APPROVAL OF PRIOR MEETING SUMMARY: The Summary from the October 1, 2020 meeting was approved as presented.

Randy Johnson, RCSC Director of Bowling: Reported on the following items:

- There has not been a formal announcement about restarting the bowling leagues however, I will be meeting with a representative from each league at Sundial Auditorium on Friday November 6, 2020 to discuss rules, requirements and guidelines concerning leagues restarting. Only 1 representative from each league will be allowed to attend the meeting due to social distancing guidelines.
- The leagues will be required to sign an agreement stating:
 - *“League agrees to and acknowledges that the league and its members agree to follow and enforce the RCSC rules and regulations regarding Covid-19. The league agrees that they will accept the responsibility to monitor the individual bowlers and will approach and enforce any violators of the RCSC rules and regulations regarding Covid-19.”*
 - *It is suggested that each league elect a sergeant at arms and incorporate in their rules a fine system or disciplinary measures to penalize offenders at the league level.*
- Due to Covid-19 restrictions only single lanes will be used which may require larger leagues to bowl at different times depending on league size and lane availability. Odd lanes (1,3,5 etc.) will be used on the first shift and even lanes (2,4,6, etc.) on the second shift. The league software will accommodate schedules with social distancing requirements.
- Bowling centers began accepting cash as of November 2, 2020
