You Can Stay in the Know - Even When You're on the Go!

As we head towards summer, many escape the Arizona heat and Sun City AZ goes into a totally different mode.

Seeking shade becomes a high priority and swimming pools fill with Cardholders wishing to keep cool. "Stay hydrated," is now the oft-stated mantra as we become hypersensitive to heat-related ailments. Stores are less crowded and getting a table at your favorite restaurant doesn't come with an hour plus wait time. Patio misters hiss with cooling vapors while iced beverages are paired with lighter meals. We check in on our neighbors and keep an eye out for suspicious activity in your absence.

Many RCSC Chartered Clubs remain active over the summer and members enjoy the extra elbow room now available to work on their projects. We tend to get our exercise, chores and errands done earlier in the day and spend afternoons in air-conditioned comfort.

Keeping you entertained remains a high priority and we've got two great shows in store for you at Sundial. On June 13, Americana features North American singers and songwriters ranging from Gordon Lightfoot and Anne Murray to The Carpenters, Jim Croce and Simon & Garfunkel.

Come July we bring back the Main Event Band for an encore performance that is sure to have you chillin' with lots of breezy jazz and cool tunes. If you're in town, you're sure to enjoy these "very cool" concerts, both shows are at 7pm and free for RCSC Cardholders and their escorted guests (turn to page 2 for more information). Please be prepared to present your RCSC photo Member or Privilege Card for entry.

Yes...life in Sun City AZ goes on even when you're gone. But being out of town doesn't mean you need to be out of touch. SunViews

Board Approves Policy Change Addressing Caretaker/Caregiver Guest Fees

The RCSC Board of Directors recently approved changes to Board Policy 9, Cardholder Guests & Host Punch Cards, Section A-1 which allows for RCSC Cardholders who require that a caretaker/caregiver be present to enjoy and use the facilities to do so without incurring guest fees by annually submitting to the RCSC Corporate Office a letter from their physician stating a caretaker/caregiver is necessary along with an authorization from the RCSC Cardholder that allows RCSC to contact the physician for verification. RCSC Form BP:9-1 has been created for this purpose and may be obtained under RCSC/Corporate Documents at www.suncityaz.org or at the Corporate Office.

"We are pleased that the Board was able to see the benefit of changing this policy to better serve RCSC Cardholders who might find themselves in need of such assistance," stated Board Director Stella VanNess, who introduced the motion.

is always available for viewing online (<http://suncityaz.org/rcsc/presscommunications/>) and RCSC News Email Alerts are another great way to stay in the know. Manage your email preferences through the RCSC Web Portal and you can get as much or as little information as you please while you're away.

Another option is to visit us on social media (Facebook, Twitter and Instagram) any time you want to see what we're up to here simply by going to the suncityaz.org website and clicking on the icons located at the bottom of each page. And depending upon your schedule, don't forget that you can view RCSC Board Meetings and Board/Member Exchanges on the Sun City AZ YouTube channel (but no Board meetings in July and August).

Enjoy the summer! Whether you're in town or traveling, Sun City AZ is always just a click away!

Closures in Observance of Memorial Day; No Saturday Summer Hours at SCVC

All RCSC Offices (Corporate, Human Resources, Cardholder Services and Clubs & Activities) and the Sun City AZ Visitors Center at Bell Center will be closed on Monday, May 28, 2018 in observance of Memorial Day.

The Sun City AZ Visitors Center will also be closed on Saturday, May 26, 2018 in observance of this holiday. In addition, the SCVC will resume their summer schedule and will no longer be open on Saturdays, from June through September.

All Recreation Centers (fitness, pools, spas), Bowling Centers and RCSC Sun City AZ Golf Courses will be open normal operating hours for Cardholder use and enjoyment over the Memorial Day weekend.

Memorial Day weekend is also the start of summer hours at several RCSC recreation centers (see box below), which last through Labor Day weekend in September. Hours over the summer at all other recreation centers remain the same.

Book Trips & Tours Directly Now, No Longer Through RCSC Clubs Office

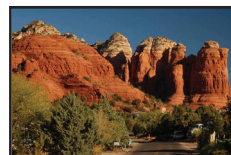

Many have been surprised to find not Trips and Tours in the SunViews newsletter and longer and we're sorry for not getting the word out sooner!

Most RCSC Cardholders already know that Sun City AZ is a great place to start their adventures – whether it is a day trip in the Phoenix metropolitan area, up north to Sedona or the Grand Canyon for a quick overnight get-away, or a quick trip across into Algodonnes, Mexico.

Arizona Wineries

Traveling in groups is also a wonderful way to enjoy your days of leisure and for many years the RCSC Clubs & Activities Office has worked to assist Cardholders in making such plans. However, due to the amount of time this body of work entailed, it has been determined that this was not an effective use of staff time.

Sedona

Fall Foliage

Day trips and overnights tours may now be booked by Cardholders directly with the same companies that RCSC contracted with previously. Both All Aboard America and Free Spirit Vacations are available and ready to help you book your escape today!

RCSC Elections: Candidate Packets Available Starting June 4

While the RCSC Board of Director elections may be months away, it is not too early to begin thinking about giving back to the community by becoming a candidate for upcoming Board vacancies. There will be three vacancies to fill in this year's December election, with each being a three year term.

Candidate packets will be available for pick-up on Monday, June 4, 2018. Those interested in obtaining a packet must make this request in person at the Corporate/ Board Office at Lakeview Center (lower level) and present their RCSC Member card. The deadline for packet submissions is no later than noon on Friday, October 5, 2018.

Requirements to become a RCSC Board candidate:

- Must be at least fifty-five (55) years of age;
- Must not be related by marriage or birth to any other member of the

Board, Senior Management Staff, or Board Candidate;

- Must be a Deeded Real Estate Owner of property in Sun City, Maricopa County, Arizona;
- Must be a RCSC Member in good standing;
- Must reside in Sun City, Arizona and be available at least ten (10) months of the year;
- Must meet the requirements to hold an Arizona liquor license (RCSC holds liquor licenses which require Board Officers to be included on the licensing);
- Must be eligible and available to serve a three (3) year term; and
- Must be available to attend Board Candidate Orientation(s).

Candidates must also submit a fully completed RCSC petition, signed by 100 or more RCSC Members in good standing, along with all other forms provided in the RCSC Candidate Packet.

A successful candidate will:

- Have a strong desire to serve Sun City, AZ;
- Be fair and courteous;
- Use good common sense;
- Have good communication skills;
- Be willing to work as part of a team;
- Ability to prioritize - policy and projects - which will have the greatest benefit for the most members; and
- Be willing and able to dedicate the necessary hours to be an effective Director.

Candidates will be introduced at both the October and November Board meetings and candidate forums that will be held in the fall. Forum locations and dates will be announced at a later time.

For more information, please contact the Board Office at 623-561-4620 or email boardoffice@suncityaz.org.

Cardholders are asked to please keep the following in mind!

While you're out and about enjoying all that RCSC has to offer, please be aware of the following items which require Cardholder attention when using any of the recreational facilities:

- All RCSC Cardholders are required to check in with their Member or Privilege Cards (key fobs accepted for entry to fitness, pools and spas; not concerts or free events)
- Neither Sun City AZ residents nor spouses of RCSC Cardholders are eligible to be guests. With proper documentation, privilege cards may be purchased at the Cardholder Services Office at Lakeview Center in order to use the facilities.
- Host punch cards are purchased by and belong to the Cardholder, not the guest. Host punch cards can be purchased at RCSC Facility Attendant Stations (exact cash or check only), Cardholder Services at Lakeview, RCSC Bowling Centers.
- Guests may be requested to show government-issued photo ID when checking in to use RCSC facilities.
- Proof of age for 4 and 5 year olds (birth certificate or passport) is required for access to swimming pools. Photo copies or electronic images are acceptable.
- Free concerts and events are paid for by RCSC Cardholders and are intended for RCSC Cardholders and their escorted guests only. Always be prepared to show your RCSC Member or Privilege card (with photo) when attending concerts and events. Key fobs are not accepted for entry.
- Lakeview Hillside Park is now gated and Cardholders must present Member or Privilege card to attendant for access.

Please refer to the RCSC Cardholder Guide and Board Policies for more information regarding these matters. Your continued cooperation is appreciated!

No matter what state you're from, while you're here in Sun City it is much appreciated if you would park in only one space (note the white line under car) and save these smaller spaces for golf carts - as designed.

*Be scent sensitive!
Overuse of scented body products such as colognes, perfumes, after-shave lotions and the like can be irritating and even caustic to others. Perspiration and water from pools, spas can make matters even worse.*

Golf & Grounds Report

Pro Shops

Despite a slightly sluggish February, total rounds have outpaced prior year by 4,163 rounds. Through February, 75,312 rounds have been played on our courses, which is ahead of the prior five year average of 74,329 rounds. Lakes West has played 11,230 rounds, followed closely by Riverview, which has played 11,206 rounds. Lakes East has posted 7,969 rounds, followed by Willowbrook, which has posted 7,033 rounds. For the year 91% of our rounds have been played by residents and their guests. Surcharge play represents 50% of total rounds played.

Participation in the 2018 Can/Am event was down this year with 74 participants. Golfers from both countries proudly displayed their country's colors. The American team won back the cup this year, winning 11 matches to the Canadian team's seven matches. The men and ladies divisions were broken down into four flights. We thank everyone that participated and look forward to 2019 and a full field.

We have scheduled our first night golf event of the season for April 21, at Lakes East Golf Course. Check-in will begin at 6:00pm, dinner will be served at 6:30pm, and play will begin at 7:30pm. Applicable green fees will be paid on the day of play. The event is currently full; however, a standby list is available.

Demolition of the South pro/snack shop building will commence in early May 2018. During this construction period, pro shop operations will be staged from a mobile unit. Canned soda, canned beer and prepackaged snacks will be available, prepared food will not be available during construction. Updated plans are now posted in the snack shop at the South Pro Shop and reflect comments made during our "town hall" meetings that took place in 2017.

Snack Shops

Colder than normal February temperatures resulted in a slight miss of \$3,631 to budget.

Golf Courses

Work on the Willowcreek golf course renovation began on March 5 with installation of the mainline. Mainline construction is now complete on holes 11 through 18. On March 19 the back nine of Willowcreek closed to begin green construction, installation of irrigation lines off the mainline and irrigation lake renovation. The boring across Boswell Boulevard was delayed and took place the week of March 15 tying the new irrigation system to the current system on Willowbrook. Please remember that this is a construction site and areas under construction are closed, this includes foot traffic that is normally allowed on our courses before sunrise and after sunset. We ask for your cooperation both for your safety and to prevent inadvertent damage to course equipment during this process.

Beginning April 9 spring fertilizer applications will begin at Willowcreek/Willowbrook. We utilize an outside contractor for this application, which utilizes large tender trucks. The vendor is familiar with the golf courses and works with the golf superintendents to avoid damaging irrigation. This process is the most efficient way for this application. The process will be completed April 18th at Quail. The applications begin early enough in the morning to avoid disrupting play.

The warmer than usual winter has begun to awaken our bermuda grass. Watering of the roughs has increased. Though the rough is not growing at a substantial rate, we have begun to mow these areas to keep them clean. There are some unwanted grasses in the rough areas that grow at a faster rate, mowing helps to keep the rough height even.

Tips from a Pro

The easiest route to lowering your score!

The short game makes up nearly 70 % of the shots we take out on the golf course. That said it is usually the first place to examine if lowering the score is your goal!

Generally, the short game is made up of putts, chips and pitches. A small improvement in each area can add up to a big difference in score!

Putting: Start by practicing short putts. If you can consistently make the 2-3 foot putts, back up. Try the 10-15 foot putts. See how many out of 10 you can get close enough to the hole to make the second putt a tap in. Last work on the long lag putts. Imagine a hula-hoop around the hole and see how many you can get within that 3-foot circle. The goal should be a two putt every time.

Chipping: Practice both with a lofted club and a less lofted club. You want chips that will hop a little and roll a lot (7 iron) or ones that will hop and roll about the same amount. (Pitching Wedge) Practice short, medium and long distances with both clubs. The goal should be to get in close enough to the pin that there is a reasonable chance to make the putt.

Pitching: Using a lofted club (Pitching, Sand or Lob Wedge) practice 1/4, 1/2 and 3/4 swings to figure out the distance your ball goes. (Higher handicappers should stick to just one club, while advanced players may have distances figured with all wedges.) Once distances are known, practice on the pitching green from varying distances determining which swing is needed. See how many balls out of 10 you can get on the green. (Initially aiming for the center of the green and then eventually for the flag.)

Remember working on the short game is one of the fastest ways to reduce score! For high handicappers, it's not unrealistic to lower the score 1-2 shots per hole. For low handicappers, it can really help with overall consistency and scoring.

Grounds/Lawn Bowling

Green speeds are generally slower than reported in February. The average stimp reading in March was 12.5 compared to 13.4 in February. The warmer than normal temperatures have begun to bring the greens out of dormancy, resulting in growth and additional watering. Greens have been aerated using needle tines to allow water and oxygen to reach the root system. Currently, we are mowing greens once per week and rolling four times per week.

The lack of rain has produced fewer weeds than years past; however, they have begun to grow. Weed control will be a major focus over the coming weeks. Transition of grassy areas from winter rye to summer bermuda has begun. Weak areas will receive additional water as needed.

Beat the Heat! By Going Bowling!

The calendar might only say May, but once the temperature hits the triple digits (if it hasn't already), it's time to head to the RCSC bowling centers to beat the heat!

Bowling is a great sport that offers many health benefits to those who play regularly - which can help contribute to a healthier lifestyle overall. It's a very good form of relaxation; it helps you to socialize and reduce stress while acting as a stimulus for your competitive nature.

Stretching and warming up before you start bowling is highly recommended. Even if you only bowl once a week, you'll be lifting your ball, twisting, walking and swinging with every frame. Bowling also helps you burn fat. A game of bowling can burn anywhere between 170 to 300 calories pending upon your weight and how much effort you use.

For many, bowling is less sport and more social. While improving your game might be your ultimate goal, spending some time at the bowling center with family or friends is a great way to stay out of the heat and have fun at the same time. Some psychologists recommend that making new friends (which you're bound to do when bowling) can actually improve heart muscles and increase your longevity.

And don't forget - the excessive summer heat can also play havoc with your equipment. If you don't have a locker to store your bowl at the bowling center, at least remember to bring it into the house. Leaving a bowling ball in a hot garage is just as bad as leaving it in the trunk of the car.

As always, RCSC bowling staff are on-hand to help you get started. Yes, we know it's getting very, very hot outside. But being at the either one of the RCSC bowling centers is very, very cool! Stop by and give it try!

Architect's Report

Willowcreek Renovation - Full Speed Ahead!

by Gary Brawley, ASGCA
Gary Brawley Golf Design

If you have been by the Willowcreek Golf Course you can see that the renovation is in full swing. The golf course contractor has about 50 guys working on the project right now and as the lake construction and landscape portions ramp up that number will be closer to 75 in the coming weeks.

Irrigation mainline is complete on the back nine of Willowcreek including all four road crossings. The contractor has tapped into the mainline from the Willowbrook pump station so they have water available to them to flush and set heads as they go. Irrigation head installation is complete on six holes. The contractor will continue to work through the back nine and then continue in order through the front nine of Willowcreek.

All of the putting green cores on the back nine of Willowcreek have been shaped in and drainage is underway.

The Willowcreek Greens committee took a tour in early April and were able to see five of the greens already completed. The contractor is going to be continuing on the front nine and get all of the greens should be ready for our target July 13, 2017 grassing date.

WELCOME GOLFERS

PLEASE REPAIR ALL BALL MARKS WITH THE TOOLS PROVIDED.
USE ONLY THE APPROVED REPAIR METHOD SHOWN TO HELP
MAINTAIN OUR GREENS AND INCREASE YOUR ENJOYMENT.

DO NOT TWIST OR LIFT SOIL

Only YOU can prevent ball mark damage!

RIGHT!

- 1) Close the gap/hole with putter by patting down the ball mark.
- 2) Insert *Green-Save* tool on the high side behind ball mark and push the back toward the center.
- 3) Do not pull up, twist or lift with the tool.
- 4) Push both sides of the ball mark into the center.
- 5) Gently tap the surface down with putter.
- 6) Never use loosened turf for repair.

**WRONG!**

Pulling up or lifting on the center or the sides will tear the roots and result in brown spots taking weeks for the surface to heal.

Do not pull up or twist with tool. This will only bring sand to the surface and tear the root system

**RIGHT!**

Insert tool and push back and sides forward to center.
No damage to root system. Healing starts immediately.

YOUR REPAIR EFFORT USING THE CORRECT METHOD ELIMINATES BROWN SPOTS AND PROMOTES GRASS GROWTH!

Thank you for using the repair tools provided and especially for using the correct ball mark repair method. Enjoy your round and help us improve everyone's putting experience.

*A Moment with President DeLano***Access to Information: Getting the Word Out!**

Quite often I'll hear someone say that they didn't know about an event or meeting that they missed. I find that pretty amazing since information can be found in so many different places throughout our community.

For starters, get yourself signed up to receive emails from RCSC. Each Sunday (God willing) you'll receive Your Sun City AZ Week which lists all of the events, meetings and general information that will help you navigate through the week. It also includes a Mark Your Calendar section so you will have an idea of what is coming four to six weeks from now. We try to include in these major club events as they are scheduled, such as open houses and sales, band and chorus concerts, etc. We also include two weeks of golf calendar information so you can book tee times as appropriate.

RCSC News Email Alerts sent out also include reminders for individual upcoming events, Board/Member Exchanges and Board Meetings (with agendas), RCSC monthly Management Reports, Board Meeting Summaries and Centers Information.

Similar information is also and always available on the RCSC website at www.suncityaz.org. Take a look around. You just might be surprised what else you'll find.

At this very moment you have a wealth of information right in your hand. SunViews provides you with news, event and club information, along with recreation center and golf course locations and phone numbers, Board and committee meeting information and more. Since SunViews is a monthly publication, some information (such as the Management Reports) might appear to be out of date, when actually for those without internet access this may be their only avenue for getting this material.

While you're out at the centers, you're always welcomed with postings for upcoming RCSC events and many club activities. The kiosk near Sun City AZ Visitors Center at Bell includes other Sun City AZ area events and you'll find many local club and organizational brochures inside this facility as well knowledgeable volun-

teers who are willing to provide assistance and information regarding the community at large. The Clubs & Activities Office at Lakeview is literally your one-stop RCSC event and chartered club info hub.

RCSC Offices and many of the center lobby areas also have video monitors airing promotional videos for upcoming events and other meeting information.

Even when you're just driving around Sun City AZ, my guess is you will likely pass a recreation center with an electronic marquee sign showing the date, time and place for the next Board meeting and the next upcoming concert at Sundial or the Sun Bowl, besides the time and temperature (now showing as HOT!).

And don't forget to "Connect with Sun City AZ" online. However, if social media isn't quite your thing, why not have a grandchild (or appropriately aged person) help you "Like Us" on Facebook, re-tweet one of our Twitter postings or follow us on Instagram @suncityarizona.

As much as we love to hear from you and wish to help, RCSC is not able to address many of your concerns. Certain duties fall on other organizations and entities (such as Maricopa County Department of Transportation and the Sheriff's Office, Sun City Homeowners Association, etc.). Help us help you by using all of the resources and avenues of communication available.

Management Updates

Financial Report

RCSC has ended February 2018 within its operating and capital budget year to date. Every division has exceeded its income projections year to date while operating under the budgeted wages, taxes and benefits. Utilities, on the other hand, have come in higher than budgeted and overall, utilities expense ends February with a \$29k deficit year to date. In the end, each division has operated within its overall operating budget and has a positive variance year-to-date.

Bowling

Starting in May, Bell Lanes will begin the monthly summer No-Tap bowling tournaments which are held the last Sunday of each month. The first tournament will be held on May 27, 2018. All bowlers are welcome whether USBC certified or not.

The 30th Annual Sun City Open Senior Bowling Tournament will begin April 28 and will run for two weekends. The tournament produces income of \$5k to \$6k. The tournament is open to all senior bowlers in Arizona. It is always a joy to receive the

compliments from the bowlers about the cleanliness and upkeep of our two RCSC bowling centers. We have one bowler from Phoenix who has bowled all 29 tournaments and this year will be his 30th. We also have several bowlers with over 20 year's participation in the tournament. This has been a very successful tournament and provides us an opportunity to show off RCSC facilities.

Cardholder Services

Payments on past due assessments in February were 11.5% of past due balances. Overall accounts receivables increased in February by 2.1%. The increase in current assessments impacted the increase in total accounts receivables the most this month. Over 90 day past due assessments and total past due assessments were both at their lowest level in over 6 years. January assessments went 30 days past due at a rate of 5.2%. December assessments went 60 days past due at a 3.1% rate.

Payments from our third-party collections firm in February continued strong totaling \$25,114 which is a 44% increase over 2017. Payments made by Cardholders through the online RCSC Web Portal increased in February and totaled \$121,838 from 275 property owners. Year

to date web portal payments total \$234,932 from 529 property owners.

In February, property transfer balances increased by 4% and lender related balances increased by 31% as properties turn over. Outstanding balances related to property transfers continued to represent 53% of all receivables and past due balances. At the end of February, trustee sale notices on Sun City AZ properties ended at 47 and properties owned by lending institutions at 19. Preservation and Improvement Fees collected in February were \$570,100 which is \$104,600 over the amount budgeted. Year to date PIF fees are \$1,147,500, which is \$342,500 over budget for the year. The year to date total is down 5% from 2017. A reminder that we intentionally budget PIF income very conservatively to assure that we have the cash on hand for any planned project as we remain debt free.

Human Resources

With the upcoming closures of Willowbrook/Willowcreek golf courses and South snack shop for projects, we will work to reassign employee duties as needed to avoid employee layoffs.

Since the beginning of the year, we have hired 23 individuals to fill positions as a result of turnover, as well as, other vacant positions. Twenty six individuals have left the company during this time period. Currently there are 389 individuals on staff at RCSC.

Member Services

The month of March started with Dancing with the Sun City Stars with an incredible performance by the Utah Ballroom Dance Company. On March 7 the spring concert series continued at Sundial as we welcomed to the stage Neon Circus, the best Brooks and Dunn tribute on the circuit. On March 14 we were honored to have Gary Puckett and the Union Gap perform flawlessly for another sold-out crowd. Then on March 21 a Doobie Brothers tribute, Listen to the Music, took the stage at Sundial for the first time! The final show of the spring concert series on March 28 was a rare treat with Carla Cooke, the daughter of the late, great Sam Cooke, who performed all of her father's hits as well as her own!

On Saturday, March 10 we held our third annual Senior Prom.

Everyone dressed in our Paris theme and looked amazing with top hats, evening gowns and berets. What a fun evening!

RCSC Management Reports are presented at RCSC Board of Directors meetings each month (except July and August), posted on the website at www.suncityaz.org (under the RCSC tab), and are sent via email to RCSC Cardholders who have signed up to receive RCSC News Email Alerts. These reports were presented at the Board meeting on Thursday, March 29, 2018.

Project Updates

Sun Bowl

- Lighting modifications at the Sun Bowl began March 26, 2018. Lighting will be enhanced with LED floodlights at the rear of the Sun Bowl that will provide additional lighting into and behind the bowl area after shows. Additionally, LED light bollards will be added to the center walk to provide pathway lighting during the shows. This project is expected to be completed by mid-April. Contractor is Accel Electric. (Cost – \$27,853)

Lakeview Center

- Vintage Vehicle Club space – Permit approval from the Sun City Fire Department has been received for the installed ventilation fan. All work has been completed on this space except for rear fencing privacy slats. Review of the club operating and safety procedures is underway and will be completed by the end of March. A walk-through with club officers will be completed ahead of turning the space over to the Vintage Vehicle Club to occupy the space. Contractors are Ken McIntyre Construction, American Fence, and RCSC Skilled Trades staff. (Cost – \$24,475)

South Golf Course

- The site plan and floor plans for this project have been updated at the South Golf Course so cardholders can see the modifications that have been made. Plans are being updated to include the ventilation requirements that accommodate both gas and electric cart storage in the building. Permit submission and bid specification tasks are currently still on target.

Quail Run Golf Maintenance

- Additional LED lighting poles will be added to the Quail Run Golf Maintenance yard to provide additional security lighting. The installation is scheduled for completion in early April. Contractor is Accel Electric. (Cost – \$6,328)

Bell Center

- Deflection screens will be installed on the walls of each tennis court at Bell Center. Deflection screens were present before the completion of the tennis court remodels in 2015. These deflection screens reduce tripping hazards by preventing balls from bouncing off the block walls and back towards the players. Contractor is Custom Courts and Tile. (Cost – \$13,600)

Grand Ave Property

- Building modifications, room layout and a site plan have been developed and will be presented to the Board for their approval. With the Board's approval of the direction for this property, we will begin meeting with the identified clubs for more detailed space planning for the assigned rooms.

Management Updates

(continued from previous page)

We kicked off the Sun Bowl spring series on Sunday, March 11 with 60's Forever. Then on Monday, March 12 we were treated to the incredible performance of the United States Navy Sea Chanters band. On Sunday, March 18 we welcomed Backstage Crew to our stage for the first time. Unfortunately, it was a cold night and those who weathered the cold loved the performance and danced non-stop. The last Sun Bowl show of March 2018 was Nashville Gold. The name says it all and the performance was golden!

The month will end with the Annual Easter Egg Hunt at the Sun Bowl on Saturday, March 31. There will be face painting, pony rides and a petting zoo, along with candy, toys and prizes. Remember that the Annual Easter Egg Hunt and all free events are available to RCSC Cardholders and their escorted guests only.

General

For those who may not be aware, the monthly management reports are available on our website www.suncityaz.org under the RCSC tab. Auditors Needed - Finance, Budget & Audit Committee

If you have a background as an auditor and are interested in serving as a volunteer on the Finance, Budget & Audit Committee, please contact the Board Office at 623-561-4620 or email boardoffice@suncityaz.org. Volunteers conduct audits of the books and records of the RCSC Clubs, when requested by the club itself, by the Club's office and/or the Board of Directors. Audits are conducted at the RCSC Corporate Office and are scheduled to fit auditors' availability. Please provide your resume and references, along with a letter stating why you would be interested in serving in this capacity, to the Board Office at 10626 W. Thunderbird Blvd., Sun City, AZ 85351, or email the information to the Board Office as noted above.

Sun City Foundation

“Neighbors Helping Neighbors”

The next Sun City Foundation meeting will be held on Thursday, May 10, 2018 at 1:00pm in the Lakeview Center Board Room.

The mission of the Sun City Foundation is to assist those in financial need. It is our privilege to serve RCSC members who need assistance with their annual RCSC property assessment. In order to qualify, applicants must:

- Be a homeowner and resident for at least five (5) years
- The Sun City AZ home is their sole residence
- Be at least 70 years of age
- Income does not exceed 150% of the current Federal Poverty Level

The Sun City Foundation continues to assist our Seniors who have outlived their resources by offering assistance to those in need for a better Sun City! If you are in need of help and are an RCSC qualifying member, please call 623-561-4600 for more information.

The Sun City Foundation acknowledges with sincere gratitude those of you who have donated or made provisions in your estate planning to include The Foundation as a beneficiary.

The Friends of the Sun City Libraries, Inc. annual Volunteer Appreciation Dinner was held recently. Although Friends volunteers are recognized in two other social events during the year, this dinner invitation to the Palmbrooke Country Club is the main event for showing the volunteers how much they are appreciated.

Friends President Marcia Davis expressed her thanks to the volunteer Board of Directors (Pat Bates, Sue Blechl, Roberta Hawksworth, Joyce Kirkham, Charlotte Klose, Camilla Kuberka, Arlene Schindler, Ruth Polansky, Jessica Potter Slider, Kathy Weyers) and Board Advisors (Tom Everitt, Brianna King, Mary Anne McDonald, and Jerry Walczak). She also thanked Ida and Greg Eisert, Denny Nichols, and Sue Painter for their special service to the Friends organization. Library Manager Brianna King introduced the library staff present for the event. Entertainment was provided by the Sun City Bell Ringers Ensemble, who delighted the audience with humor in their music.

The program displayed the 2017 highlights from Ms. Davis' Annual Report:

- 100 volunteers
- 10,604 volunteer hours
- \$40,945 in Bookstore sales
- 13,633 web site page views
- \$40,669 donated to Libraries
- \$7,900 donated to community support
- Over 500 hours delivering books to homebound
- New Book Friends program reading at care centers
- New scanning software for book valuations
- First online book store (E-Bay)
- First FaceBook account

Bruce Jacobs
Leda Rozanc
Sharon McKinney

The highlight of the evening was recognizing Volunteers of the Year.

Bruce Jacobs was named Bookstore Volunteer of the Year. As a wounded Vietnam vet, he started by delivering books to veterans in hospitals, which he still does. Bruce has become a great friend to all with whom he works, and a mentor to many others.

Leda Rozanc was named Bell Library Volunteer of the Year. She has been volunteering in the Library since 2010. Her enthusiasm, good cheer, quick wit, and willingness to help in any circumstance made her a very deserving recipient.

Sharon McKinney was named Fairway Library Volunteer of the Year. Sharon is noted for her positive attitude, teamwork mentality, and responsibility. She is described as doing all this with a big smile.

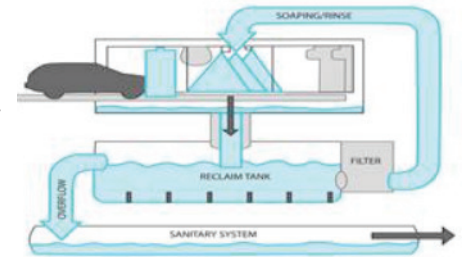

The Friends of the Sun City Libraries, an all volunteer organization, is proud of its Libraries, its results, its community support, and most of all, its volunteers.

Water Conservation

Save Some Water Down at the Car Wash

Give yourself a break and save water at the same time by heading to the car wash. Did you realize that washing your care at home in the driveway can use up to be 140 gallons of water? Using a bucket and spray nozzle (with shut-off) can help save some but not much.

Most newer car wash facilities have fairly sophisticated water reclamation systems that allow water to be re-used many times over while still giving your vehicle a clean, dry finish by using fresh water only when absolutely necessary (such as the final rinse).

In other words, a car washing facility uses only 9 to 15 gallons of fresh water during a cycle, which is at the very least a 65% reduction in water usage and likely much more.

But water conservation is only the beginning. Driveway car washes also introduce soap, oils, brake dust and other chemical pollutants into the storm drain system, which eventually can harm plants and animal life in the ecosystem. Professional car washes empty excess waste in the sewer system where it belongs.

Let somebody else work their fingers to the bone - down at the car wash! And save water, too, because as everyone knows...

Every Drop Counts!
Do your part to help conserve!

Club Honors Original Line Dancers

According to Wikipedia, if you were to ask ten people when line dancing began, you would likely get ten different answers. By Europeans immigrating to America in the 1800s. As servicemen returned from war having been introduced to traditional folk dances overseas. Some believe its popularity grew as youth learned country western dancing in large numbers whether at barn dances or in physical education class. Others feel line dance evolved from the disco era while some say that "Achy Breaky Heart" was the major turning point in its mass appeal.

The history of line dance in Sun City is quite a story. While the Sun City Line Dance Club was officially chartered by RCSC in December 1997, a large group of residents started meeting for fun and exercise an entire decade earlier. Many recall that in the beginning, RCSC paid the instructor directly. How times have changed! Today the club has over 500 active members and has been recognized as "the largest line dance club in the world" by Guinness World Book of Records.

Those early line dancing pioneers were recently honored at a luncheon where ten dancers of the original group were

presented with Lifetime Line Dance Certificates.

What's kept them returning year after year? Gwen Hammond liked "making friends and the dancing—the minute you put your boots on, nothing's wrong." Other cited lasting friendships, comradery and support over the past 20+ years. Ann Marie Nemeč's favorite thing about Line Dance Club is "Just being here—it's a happy place." When Fran Ryan was grieving the deaths of her husband and son, "Dancing at Line Dance Club was the best support group there was."

For years these members have contributed as well. Fran, Gwen and Bonnie Rotter were listed as monitors in records back to 1998, and Bonnie still monitors regularly today. Music, exercise, and lasting friendships—there's more than meets the eye to Sun City Line Dance Club!

What a fitting tribute to an amazing group! And another fine example of Sun City giving back!

The Sun City Line Dance Club typically meets in the Sundial Auditorium on Tuesdays and Thursdays from 10am to 1pm. Visit www.sun-citylinedanceclub.com for more information.

Above: On a quick break from the dance floor are (left to right): Jewel Ainsworth, Alice Pueringer, Bonnie Rotter, Fran Ryan, Barbara Parker, Ann Marie Nemeč and Gwen Hammond of the original ten. Below Left: Gwen, Ann Marie and Fran show they've still got the moves. Below Right: Bernie Schueler and Bill Jepsen show one of the Lifetime Certificates that all received. Fairway Ceramics Shares Egg-citing Project with Luke Elementary Again

For the fourth consecutive year, the Fairway Ceramics & Porcelain Club coordinated a Spring project with three third-grade classes at Luke Elementary School, helping 90 children create a pair of unique marbled ceramic eggs.

Over 25 Club Members volunteered helped young students and their teachers decorate ceramic eggs in clouds of shaving cream with swirled colors. The children's enthusiasm in this hands-on project led to delighted smiles and amazed looks, as plain white ceramic eggs became marbled with colors.

After the eggs were glazed and fired back at the Fairway Ceramics Club by more volunteers, they were returned to the students. In each class, a ceramic bunny-in-overalls was presented to the winning student of a class drawing. All three teachers were also presented with a ceramic apple, which each teacher described as looking "good enough to eat!"

Club Members also presented a ceramics "Welcome" piece to the administrative staff. Fairway Ceramics treasures this on-going relationship with our neighbor, Luke Elementary School, and will continue to honor their request to "please keep coming back."

Luke Elementary School serves Luke Air Force Base and the surrounding community, and is located only 11 miles away from Sun City. Many of the students are children of military and other transitional families, which was one of the reasons the Club reached out to this particular elementary school. Many of these children experience the frequent absence of the military parent, often over holidays and often living far from their grandparents. It is hoped that this project brings some delight and joy to the students. Many Club Members are grandparents, and the students' warm response and frequent hugs and expressions of thanks make this project a worthwhile and memorable endeavor.

Welcome to RCSC Club Events

We've reorganized the Clubs Events & Announcements that appear in SunViews so that it's easier to find the activities you're looking for. Clubs are welcome to submit information to this section every month and should include the date, time and location of the event along with cost and contact information.

Choraliers of Sun City

An auditioned choral group open to RCSC cardholders, composed of men & women with diverse musical backgrounds, performing a wide variety of music for social functions, churches, healthcare facilities, & retirement communities. We are currently interested in increasing singers for all voices. Rehearsals are Mondays from 8:30-11am in the Fairway music room (second floor) through 4/16, resuming after the summer on 9/10. The "Rivers of Life" themed concerts this March were enthusiastically received & enjoyed by all (including the choir)! So if you are looking for musical fulfillment, please stop in to listen as we introduce the new music for our winter season concerts. Brochures with contact information can be found at the Sun City Visitors Center at Bell, or check out our website at www.suncitychoraliers.com for more information.

Sun City Womens Chorus

After a successful season, the Sun City's Women's Chorus takes a break over the summer months. Our 2018-2019 season begins Thursday, September 6, 8:45am in the Fairway Music Room. All women who have an RCSC membership card are welcome. We look forward to seeing you. If you have any questions, please call Annette at (623) 308-4643.

Established in 1963, Women's Chorus was the first chartered music club. At present, our 60 members come from a wide array of musical backgrounds & perform two main concerts a year. Any woman who loves singing is welcome to join.

Tips from Get Fit for Life -

Managing Diabetes with Exercise

Above: Louise Navarro uses a Comprehensive Workout, designed for her by Jane Fortier, to help reduce blood glucose levels and manage her diabetes.

"Physical activity is an important component in a well-balanced management plan for Type-2 Diabetes," states Jane Fortier, fitness specialist for Get Fit for Life. "Maintaining correct blood glucose levels is a constant concern for a diabetic. Exercise makes it easier to control those levels, thus preventing long term complications like nerve pain, kidney disease and arteriosclerosis."

People with diabetes have too much glucose in their blood, either because their body doesn't produce enough insulin to process glucose, or because their body doesn't use insulin properly (insulin resistance). Either way, exercise can help a diabetic live a normal healthy life. Exercise puts the body's muscles to work. It doesn't matter if you are insulin resistant or don't produce enough insulin: when you exercise, your muscles get the glucose they need, and blood glucose levels decrease.

"As we age, the body begins to lose muscle mass, a phenomenon known as Sarcopenia," Fortier notes. "Muscle is the receptor site for much of the body's blood sugar (glucose). Muscle burns or stores glucose. Resistance Training is a form of exercise that increases muscle strength and tissue, therefore increasing the body's glucose storage capacity and metabolic rate. This form of exercise is important for a Type-2 Diabetic. A good exercise program for a diabetic would also include Aerobic activity. Aerobic exercise is continuous motion that challenges the heart and lungs. Spending 10-15 minutes on an aerobic machine, at an intensity level that keeps the heart-rate in the Cardio Zone, will burn stored glucose and help with blood sugar management, long-term. Rounding out a balanced workout, for a diabetic, would be Flexibility exercise. Stretching for flexibility reduces muscle soreness and improves how well muscles and joints work throughout the day, and during an exercise session."

Getting started with an exercise program is often the hardest part. Get Fit for Life trainers help with that. They design programs that address needs, goals and medical issues, and teach clients how to exercise safely and effectively. To find out more about services, visit Get Fit for Life Sun City on Facebook, or call 623-696-6820.

LaTouch Wellness Massage Therapy Shares...

Healing Our Energetic Body

The human body is a complex and marvelous work of art that includes an electromagnetic aspect as well; quantum physics can now detect and measure the energy fields of the body. There are several energy systems throughout and surrounding the body; these energy field that surround the body are called the auras.

There is another energy field that runs throughout the body called the chakra system; there are seven major chakras and additional minor chakras that have a direct effect on the health and wellbeing of the body. There are also other areas to consider when focusing on the electromagnetic fields of the body that include zones and meridians which run throughout the body.

A skilled Bodyworker knows how to simultaneously enhance and restore balance to these energetic systems. When energy becomes blocked within these systems, this can contribute to the experience of discomfort and disease. Restoring and enhancing the free flow of energy promotes health and wellbeing. Massage therapists and Reiki Practitioners use energetic healing to influence and enhance the function of these energetic systems.

Many healing professionals utilize a wide variety of techniques such as reiki, reflexology, acupressure, aromatherapy, guided imagery and additional energetic practices along with massage. During a "Wellness Session" of mind, body and spirit, great value is placed on having the opportunity to assist clients in exploring their energy fields, uncovering additional aspects that may need to be addressed for improved health and wellness. Massage Therapy combined with some Reiki Energy techniques can explore and address the energetic field.

To gain an in-depth, understanding of the Energetic System of the body LaTouch Wellness provides additional information on Facebook at www.facebook.com/LaTouchWellness.

Massage in general helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for you, call and schedule an appointment today!

Educational Classes

Computer Club of Sun City

Our members come to our Club in the Fairway Recreation Center to share computer knowledge and experiences, including current Microsoft Operating Systems, Chromebooks, Android, smartphones and tablets in a fun and social environment. This includes using these devices to explore the Internet, photos, repair, home, office and social. Members of the Club can come anytime that we are open and use our computers in the Member's Lab to check

email, read the news and visit favorite websites. They use our scanner to scan their important documents, precious old pictures, prints, slides and negatives. Classes, special interest group discussions, workshops and presentations are both interesting and educational.

We have three rooms equipped with Windows 10 computers. Many classes using Microsoft 10 are scheduled and you can use our computers. Classes are usually announced at least two weeks before and require club membership. You'll need to come to the club to register for classes. Sign up early as they do fill up fast.

Our Workshops are focused, informal, hands on, and with smaller groups. Membership is required. Topics of the Workshops are targeted to a specific topic and will be related to PCs or Android Devices. Workshop rooms are arranged for members to use with their own laptop, Chromebook, tablet, or phone. If you do not have a laptop, you can use one of our computers.

All RCSC cardholders are welcome to join the fun! In May, you can join our Club by attending a short "Join Us" presentation in our Club on any Wednesday. Come in anytime between 9a to 10:30a. It only takes a few minutes to join! For more information, call 623-933-8953 or visit our Club Website: www.firstsuncity.com The Computer Club of Sun City is on the 2nd floor of the Fairway Recreation Center.

Spanish Club - El Circulo Español

While many activities come to a halt during the hot summer months, the Sun City Spanish Club starts a NEW class. Starting June 6 from 1-2:30pm in Fairway room 133 there is an all-level conversation class. This is a wonderful, fun way to interact with friends and neighbors and learn a little Spanish. All materials will be supplied with the exception of pen and paper! Annual dues are \$10.00. We continue to have regular social outings monthly. Our annual Fall pot luck dinner is planned for October. FMIC Lidwina 623-256-8376.

SunMacs (Apple Macintosh) Computer Club

Our Summer Hours, Tuesday and Thursday only, 8:30-10:30a are observed May through October. We are closed from July 30 through September 14.

Our 2018 officers are: President, Isaac Bonifas; First Vice President, Vacant; Second Vice President, Larry Dilts; Secretary, Barb Swintek; and Treasurer, Tom Cherveney. The Club is currently seeking a replacement for First Vice President Mike Graham who has left Sun City.

Our next General Meeting will take place on Saturday, November 3, 8:30 - 10:30a in the Sundial West Hall. Coffee and treats available before the 9a program. The program topic for this meeting will be announced at a later date. You can renew your membership for 2019 at this time. Election of officers for 2019 will take place before the program.

We specialize in assisting our members with Apple Products and Software. Located at Sundial; RCSC card required for membership. Annual dues: \$20 single/\$30 couple. We offer classes, Round Tables and Socials, free to club members. Some classes require pre-registration. For more information about the Club and a calendar schedule of classes offered, visit www.sunmacs.org or our club room (933-5300).

Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and hand-capped from the Freedoms Foundation of Valley Forge in Pennsylvania.
