randy invited the committee the opportunity to see the new scoring system for both centers after the meeting, several members attended.

Bruce Lamb, USBC League Director: Informed the committee of all the recent changes in the rules of the USBC nationally. Some areas of the nation have opened bowling and league play has started, but for a large number not yet opened, new rules are in place, Bruce gave all committee members a copy of the changes, which are being circulated throughout the bowling community. Some USBC tournaments, in Arizona are scheduled for November and December of 2020.

Roger Beebe, Sun City Bowling Association President: Roger Beebe reported that the fall committee meetings have yet to be held due to the pandemic. They will be holding a resumption of monthly meeting this month.
