RCSC Board of Directors Election

Decision Time Nears; Online Voting Begins November 12

The Recreation Centers of Sun City Board of Directors and the Elections Committee are pleased to announce the names of the candidates running in this year's board election: Darla Atkins, John Dockham, Kat Kyle Fimmel, Diana Graettinger, Rich Hoffer, Mike Kennedy, Jill McCullough and Lana Williams.

These candidates are vying for the three 3-year positions on the RCSC Board of Directors being vacated by Directors Bruce Alleman, Jerry Walczyk and Rich Hoffer (who is completing the term of Ron Smith who resigned from the Board earlier this year).

Online voting begins on Monday, November 12, 2018 at 8am. RCSC Members are encouraged to sign up and use the RCSC Web Portal to cast their ballots (see page 11 for more information). RCSC Members may also vote in-person on Election Day (Tuesday, December 11) from 8am to 4pm in the Lakeview Social Hall #2.

Absentee ballots for those either unable to vote online or in-person can be obtained by contacting the RCSC Board Office at

623-561-4600 beginning November 12; the last day to request an absentee ballot be mailed is November 30. Absentee ballots may also be picked up at the Board Office through December 10 and all absentee ballots must be received no later than December 11.

RCSC Cardholders will have the opportunity to meet the candidates and hear their stance on the issues at two upcoming Candidate Forums on Thursday, November 1 and Thursday, November 8 (turn to page 2 for more information). Light refreshments will be served at these forums and RCSC Cardholders are encouraged to attend. Forums will also be recorded and posted on the RCSC YouTube channel for viewing.

In addition, candidates will be in attendance at the remaining Board/Member Exchanges (on November 12 and December 10) and the regular Board Meeting on November 29.

Those elected to serve on the Board in this election will be sworn in at the Board Meeting on Thursday, December 20 at 9am in the Sundial Auditorium. *Please turn to page 7 for the President's Commentary regarding voting in this year's election. You'll also find a special pull out section with the Candidate Biographies and Goals on pages 17 and 20.*

HUD/FHA-Insured Financing Receives Clearance

Although the issue of reverse mortgages has been a source of much concern throughout the community, the Recreation Centers of Sun City Inc, is pleased to announce that patience, perseverance and persistence had paid off! From first letter sent to the U.S. Department of Housing and Urban Development (HUD) back in January 2017, RCSC has claimed that RCSC's Preservation & Improvement Fee (PIF) was an Excepted Transfer Fee Covenant based on 12 CFR 1228, therefore removing any free assumability issues previously reported with FHA insured mortgages which includes reverse mortgages.

On October 5, 2018, RCSC was sent a letter from HUD in Washington DC that states: "FHA in conjunction with HUD'S Office of General Counsel reviewed the documents you provided and found that; to the extent RCSC is a 501(c)(4), which would qualify it as a covered association, such fee appears to meet the definition of an Excepted Transfer Fee under FHFA's regulations. This finding is based upon the current use of the PIF as outlined in the board resolution as reviewed and may not hold true should such use be modified in the future. Accordingly, the existence of this private transfer fee covenant, as described in the Recreation Centers of Sun City, Inc. corporate bylaws, as amended June 30, 2016 and the Board Policy Resolution No. 24, 'Preservation and Improvement Fee/Fund,' would not render a property ineligible for FHA insurance."

HUD/FHA-Insured Financing Receives Clearance

(continued from page 1)

Reverse mortgages, a financial resource available to seniors who have equity in their home and are secured as a supplemental income, are available through FHA-approved lenders. The issues surrounding the free assumability clause had prevented approvals on single-family homes, prompting several area age-restricted communities to change their corporate documents in the hopes of gaining FHA clearance which proved unsuccessful.

As has been published previously, condominiums have separate regulations as pointed out in the letter as well, which states: "FHA also notes that if

the property securing the FHA insured mortgage is part of a Condominium Project, that Condominium Project must be approved in accordance with FHA's Condominium Project Approval and Processing Guide as amended."

Although the RCSC Board of Directors has been repeatedly criticized for staying on path to this resolve, in the end it has provided the very best results for Sun City AZ. RCSC Assistant General Manager Chris Herring championed this process and did a superb job. RCSC would also like to thank U.S. Representative Debbie Lesko and her team for helping to get this resolution out of Washington DC.

Free golf clinics are scheduled to start Saturday November 10 at Lakes West Golf Course. The remaining clinics will be held over the following three Saturdays. All Classes begin at 9:30 a.m. and are taught by PGA and LPGA professionals. Topics covered are chipping, putting, irons and woods. The free clinics are a great introduction to the game of golf or a great way to brush up on your game. There is no need to preregister and clubs are available to borrow.

Get Golf Ready classes will also begin in November, with sessions continuing through April. Get Golf Ready classes consist of four golf lessons in a group setting, followed by a fifth day of on course instruction over 9 holes. The cost for Get Golf Ready classes is \$99 per session and registration is handled by Chris Linam at (623) 876-8419 or email at clinam@suncityaz.org.

We had 102 participants in our Patriot Day golf event at Lakes West on August 31. Patriot Golf Day was organized with the help of PGA of America to raise funds for the Folds of Honor Foundation. Rich Lybolt was the big winner on the men's side, scoring the only gross skin on hole #1, worth \$385. There were four men's net skin winners, worth \$96.25, Guy Shaw, Mike Bratton, Tom Adams and Merv Hying. There were many skins out on the ladies side, Terry Klatt won a total of four, followed by Kim Oh with a total of three. Through entry fees, the 50/50 raffle and pro shop collections, we raised a total of \$1,300. The money raised is used to fund scholarships for spouses and children of military service men and women killed or disabled while serving our country.

On December 13 we will be hosting a fundraising tournament to raise money for our chosen Winter Celebration Charity, the Sun City Foundation. The format will be Beat the Pro(s), which will be Brian Duthu (PGA) and Chris Linam (Pro Shop Manager) and will be made up of two person teams. Teams that beat the Best Ball score of the Pros will equally share the prize pool. The entry fee will be \$40 and the event will be held at Willowcreek. In addition to bragging rights for beating the pro, there will also be a chance at a Pebble Beach Vacation.

Golf Courses

Overseeding will begin on October 1, on North, Lakes West and Quail Run and reopen October 20. Riverview, South and Lakes East will close on October 22 and will reopen November 10. Willowcreek and Willowbrook will be overseeded as part of the closure and both will open for play November 10.

The Willowcreek/Willowbrook project is in the final stages, with all irrigation pieces installed. Work continues in the perimeter areas of Willowbrook and along hole 9 on Willowcreek, with the installation of plant material and decomposed granite. Willowcreek will be overseeded with the early wave of courses, but will remain closed until the scheduled opening of November 10. We expect some level of construction activity to remain well into October, remaining closed will allow this activity to continue unhindered.

Grounds and Lawn Bowling

The greens at Lakeview and Bell Lawn Bowl have received a final laser leveling, focusing mostly along the plinth boards. New sprinkler heads were installed at both locations. The corner heads were placed in the ditches, both to improve coverage along the ends and to reduce overspray. The locations of the previous heads will be filled in with concrete. The greens at Oakmont and Mountain View have received their final verticutting.

The softball field closed September 24 for overseeding and is scheduled to reopen the 22nd of October. Overseeding around the centers will occur during the first two weeks of October. The grounds crew will be installing new landscaping rock in the pool area of the Bell Center the final week of September.

Register now for upcoming sessions of the "Get Golf Ready" program.

\$99 includes 4 group lessons, with the 5th lesson being a round of golf. Lessons held at Willowcreek/Willowbrook Golf Course (unless otherwise noted**). There are a variety of days and times, so pick the class that best fits your schedule. Sessions are limited to 8 students for each group, so be sure to sign up early!

*Tips from a Pro***For consistent golf shots, work on tempo!**

Most golfers consider consistency to be one of the most difficult things to achieve in the game. If this is true for you, working on tempo may be the key.

Think of tempo as the rhythm that your golf swing has. It may be slow, fast, or somewhere in between. What matters most is that it is smooth and allows the swing to be balanced. Balance is crucial since we are swinging at a small ball with a relatively small clubhead. This doesn't allow us much room for error, and therefore the more balanced we are in the swing, the greater our chances of connecting become!

To work on tempo choose a short-mid iron and practice swinging with a sense of being smooth. Examples: "one and two" or "back and through" or "turn and hit" ... whatever works best for you. Try and make both sides of the swing (the back swing and the down swing) feel even.

Second, check the follow-through at the end of the swing for good balance. If the tempo was smooth, you should be in balance at the end of the swing, facing the target with all the weight on the forward foot (left foot for right handers). This position should be easy to hold until the ball comes to rest.

Last, once tempo and balance are achieved begin moving to longer clubs keeping the swing the same.

The Future of Sun City AZ Relies on Your Vote

The circle repeats itself once again as we prepare to elect three new directors for the RCSC Board. Every year three board directors complete their terms, and three new directors are elected. Just like clockwork.

Speaking of elections, hopefully some relief is in sight once the political mid-terms are over. Is it just me or have our televisions literally been taken over nearly 24/7 with advertisements paid for by a variety of endorsers, proponents or causes? And it seems that not a dinner has gone by lately without being interrupted by one of the candidates seeking our vote or opinion poll survey takers wishing to know our views on certain subjects.

While candidates for the RCSC Board of Directors are just as passionate about meeting with member "constituents," it is typically done at Board Meetings and Member Exchanges, drop-byes at various club rooms and gatherings, perhaps at the golf courses.

Most importantly is that we have a wonderful slate of candidates once again due to the outstanding work of the Elections Committee. With varied backgrounds, life experiences and fields of expertise, all eight candidates are advocates for Sun City AZ and are willing to make this personal commitment of time to the community.

You'll find more information about their professional credentials, organizational goals and club/civic involvement in the candidate biography hand-outs available at the Lakeview Center Corporate Office, in upcoming editions of the SunViews newsletter and on the RCSC Web Portal once online voting has started.

Starting in late October, literature prepared and distributed by the candidates will be available at all seven recreation centers, bowling lanes and golf courses. Just imagine – no glossy direct mail pieces that head straight into the recycling bin. And it is just as likely that there will not be any robo-calls from unlisted, unavailable or private caller numbers from any of the RCSC Candidates. Whew!

You will, however, have two opportunities to meet with those seeking your vote at the Candidate Forums. These gatherings have proven to be very enlightening as candidates answer questions about various RCSC matters of importance. You'll see how each contestant responds and reacts not only to questions from the debate monitor but from the audience members as well. Simply fascinating!

While every effort is made to enable all to attend these forums (with both an afternoon session at Fairway on November 1 and an evening session at Marinette of November 8) those not able to make these dates and times can also watch video recordings on the RCSC YouTube channel to gather information to help them make their final selections.

Meet the candidates and find out where they stand on the issues. What is important to them and what changes might they wish to make that would affect each and every one of us is not something we should take lightly.

Now is the time to get yourself educated. With online voting, you don't even need to leave home. Cast your ballot and may the best candidates win one of the three seats available. Remember - It's your civic duty to vote and the future of Sun City AZ is what's at stake.

Management Updates

Financial Report

RCSC has ended August 31, 2018 within its operating and capital budget year to date. The golf division shows a deficit of \$218k which is due to the fact that fertilizer, chemicals and pesticides used during overseeding was a budgeted expense in September but has already been purchased in August. Otherwise, all divisions have operated within their net operating budget year to date.

Bowling

October will be a busy month for the Bowling Division. Every weekend has an event or tournament scheduled. The Sun City Bowling Hall of Fame will host their annual tournament at Lakeview Lanes on October 6, everyone is welcome to participate. Both RCSC bowling centers will host the Arizona State USBC Senior Championship Tournament on the weekends of October 20 and October 27. The USBC tournament is an unbudgeted tournament that will likely produce \$8k to \$9k in income. The USBC tournament will use both centers; therefore, lane availability will be limited during squad times. See the list of upcoming bowling tournaments and events in the weekly email "Your Sun City AZ Week" or view the list online at the www.suncityaz.org under the Bowling tab.

Signups for the annual New Year's Eve Bowling Party at Lakeview Lanes will begin Wednesday November 5, 2018 at 9am. The party starts December 31, 2018 at 8:00pm with a potluck, bowling and prize drawing and the night will end with a champagne toast to the New Year. Everyone is welcome to the event even if you are not a bowler. Stop by Lakeview Lanes or Bell Lanes to reserve your spot as availability is limited.

Cardholder Services

Payments on past due assessments in August were 17.1% of past due balances. Overall accounts receivables decreased in August by 3.8%. The increase in 30 Day balances in July flowed into the Over 60 Day category in August, although at a lower rate. July assessments went 30 days past due at 6.2% rate and June assessments went 60 days past due at a 2.4% rate.

Payments from our third-party collections firm totaled just \$2,060 in August. While August collections payments have seen decreases, this year's payments are the lowest monthly total in the past three years. Payments made in August by Cardholders through the online RCSC Web Portal totaled \$101,553 from 229 property owners. Year to date web portal payments total \$983,038 from 2,151 property owners.

In August, property transfer balances decreased by 3.6% and lender related balances remained relatively unchanged with a 1.1% increase. Outstanding balances related to property transfers represent 55% of all receivables and 56% of past due balances. At the end of August trustee sale notices on Sun City AZ properties ended at 40 and properties owned by lending institutions at four.

Human Resources

The first of our fall series of CPR, AED and First Aid training classes was held last week with seven RCSC employees in attendance. Additional classes are scheduled for October 5 and October 12. Participants who complete the class and pass hands-on testing receive a two year certification card. The presenting instructor is certified through the American Health & Safety Institute and is employed by the Sun City Fire Department. Classes are offered in the spring and fall of each year.

We have begun the process of reviewing RCSC's employee benefits program for the January 1, 2019 renewal date. We expect to receive renewal information from the insurance carriers who provide medical, dental, life, short and long term disability and the 125 medical reimbursement plan in early October. Open enrollment meetings are scheduled for November 8 and 9 to present the information to employees and allow for any coverage changes they wish to make for the new plan year.

Member Services

Casino Night was held Saturday, September 15. What a fun filled event! Plenty of prizes were given away throughout the night including four trips awarded to the "high rollers" of the evening.

The Sun Bowl fall series began Sunday, September 23 with Johnny K and Kompany. Due to predicted warm temperatures the concert was moved to the Sundial Auditorium. A dance area is now provided for the Sun Bowl shows moved. The following Sunday, September 30th we return to the Sun Bowl, weather permitting, and welcome Kevin Sterner and Strait Country.

Water Conservation

Ways to Lessen Your Water Footprint

Here are a couple of ways to lessen your overall water footprint that we might not have mentioned before!

Eat Less Water-Intensive Foods

Our diets account for roughly half of all the water we use. All food has a water footprint, but some are much larger than others. Eating less beef, one of the most water-intensive foods, is a smart place to start. Shifting away from animal products to a plant-based diet can shrink your water footprint significantly.

Buy Less

Consumer products are an often-overlooked source of water use, accounting for up to a third of most people's water footprint. Buying less of everything—from clothing to electronics to household goods—can dramatically decrease your water footprint.

Don't forget the three Rs - Reduce, Reuse and Recycle! We all can make a difference!

What's your story?

Are you making an extra effort to conserve water for future generations? Have you changed your water wasting ways? Share your story and we just might pass it along. Send your water saving tips to jhiggins@suncityaz.org. And thanks for sharing!

Marinette Clay Corner

Marinette Clay Corner was established 35 years ago with a membership of 10. Today we have grown to 260. Members enjoy creating something from nothing but a pile of mud and gaining new friendships. We are a busy club participating in the annual November Art Festival at Sundial and our own Spring Open House scheduled for March 15-16, 2019. There will be hundreds of creative ideas for your home, gift giving, and our famous Yard Art to choose from.

Our members enjoy social hours, Holiday Party, road trips and working at our Annual Garage sale held on February 21-22, 2019. Each year, members vote on a donation gift to a local non-profit. Past recipients have included military projects, art departments in elementary schools, women's shelters and Yarnell, AZ at Christmas after the fire. Our New member orientation and project classes are held monthly by volunteer members. Additional creative classes are available throughout the year.

RCSC Cardholders can join Clay Corner for \$15 annually. We are located in Building A at the Marinette Recreation Center. For more information call 623-977-3167 or stop by for a tour.

NextGen Club

Are you new to Sun City? Do you like to have fun, be active and make new friends? Then NextGen is the perfect club for you. NextGen is a social club open to all RCSC Cardholders, designed to bring people together and foster new friendships and social connections. While the club is not age restricted, officers and the activity planning coordinator are under 70 to keep the club fresh and current for new members. The current membership is very diverse and numbers are over 200 strong.

NextGen meets year-round but is most active September through May, hosting regular meetings at Fairway twice a month during season (less often over the summer) and has a wide variety of activities on the calendar including monthly golf scramble, bowling, hikes, happy hours, Karaoke, bike rides, bocce, breakfasts, cards, overnight trips and more. NextGen hosts special events including a Halloween Party and Super Bowl Party. Check out the club calendar (www.nextgensuncity.org) and join this fun, dynamic group.

Rockin' Thru the Years

Rockin' Thru the Years Dance Club is no longer the "best kept secret in Sun City" – we now have over 560 members! RTTY started in 2010 with an expected market of baby boomers moving into Sun City but attendees range in age from their 50s into their 90s.

Our DJs play music mainly from the 1960s right up through today, classic rock, country rock, disco, a waltz or two, some buckle polishers and a few line dances. You can dance "free style" (remember the 1960s and 70s) – or with a partner. Our outstanding sound

system insures quality sound regardless of which of the two professional DJs is performing. Watch music videos on four screens.

Join us at Sundial Social Hall on the second, fourth and fifth Saturday of each month year round (November 24 and December 15 we'll be in the Bell Social Hall). Doors open at 6:30pm, music starts at 7pm. Enjoy dancing and great music at what some call "the friendliest place in town."

Club membership is open to all RCSC Cardholders is \$3 annually. Admission is \$3 for club members, \$6 for non-club members. BYO drinks, snacks. For more information, call Nancy 623-332-7894 or visit our website at www.rockinthruthruyears.com.

Spanish Club - El Circulo Espanol

The Spanish Club is off and running. We recently celebrated our 40th birthday and continue to expand our offerings and membership. We take pride in expanding our minds and our friendships in a low pressure environment. Classes including videos, conversation, structured classroom instruction and informal settings; truly have something for everyone. All classes are held at Fairway room 129 unless otherwise noted. Many instructors provide materials and some use a text book. We are happy to assist in locating inexpensive, used, donated or borrowed books. We strive to make learning fun, easy and user friendly. Registration is not necessary, attend the class you think fit best and you can fine tune as needed (see Classes on page 27). In addition, we have monthly outings for lunch, dinner and cultural events. We try to arrange carpools when possible. Remember: This is supposed to be fun, leave your insecurities behind. Our basic classes really DO start at "Hola!" (hello). For more information, phone our president, Lidwina at 623-256-8376, or email us at SunCitySpanishClub@gmail.com.

Country Dance Club

The Country Dance Club is a top-notch country-western dance club that wants dancers of every skill level to have fun dancing. We feel that dancing not only provides great entertainment and social interaction, but also enhances mental, emotional and physical well-being. We promote dance floor etiquette, courtesy, and consideration of fellow dancers to make it an enjoyable evening for all.

Country dancing includes two-step, pattern, cha-cha, waltz, swing, and line dancing. Our skillful DJs strive to keep all the dancers happy and sometimes we schedule a live band as a special event. Our dances are held in the Sundial Auditorium on the 1st and 3rd Saturdays of every month. Doors open at 5:30pm, dance lesson at 6pm, and dance from 6:30 to 9:30pm.

We have seen that as dancers improve their dance skills, the enjoyment of dance increases as well as their confidence on the dance floor. Therefore, we offer a free dance lesson before each Saturday night dance as well as weekly pattern dance classes at Bell Social Halls every Wednesday night from 6:30 to 9pm. Couples Dance Lessons: Beginner 6:30pm, Beginner Plus 7:15pm, Intermediate 8:15pm. All dancers are invited to join our country-western "family." Come kick up your heels in an environment where our motto is FUN!

Bell Wood Shop

We invite you to stop by the Bell Wood Shop and check us out. This spacious, professionally equipped wood shop has a wide assortment of tools needed for projects big and small, including a new CNC (computer numerical control) Router. You can see wood projects that were made by club members including some award winning items. Club hours are Monday through Friday from 8am to 4pm. On Tuesday and Wednesday, the club stays open until 8pm; and on Saturdays the hours are 8am to noon. We'd be happy to give you a tour, but know that closed toed shoes are required. We always say our equipment is great, but the best part of our club are the members themselves - always willing and happy to talk about what they are making or offer advice on your project. Woodworking classes are available for new members. All RCSC Cardholders are welcome. All you need is your RCSC Photo Card and \$10 membership fee to join. No appointment necessary to take a tour; just stop in. We will be glad to answer any questions you might have and show you around. For more information, call 623-974-6058.

If you like to make things, run metal working machines, or just talk about tools, this is your place. Our members' interests include Machining, Sheet Metal Fabrication, Plasma Metal Art, Welding and others. Members enjoy getting together sharing their skills and projects.

Not only do we work with metal, we can fix and replace your garbage can lid or make your mailbox secure by adding a locking security box. We have all the equipment to cut, bend, weld and machine metal; we even build small engines. You're welcome to tour our club Monday through Saturday from 8am to 4pm. Membership is open to all RCSC Cardholders and club dues are \$20 per year. Our website is bellmetalclub.com, phone 623-974-8206. Birding Club of Sun City

The Birding Club of Sun City is entering its third year. We are a small friendly group that is occasionally known to enjoy a picnic after birding. All levels from beginner to expert are welcome and we are open to all RCSC Cardholders. A decent pair of binoculars and a field guide will come in handy. We will help you choose binoculars and guides if you wish.

We averaged about three field trips a month last season, with highlight trips to Tres Rios Wetlands, Boyce Thompson Arboretum, Hassayampa Preserve, and the Riparian Preserve at the Gilbert Water Ranch. We bird many local hotspots as well. We have outings and activities that accommodate all abilities.

During the season, we will have "Birding Seminar" classes to cover equipment, field guides, and bird identification skills, and we have guest presenters. Please go to our RCSC club webpage site (<http://suncityaz.org/birding-club-sun-city/>) to peruse the latest club newsletter which has all upcoming meeting dates, as well as a good overview of club activities.

Meetings are on the third Wednesday each month, October through April at 10am at the Bell Center multi-purpose room on the southwest corner of the complex. Contact Tom Locascio, President, for more information by email at Locascio2000@hotmail.com or call 623-977-4992.

Fairway Knitters

Want to learn to knit or crochet or refresh these activities from years before? The Knitters/Crocheters Club meets on Fridays at Fairway Recreation Center in Arizona Room #4 from 8:30am until 1:30pm and we would love to have you join us.

The Club makes slippers, afghans, baby sweaters, booties, scarves, mittens - you name it! These items are sent to organizations providing for the needy, or to the military, or might be sold at our yearly sale to raise money to buy yarn. The last Friday of each month we have Show 'N Tell, where members can bring keepsakes from home to show what they, their mothers or grandmothers have made, tell about it and display it.

Membership dues are \$5 a year. You must be a RCSC Cardholder. We have annual "White Elephant Raffle" fundraiser where members bring items from home for the raffle. It is always a fun time! On occasion, we'll have a pizza party or an ice cream social and each month we recognize birthdays! In December we celebrate the holidays with a Christmas luncheon.

There is always help available for your projects, so feel free to join us and enjoy the camaraderie.

Zumba Club

Meet Zumba member Lois Wingfield (pictured at right). She gave Zumba a try after hearing so much about it, and found Zumba to be a perfect fit.

Lois says, "I have always liked exercise and have done a lot of different types of classes. At my first Zumba class the instructor introduced herself, showed me some basic steps and encouraged me to take it at my own pace. Zumba is so much fun! It keeps me flexible, helps me manage my weight, and I always feel so energized after class. The instructors keep it fresh and fun by adding new routines and there is plenty of room to move. Each class is a complete body workout so you just feel so good afterwards. Even my doctor told me to keep doing Zumba because it's keeping me strong and healthy. I believe age is all in the head. It's important to do good things for your body and your body will be good to you. I love to go to Zumba classes because it's how I to pamper myself."

Come join us and pamper yourself with a well deserved hour of fun! If you have any questions, please call AI at 847-376-1863 or 847-682-9399 or visit our website at Suncityaz.org/recreation/clubs/Zumba-fitness-club

Bell Craft Club

Bell Craft Club has been going strong for over 42 years with a large variety of different classes and crafts, literally something for every crafter. We are always open for new ideas.

Classes are free, except for supplies. For only \$10 a year, you can participate in any or all classes and workshops: art classes, bead weaving, Brazilian embroidery, candle making, card embroidery, copper enameling, crocheting, cross-stitching, knitting, paper crafting, parchment craft, plastic canvas, polymer clay, quilting, rubber stamping and silk flowers.

We participate in many charitable activities. For active-duty soldiers, our rubber stamps and card embroidery classes make special holiday cards. For our local veterans our Happy Hearts ladies group, make lap robes and afghans using donated yarn. Crochet and knitting class members donate Christmas bags with items such as stuffed animals, sweaters, scarves and baby blankets to Eve's Place. In February they donate red hats to the American Heart Association for the preemie babies. Members also donate school and craft supplies to Treasures 4 Teachers.

Bell Craft is open Monday through Saturday from 9am to 3pm, and some evenings. Our boutique sells items crafted by our talented members during regular club hours. Membership is open to all RCSC Cardholders. Membership meetings are held the 2nd Thursday of each month, September through May. For more information call 623-974-3497 during regular business hours.

Tips from Get Fit for Life -

Is My Exercise Regimen Working?

Many people feel their workout isn't effective unless they are out of breath, drenched in sweat, or so sore the next morning, they cringe every time they stand up. Heart rate and sore muscles are definitely indicators of workout intensity. But, what about those days when you feel like you worked hard, but fall short of any immediate or later after effects. Was the workout a waste of time?

"Certainly not," states Jane Fortier, senior fitness specialist. "Evaluating a workout is more complex than just a few physical signs. Looking at the bigger picture has more value: has there been an increase in your energy level; is body composition changing; are inches being lost; has strength increased to handle day-to-day functioning better; are recreational activities more enjoyable – these are the real measure of whether those consistent weekly workouts are worthwhile. Many factors come into play, as you exercise to reach health and fitness objectives."

Six Signs of a Successful Workout Program

- Am I sleeping better? Exercise can improve the quality and quantity of sleep, over time. Too much or not enough exercise can make sleep more difficult, so it's important to be sure your workouts are making you stronger and not running you down. When you notice you're sleeping better and feeling more rested when you wake up in the morning, that's a positive sign you're on the right track.
- Do I seem more mentally focused? A good workout provides an energy boost and improves concentration. It can help relieve the symptoms of depression and anxiety by releasing "feel good" endorphins and replenishing neurotransmitters. These changes begin to happen as soon as your workout is over. Over time, exercise improves memory and prevents cognitive decline.
- Am I hungrier? Exercise increases the production of ghrelin, a hormone that stimulates appetite. It's important to plan ahead for a healthy, post-workout snack or meal that fits into your calorie budget for the day. Be sure to stay adequately hydrated, too, since dehydration can often be confused for signs of hunger.
- Am I seeing progress in my ability to perform exercise tasks? You won't go faster every time you get on the treadmill, and you won't lift more weight each time you strength train. Over time, you should notice your fitness level improving. You should be able to work harder than when you first started your exercise routine. Keep in mind, however, that as you become more fit, improvements in performance become less frequent. That's why it is important to change up your exercise routine regularly, so that your body continues to be challenged in new ways.
- Am I feeling good about myself? A good workout can leave you tired, but can also leave you with a sense of accomplishment and a boost of confidence. A good workout not only improves how you look on the outside, but it makes you feel stronger and more confident on the inside.
- Do I like my exercise regimen? If you don't have a sense of accomplishment after your workout, consider trying something different. There are lots of exercise options out there. Don't like the treadmill? Try rowing or biking instead. Tired of strength machines? Try free weight or body weight exercises. Sometimes it takes a little creativity, and the help of a trainer, to find a workout that you are happy with.

Using a Get Fit for Life personal trainer can help get you into an effective exercise regimen. Trainers design programs that address needs, goals and medical issues. They teach clients how to exercise safely and effectively. Balancing & Healing the Brow/Third Eye Chakra

Have you ever desired to enhance your intuition? Intuition is an ability to know or understand something through your feelings, rather than by considering facts or evidence. Archaeologists often use their intuition to decide where to dig, because the facts are not always available.

More importantly this Chakra when imbalanced can affect our physical health. The Brow/Third Eye Chakra influence the brain, pituitary gland, neurological system, sinuses, thalamus, and parts of the ear, nose and pineal gland. Physical include eyesight problems, depression, anxiety, hormone imbalances, insomnia, sinusitis, dizziness, blood pressure problems, migraines, strokes and other challenges. Utilizing practices to balance and heal this chakra can help to improve or eliminate these conditions.

The Brow/Third Eye Chakra relates to connecting us with the spiritual realm. This chakra influences our perspective and a deeper understanding of life itself. Through balancing and healing this chakra, we can tap into our unconscious and subconscious mind, some of our physical and emotional discomfort and illnesses are related to subconscious thoughts and emotions. Giving ourselves space through meditation to notice and act on intuitive insights helps to free the energy of the brow chakra. You can locate some of the meditations to assist with healing the Brow/Third Eye Chakra on YouTube at ZenDiva4u.

As with all the Chakras this one influences our Mental and Emotional well-being as well. Being in denial and feelings of inadequacy can come into play. Codependency, bitterness and cynicism. Excessive self-centeredness may be an issue. Through implementation of a regular practice of balancing the chakras, we can improve and prevent and eliminate some of these issues related to our Chakra System. Please feel free to join us on this journey!

Massage in general helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for you, call and schedule an appointment today!

Educational Classes

Computer Club of Sun City

Our members come to our Club in the Fairway Recreation Center to share computer knowledge and experiences, including current Microsoft Operating Systems, Chromebooks, Android, smart-phones and tablets in a fun and social environment. This includes using these devices to explore the Internet, photos, repair, home, office and social. Members of the Club can come anytime that we are open and use our computers in the Member's Lab to check email, read the news and visit favorite websites. They use our scanner to scan their important documents or convert precious old pictures, prints, slides, and negatives into image files. Classes, special interest group discussions, workshops, and presentations are both interesting and educational.

We have three rooms equipped with Windows 10 computers. Many classes using Microsoft 10 are scheduled and you can use our computers. Classes are usually announced at least two weeks before and require club membership. You'll need to come to the club to register for classes. Sign up early as they do fill up fast.

Our Workshops are focused, informal, hands-on, and smaller groups. Membership is required. Topics of the Workshops are targeted to a specific topic and will be related to PCs or Android Devices. Workshop rooms are arranged for members to use with their own laptop, Chromebook, tablet, or phone. If you do not have a laptop, you can use one of our computers.

All RCSC cardholders are welcome to join the fun! In November, you can join our Club by attending a short "Join Us" presentation in our Club on any Monday, Wednesday or Friday. Come in anytime between 9a to 10:30a. It only takes a few minutes to join! For more information, call 623-933-8953 or visit our Club Website: www.firstsuncity.com

The Computer Club of Sun City is on the 2nd floor of the Fairway Recreation Center.

The need for instructors has also become critical. If you are willing to help fill the Second VP position, and/or class instructor, contact Isaac Bonifas at isaacsunmacs@gmail.com. Please step up & support your club.

Sun City Real Estate

Introducing The Weisser Choice Team – a Sun City premier real estate group. This well-known group has been a fixture in the Sun City market for the past 14 years and has closed over 300 residential transactions.

Buying a Home

If you're looking for a home in Sun City, you want Ken Weisser standing next to you while you look. He isn't trying to sell you a house. He is acting as an advisor to help you make the best investment you can. It's easy to see the great features of a property, but Weisser Choice Team will also give you a "heads up" on things that might be a potential "GOTCHA". You probably haven't lived in Sun City before, so they make it their duty to be upfront and honest with you about the neighborhood, traffic patterns, amenities, potential repairs they notice, etc. The entire team are experts on the area and view every home as if they were buying it themselves.

Selling a Home

Your house is great and when it's time to sell, you want others to know it. That's why you need a team that includes Cindie, an agent with over 20 years marketing experience who applies that knowledge to selling your home. This team doesn't just enter your details into the MLS and move on to the next one. That's what discount listing agents do. As an extension of you, Weisser Choice Team considers "winning" to be getting your house **SOLD FAST** with the **BEST PRICE** and the **LEAST AMOUNT OF DISRUPTION** for you. This means they are going to...

- ✓ Offer tips on presenting your home in the best light
- ✓ Ensure it has an enticing online presence
- ✓ Help price it exactly right for the market and condition
- ✓ Open the doors to the public frequently for viewing
- ✓ Advertise the home in relevant locations that are proven to get attention
- ✓ Promptly answer every phone call, text, and email that comes in regarding your property

Transaction Expertise

With more than 300 transactions under their belts, rest assured that every "i" will be dotted and every "t" will be crossed. Detail-oriented doesn't even begin to describe Charlotte Weisser, who has experience with virtually every type of transaction you can imagine. Short sale? Got it. Family trust estate? No problem. Out of state? Easy peasy. Your transaction will be so easy that you probably will never even realize if something unusual pops up. You can trust that it will be handled professionally and efficiently.

Uninterrupted Service

Every member of the team touches every transaction in some way. This means that if one person gets sick, or needs to take a beach vacation in Cancun, or is simply with a client and can't take an emergency call; one of the others can quickly step in and assist you. This means that if they have multiple houses listed at the same time, YOUR house will still have Open Houses and YOUR phone calls/texts will always be answered. This means somebody is ALWAYS available for you.

Give us a call. Send us an email. Pop in to one of our open houses.

We love to meet new folks and we love to share our knowledge.

Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
