REVIEW/AMEND MEETING SUMMARY: The Summary from the January 4, 2024 meeting was accepted as presented.

ACTION ITEM: None

Mike Dirmyer, RCSC Director of Bowling:

The planning for the Summer league bowling is in full swing. We have adjusted the traveling league to take Bell Lanes out of the cycle. With that being done, it will allow us to promote a weekly bowling league on Wednesday nights at Bell. We are also replacing the previous Summer Friday league at Bell Lanes with a senior bowling league program that requires a member to be on each team. The Summer league booklet and individual league flyers will be at both centers in February.

The annual League Officer Appreciation Tournament and Ladies No-Tap Tournament will occur again in March. Flyers will be out in the centers within the next couple of weeks.

The USBC inspection at Lakeview Lanes is scheduled for February 11th, 2024. It is at 8:00am and will be completed by the time the bowling center opens at noon.

The bowlers have been hot on the lanes this season. There have been fifty-four 300 games and forty 800 series for a total of 94 honor scores.

Bruce Lamb, USBC League Director: Bruce reported on Metro USBC activities and tournaments. He also noted that the donations for BVL are close to \$12,500.00. Questions asked by some of the bowlers and committee members concerning finger holes, etc. was referred to the national USBC for rules. A written report has been received and forwarded to league officers.

Lynda Bettini, President of the Sun City Bowling Association and Sun City Hall of Fame:

Lynda reported that new membership in the association stands at 985 which is a new record. She also noted that upcoming tournaments and Hall of Fame inductees are now posted.

Old Business: Status on paving for Lakeview Center parking lot completion is the summer of 2024.

New Business: None

Next meeting: Thursday, March 7, 2024 at 9:00am in the Lakeview Lanes Meeting Room

Adjournment: The meeting adjourned at 9:30am

Respectfully Submitted,

Darrel Larson, Secretary
