So Much to Do! So Little Time!

Welcome to winter in Sun City AZ – where there’s so much to do, you’ll wish there were eight days in each week. Now let’s review the list of events and happenings so you can make sure you’ve got them on your calendar right now.

Every Wednesday through March, Las Vegas-style tribute shows continue at the Sundial Auditorium. Tickets are only \$17 per Cardholder but they’re going fast; a few shows are even sold out. These performances promise to deliver fantastic entertainment at a great price, so stop by the Clubs & Activities Office at Lakeview today and find out what shows still have seats available.

Many RCSC Chartered Clubs are in full swing this time of year, with workspace at a premium, full rosters of activities and new opportunities for you to learn a new skill or try a new experience.

The Ukulele Club of Sun City is always having a good time, often hosting touring musicians. On February 7 at 4pm in the Fairway Music Room, Nicole and Aaron Keim perform “the quiet American” – old time folk music for modern times. Tickets for RCSC Cardholders only can be purchased at the door or by calling 623-594-6591 (cash or check only).

On Saturday, February 16 there will be several special events happening that might interest you. If you like hands-on creative projects, Sundial Craft Club is hosting a Scrapbook & Card Making Open House on Saturday, February 16 from 10am to 2pm. For those who consider their taste in art more sophisticated, plan to attend the annual Sun City Fine Art Show & Sale in the Bell Social Halls from 9am to 3pm (with same hours on Sunday), where talented artisans submit current works of art for your viewing pleasure. There is no admission fee charged for this show.

With five locations and a history that dates back to the beginning of Sun City AZ, there will be lawn bowling in all parts of the community on Saturday, February 16. From 10am to 2pm, RCSC Cardholders can stop by Bell, Lakeview, Oakmont, Fairway or Mountain View during the All Lawn Bowls Club Open House event. Club members will be happy to show you how it is done; afterwards enjoy free chili and a beverage. Visit www.bowlsaz.com for more information.

If you’re a dancer, you’ve got until Friday, March 8 to enter your name into the random drawing for “Dancing with the Sun City Stars” participants. Three men and three women will be chosen to perform on-stage with member of the Utah Ballroom Dance Company at this annual event on Friday, April 5.

For those who prefer their art more 3-dimensional, the 31st Annual Premier Pottery Show (formerly Juried Clay Show) will be held at Lakeview Center on Sunday, February 24 from 9am to 3pm. You’ll agree that “It’s A Whimsical World” while viewing the wacky and wonderful clay creations by Sun City Clay Club Members. All are welcome and admission is free.

February wraps up with a very special Sun Bowl show as we welcome The Commanders Jazz Ensemble of the U.S. Air Force Band of the Golden West on Thursday, February 28 at 3pm. This energetic group of 20 highly trained airmen/musicians will wow the audience with this entertaining show. Admission is free; please bring a lawn chair or blanket as with all Sun Bowl performances. Gourmet food vendors will also be available at this concert.

In closing, make sure to get your ticket at the Lakeview Clubs & Activities Office for the Senior Prom that will be held in the Sundial Auditorium on Friday, March 1. And there’s more in March to come!

Annual Membership Meeting – February 25 at Sundial

Members of the Recreation Centers of Sun City, Inc. are encouraged to come to this year’s Annual RCSC Membership Meeting on Monday, February 25, 2019, at the Sundial Auditorium. Registration will begin at 6:00pm.

At this annual meeting, there will be a formal budget presentation and the membership meeting, which begins at 6:30pm.

Based upon input from the community and prior member turnout, this year’s meeting will once again be held in the evening to better accommodate residents’ varying schedules. This meeting promises to be informative and gives members an opportunity to

be part of the process that makes Sun City AZ great. Your attendance and participation at this event will show your commitment to planning for our future.

Residents must present their RCSC Member Cards in order to register for this meeting. Light refreshments will be available.

Take this opportunity to meet with RCSC Board Directors and Management staff and learn more about the community you’ve chosen to call home. The RCSC Membership Meeting only happens once a year, so mark your calendar and make plans to attend.

Thanks Sun City AZ Foundation Nets \$6,800+

Thanks to your generosity, the Sun City Foundation was awarded a donation of \$6,815 as a result of the RCSC Management Team's fundraising efforts in 2018, culminating with the Sun City AZ Holiday Celebration at Lakeview Center.

The always popular and ever evolving Amazing Duck Race proved to be a crowd pleaser once again. Winners won the following prizes: 1st Place race winners "netted" \$491.28, 2nd Place \$294.77 and 3rd Place \$196.50.

This year's Hole in One contest was played on #3 and resulted in three contestants making a hole in one and participating in the playoff. After four playoff rounds on hole #8, Lora Lee McKinney won the contest and won \$147.50.

The Winter Celebration Golf Tournament alone raised \$2,091.05, with 47% of the participants managing to beat the pros.

All donated funds will be used by the Foundation to help those in the community who have outlived their resources and need financial assistance with their annual RCSC property assessment.

Golf & Grounds Report

Pro Shops

The Beat the Pro event held on December 13 raised \$2,091.05 for the Sun City Foundation. Once again the event lived up to its name with 47% of the field playing well enough to "Beat the Pros". Thank you to volunteers John Dockham and Marty Rey that assisted with the event. Thank you also to Chris Linam and Larry Belt for helping to secure prizes for the event. The biggest thank you goes to all those who participated in making the event fun and successful. The 2019 event will be held at South Golf Course and we will be adding a couple of more wrinkles to add excitement to the event.

The free golf clinics, provided by our PGA and LPGA professionals, were once again well attended. For the month, 410 students attended the Saturday golf clinics that began in November and ran into December. Another set of free clinics will be offered in March 2019.

Golf Courses

Mowing heights are lowering slightly throughout the courses, particularly the greens. Bunkers throughout the courses are removing rye grass that may have germinated in bunkers. Sand is added to bunkers on an as needed basis.

The construction of the South Clubhouse has necessitated a new putting/practice area. The putting green will remain roughly the same size as the previous green. The chipping/pitching green will be expanded to accommodate more players. The area will also provide an improved area for practice out of a bunker. In addition to the practice area, South will also be replacing bunker sand throughout the course. Sand will be completely removed from the bunkers, the liner will be fixed as needed and new sand will be added. The work to the practice area and bunkers cannot begin until the bermuda grass is actively growing. As such, we are anticipating starting the project the middle of May 2019.

Snack Shops

Snack shop revenue in November was affected by the closure of the South Snack Shop during construction. Snack Shops are currently open every day from 6:00am to 5:00pm, and serve breakfast and lunch. The only exceptions to the above times are during periods of inclement weather.

Grounds/Lawn Bowl

All Lawn Bowl greens are open for regular play following a brief, partial closure at Bell following the U.S. Open. Irrigation on all greens has been reduced to an as-needed basis as dictated by our moisture readings. Mowing has also been reduced and is used mostly to remove debris from the greens. Greens are rolled in between mowing to keep the surfaces smooth.

The grounds crew has been busy the last several weeks removing weeds. We have most areas under control, though we continue to experience new growth. Leaves have begun to fall and are cleaned up regularly, though periods of high winds erase this work quickly.

Register now for upcoming sessions of the "Get Golf Ready" program.

\$99 includes 4 group lessons, with the 5th lesson being a round of golf. Lessons held at Willowcreek/Willowbrook Golf Course (unless otherwise noted**). There are a variety of days and times, so pick the class that best fits your schedule. Sessions are limited to 8 students for each group, so be sure to sign up early!

*Tips from a Pro***Expedient play makes golf more fun for all!**

The game of golf is more enjoyable for everyone if it moves along efficiently. This doesn't mean you have to feel rushed or hurried while hitting your shot. It simply means no matter what the situation is, you prepare yourself for your next shot before it's your turn.

On the tee box this means when someone else is hitting you are checking yardage and deciding which club you will use next and if possible, you have that club out and are taking a practice swing if needed.

On the fairway once you have hit the shot, fill the divot and then get in the cart, perhaps even waiting to replace the headcover, wipe the club, or return it to the bag until the next stop, especially if you are not the driver of the cart.

A few years back, the USGA Pace of Play campaign entitled, "While We're Young" brought back the humor of Rodney Dangerfield from 1980s "Caddyshack" to the real problem golfers routinely encounter on golf courses everyday, everywhere. Please do your part to "pick up the pace!"

Near the green it may mean bringing a couple of clubs with you to chip with, (in addition to your putter) if you're not sure of which one you might need, rather than having to make another trip back to the cart.

On the green it means contemplating the break, line or speed of your putt while others are putting and knowing who you follow so that when it's your turn you're ready to go. Even remembering to tend or take out the flagstick for your group if you're closest to the hole and will be last to putt can save some time.

And lastly, remember not to mark your scorecard until you get to the next tee box.

Remember little things add up to lots of time over the course of a round! It's not about rushing your shot.... it's about preparing ahead of time so you're ready to go when it's your turn. That makes all the difference in the world to those you're playing with! (And those behind you as well!!)

Robin Eichten has been teaching golf professionally since 1987 and in the Sun City communities since 1994. She is a Life Member of the LPGA and a Certified Teacher. For info call/text Robin at 623-322-6300 or email to golfinwithrobin@aol.com

GOLF'S NEW RULES: STROKE AND DISTANCE

A new Local Rule will provide an alternative to stroke-and-distance relief for a ball that is lost outside a penalty area or out of bounds. This new Local Rule will be available beginning January 1, 2019.

BALL OUT OF BOUNDS

If the Local Rule is in effect, you can still take stroke-and-distance relief, but you will now have the following additional option that comes with a penalty of two strokes:

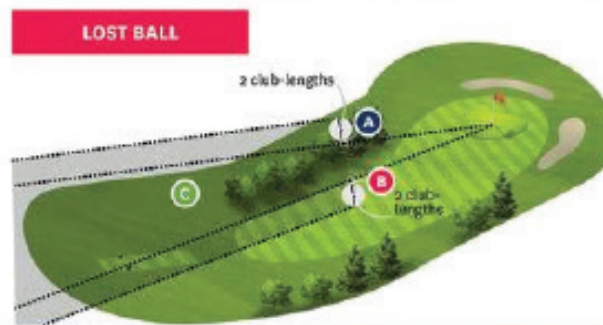

A DETERMINE SPOT where your ball went out of bounds (left diagram) or is likely to be lost (right diagram).

B FIND NEAREST FAIRWAY EDGE no closer to the hole.

C DROP YOUR BALL IN SHADED AREA as defined on one side by a line from the hole through point A and on the other side by a line from the hole through point B, and not nearer the hole. The relief area is extended on both sides by two club-lengths.

This Local Rule is not intended for higher levels of play, such as professional or elite amateur level competitions.

LOST BALL

New Local Golf Rule in Effect

The RCSC Golf Advisory Committee recently voted unanimously to accept the USGA's new local rule, which provides an alternative to stroke-and-distance relief for balls that are lost outside a penalty area or out of bounds.

1. Determine the spot where your ball went out of bounds.
2. Find the nearest fairway edge no closer to the hole.
3. Drop your ball in the area as defined in the graphics shown on the left.

A Moment with President DeLano

Welcome to New Board, New Year, New You!

Things got off to a somewhat interesting start this year as two of the three newly elected directors to RCSC Board have previously served in this capacity. Besides that, of the eight directors present at our first work session of the year when we typically determine who the Board Officers will be – three of us had already served in the capacity as President in the past.

So let me begin by saying that I am honored and humbled to have been selected to once again be your RCSC Board of Directors President for a second year. I also wish to congratulate and look forward to working with Sue Wilson who, like myself, will be continuing on for another year as in the role of Board Treasurer. Dale Lehrer, who previously served as Board Secretary in 2018, will now take over the position of Vice President while newly elected Director Diana Graettinger will take on the duties as Board Secretary.

But wait, there's more! With both Rich Hoffer and Mike Kennedy being re-elected to serve, Dan Schroeder in the second year of a second term and while Stella VanNess is completing the final year of her three-year term.

The last piece to the 2019 Board puzzle was finally placed when the Board appointed Darla Akins, the fourth place winner in the most recent Board elections, to serve through December 31, 2019. Welcome to the table; we're looking forward to working with you.

Needless to say, this Board is uniquely ready to hit the ground running! Each and every directors has already rolled up their sleeves and we all look forward to getting into the meat and potatoes of what needs to be addressed.

With the completion of the South Golf Course pro shop building coming this spring, get yourself ready for another high-quality Sun City AZ facility that will include a state-of-the-art golf simulator that is certain to heighten the experience of even the most seasoned golfers. And as construction gets underway at the Grand Avenue property, this year's Board will be making history

as they oversee the rising of our newest community structure in many years.

But don't expect this Board to do it all alone! We need your help – including your ideas and input – on what you want for Sun City AZ's future. Resolve this year to really get involved and understand the processes and nuances of the best retirement community in the nation. There's really so much information to be found by simply attending meetings, joining committees and volunteering with organizations that truly make a difference.

Stay informed and get involved. You'll be glad you did – and we thank you!

Management Updates

Financial Report

The Recreation Centers of Sun City, Inc. (RCSC) has ended November 2018 within its operating and capital budget year to date. Although maintenance and repairs has caught up some with expenditures for both 2017 and 2018 projects reflected in the Building & Infrastructure division, all divisions have operated within their net operating budgets year to date.

Bowling

Everyone is welcome to attend the annual New Year's Eve Bowling Party at Lakeview Lanes even if you are not a bowler. Stop by Lakeview Lanes or Bell Lanes and reserve your spot.

A presentation of the Specto Coaching System for bowlers was held at the Fairway Center on November 27, 2018. The purchase of the system for Lakeview Lanes is expected before year end as it can be accommodated within the total 2018 bowling budget.

Cardholder Services

Payments on past due assessments in November were 10.3% of past due balances. Overall accounts receivables decreased in November by 3% with both the "current" and "over 30" receivables categories decreasing this month. October assessments went 30 days past due at 5.8% rate and September assessments went 60 days past due at a 3.1% rate.

Payments from our third-party collections firm were the highest year to date and totaled \$26,740 in November. Year to date payments through our third-party collections firm total \$175,146. Payments made in November by Cardholders through the online RCSC Web Portal totaled \$108,430 from 249 property owners. Year to date web portal payments total \$1,291,212 from 2,805 property owners.

In November, property transfer balances decreased by 4% and lender related balances did not increase for the first time in 3 months. Outstanding balances related to property transfers represent 54% of all receivables and 55% of past due balances. At the end of November, trustee sale notices on Sun City AZ properties ended at 46 and properties owned by lending institutions remained at three.

Human Resources

In managing the 401(k) plan, there are plan documents and notices that we must provide to each plan participant prior to year end. We recently provided the Summary Annual Report (SAR) which is obtained from information found on the annual Department of Labor/IRS Form 5500 Annual Report that we file each year.

We also distributed the Plan's Qualified Default Investment Option (PDIA) to all active participants, former employees with a balance, and any other beneficiaries still entitled to receive benefits from the plan. Recently, we arranged an independent review of the employees' 401(k) Plan focusing on fund performance and the health of the plan. While our funds are reviewed annually with our investment provider, we believe a periodic independent review provides further due diligence. We are now preparing for the annual audit of the 401(k) Plan which is performed by an independent auditor after the close of the year and prior to filing the Form 5500 with the DOL/IRS.

Effective January 1, 2019, Arizona's Minimum Wage will increase to \$11.00 per hour from the current \$10.50 per hour. We will do an across the board increase for those employees whose pay rate is below the new minimum.

Member Services

A record number of Season Tickets were sold during the month of November for the 2019 Sundial ticketed shows. Individual show tickets that went on sale December 3 for RCSC Cardholders were also record numbers.

On December 11, we hosted our annual Christmas Spectacular at the Sundial Auditorium, and it was just that...spectacular! It was standing room only as we were treated to incredible vocals and holiday songs.

The Annual Holiday Celebration was held on December 14 at the Lakeview Center organized and hosted by the RCSC management team. There were two duck races, the hole-in-one contest, the pie-walk and one lucky couple took home a Christmas tree filled with cash! And of course, there was the lighted boat parade that lit up the lake with its pageantry. Proceeds from this event and all the year's fund raising efforts of the RCSC management team go to benefit the Sun City Foundation.

We kick off the ticketed concert series on January 9 at Sundial with a Dean Martin and Jerry Lewis tribute show. Check ticket availability with the Clubs and Activities office at the Lakeview Recreation Center.

Project Updates

Building and Infrastructure:

Bell Center

- An area at the club mall entrance was closed recently for concrete repair. Concrete slabs had moved creating a tripping hazard. This area had previously been ground down, but continued movement resulted in the need to replace sections of the concrete. Contractor was KAW Construction (Cost – \$4,990).

Grand Ave

- The initial comments from Maricopa County on the Plan of Development (POD) submission have been received. The RCSC architect has reviewed these comments and submitted a response as of December 18, 2018. While these comments did not require burdensome changes, we do not have an estimate for the time the review of our responses will take. Completion of final civil engineering designs were pending the initial POD comments and now will be scheduled for completion.

Lakeview Center

- Work continues on the renovation of the Lakeview Center Fitness Restrooms. The sheet rock has been installed and all plumbing and electrical roughed in. Sheet rock fastener installation was inspected and passed. Tape and float is 50% complete. Exhaust and HVAC ductwork is approximately 40% roughed in. Contractors are: Valley Architecture, KAW Construction, Spray Systems, 1-800 Cooling and Supercharged Electric (Cost – \$219,133).
- The water temperature in Viewpoint Lake decreased to the point it was the acceptable environment for trout; 800 pounds of Rainbow Trout from Idaho was recently stocked in Viewpoint Lake. RCSC Cardholders are reminded that no fishing license is required and there is a limit of 3 trout per day. Also, no fishing is allowed from the docks (shore only) or near the boat ramp.

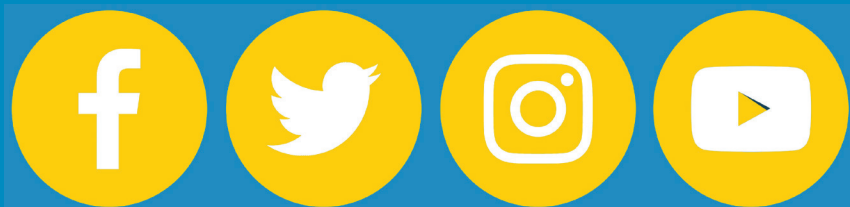

Marinette Center

- Replacement of door sensors were required on the two entry doors at Marinette Center to fix problems with the existing sensors that caused the doors to cycle incorrectly. Contractor was DH Pace (Cost – \$2,894).

Handbell Ringers of Sun City

While handbells are most commonly associated with church music, the Handbell Ringers of Sun City take it to a whole new level, playing a wide variety of music to entertain their audiences, including Broadway show tunes, swing, calypso, oldies, classical. They perform two concerts a year, one in the spring and another at Christmas time. The club celebrated its 50th anniversary last year.

The ringers come from a wide variety of musical and non-musical backgrounds; from accounting to child rearing, from a small business owner, to music teachers, choir directors, ministers, an airline stewardess, the military, medical fields and many more. All share a love for the uniqueness of handbell music.

This year a smaller group of ringers was organized to meet a need for small group entertainment. Ramblin' Ringers is a 6 on 12 ensemble; six ringers, on twelve bells. Their goal is to bring a fun interactive program to retirement centers, club parties, social and church gatherings. Because the group is small, they are able to accommodate smaller venues with their 'up close and personal style' programs.

Handbell Ringers of Sun City is open to RCSC Cardholders and invited guests. The 22 to 26 member choir rehearses at the Fairway Recreation Center on Friday

mornings from 9:00 to 11:30am. Their season runs from September through April. For more info, please contact Doreen Chereb, President, at doreenc4488@gmail.com.

Sun City Gives Back

Bell Ceramics Donates to St. Vincent de Paul

Bell Ceramics club members collected non-perishable food items for St. Vincent de Paul just in time for the Christmas holiday. Thanks to the club's gracious and giving spirit, this much-deserving charity sent their own vehicle to Bell Center to collect this generous donation. Thanks for caring and sharing, Bell Ceramics. You make Sun City AZ proud!

Fairway Sterling & Stones

Visitors are welcome to stop by Fairway Sterling and Stones, a club where silver and lapidary skills are taught in one combined workshop.

Come by during open hours (Monday-Friday 9am to 3pm) and watch jewelry-in-the-making, or browse members' completed fine jewelry in the showroom store adjacent to the workshop.

One afternoon last spring, a tour of the workshop showed a typical mix of new and seasoned jewelry creators at work. Ken Pugh, new to the club just three months before, used a torch on a copper bracelet with "veteran" member Sandi Larsen looking on. Instructor Mary Brown-Martilik discussed techniques for painting on glass with a class of three. One-year member Linda Baugher worked on a silver and copper "twist" bracelet; and long-time members Pat Zaborowski and Paul Goodreau evaluated three rough-cut turquoise slabs. Other members paused to admire Sandia Kent's hand-crafted sterling "puffy" beads.

Sterling & Stones Club Members Pat Zaborowski and Paul Goodreau evaluate best choice of stones for making a turquoise pendant.

Club membership in Fairway Sterling and Stones is open to all RCSC Cardholders. Those who join the club can sign up for beginner and advanced classes in silver craft, lapidary (stones), lost wax casting, wire wrapping, glass fusion, chain making, viking knit and more. Small classes are taught by experienced member-instructors. Two- and three-hour workshops also are offered. The club is located in Room 136 at Fairway, next door to the trains. For more information, call 623-977-2208.

Sun City Basketball Club

Now an official Sun City club sport! Drag those old sneakers out of your closet, lace them up and come join us for some basketball! Our membership is open to all RCSC Cardholders, both men and women, short and tall, big and small.

While we do not have an indoor venue in Sun City at this time we are working with RCSC to provide one for those interested in playing

indoors on a wood floor. The only basketball court available in Sun City is at Marinette Recreation Center. It is an outdoor half court with a concrete surface; basketballs are available at the front desk. You are welcome to come and shoot a round any time.

If you are looking to play some full court basketball, there is an open gym at the Villanueva Community Center every Monday and Wednesday from 3:30 to 5:00pm. If you would just like to shoot a round there are other baskets available for that as well. Villanueva Community Center, 15660 N. Hollyhock Street, Surprise, AZ 85378. Call Randy Becker at 502-298-5264 for more information.

If you would like to help strategize on how to raise funds that will help contribute to the installation of basketball standards on an indoor court in Sun City, please email: charlespeterson@comcast.net.

Club Contacts: Charlie Peterson (206-459-3242 or email charlespeterson@comcast.net) or Randy Becker (502-298-5264 or randybecker@yahoo.com).

Sun City Duplicate Bridge Club (SCDB)

Sun City Duplicate Bridge Club is accredited by the American Contract Bridge League (ACBL). We have games Monday, Thursday and Friday 1:00pm at Lakeview Center Social Hall #1. Annual membership is \$5 and game fees are \$2 for regular games and slightly more for special games. We are a competitive, friendly group of players who consistently try to improve our bridge games, sharpen our mental skills, and win ACBL masterpoints.

Did you know that there is strong evidence that playing bridge improves memory, hones cognitive ability, and encourages social interaction? All of these are important as we get older. In fact, the March 2015 issue of the AARP Bulletin cites a survey supporting these assertions. A 2014 study by the University of Wisconsin-Madison found that playing cards, particularly bridge, can help older people retain their mental acuity. Martina Navratilova said bridge "teaches you logic, quick thinking, patience, concentration and partnership skills."

Bridge is a game that can be played by those with physical impairments, but it's clear that the benefits of playing bridge are enormous! Research shows that bridge players exercise more than the general population, sleep better and suffer less from depression.

SCDBC and ACBL clubs around the country have raised thousands for Alzheimer's research.

Come join us. We offer free lessons to RCSC Cardholders, and we're the only duplicate club in the West Valley to offer free refreshments at our games. A partner is required to play, but often we can help with that, too. Call Club President Jill Estrada at 623-640-5554 or visit us at suncitydbc.com for more information.

Creative Quilters

Welcome to Lakeview Creative Quilters, the original Sun City quilting club! Our mission is to teach and inspire. We have classes for all levels and welcome beginning quilters. We'll help you every step of the way. Our members do all forms of quilting, both hand and machine. We have sewing machines for your use and quilting machines as well. Our room is well stocked with rulers, cutters, Accuquilt (complete with many dies), high tables for cutting and basting, large mats, a large design wall, and of course large ironing boards.

We meet every Monday, Wednesday, and Friday from 8am to 4pm. Fridays are meeting/announcement days in the morning with either Show and Tell, Featured Quilter, or a special guest. After that, we sew! We host both early spring and late summer quilt camps, and our bi-annual quilt show. Our next show will be held on January 31 and February 1, 2020. Come, bring a project and your lunch and check us out. Contact Red at 602-622-5913 or Margaret at 623-208-3386 for further information.

Palo Verde Artists

Yes, you can! If you have wanted to paint or draw, but thought, "I can't do that – I can't even draw a straight line" you are in luck, because there are no straight lines in nature – and you would be a perfect fit for our classes! We welcome beginners through advanced artists, and offer something for everyone.

Five Reasons to Join Palo Verde Art Club:

1. Classes - Classes in watercolor, oil, pastels, acrylic, colored and graphite pencil, pen and ink, for artists at all levels of experience. Workshops and free "paint-ins" held regularly.

Artistic Weavers & Fiber Artists

It's a new year and, if you've resolved to learn something new or just get back to an old love, why not make it weaving or spinning? We have fun, low-stress classes for teaching folks the arts of spinning, weaving reed baskets, coiling baskets, weaving on floor,

table and/or rigid heddle looms. The club offers a fun, friendly environment where you can learn and hone these skills while making new friends.

We offer guest speakers, educational programs of interest to our members and, of course, refreshments during our General meetings held on the fourth Friday of each month from October through May. The club hosts special workshops and organizes fun field trips to events and points of interest available throughout Arizona.

Also, throughout the year, our members offer many beautiful hand-crafted items for sale in our club room located at Oakmont Recreation Center.

Annual membership is only \$12 and open to all RCSC cardholders. For more information you can visit our website at oakmontfiberart.com or, better yet, please stop by the clubroom anytime from 9:00am until 3:00pm, Mondays through Fridays. We'd love to have you join us!

500 Club

Combining the use of bowers from Euchre with the bidding of Bridge creates the game 500. The 500 Club meets year-round Mondays at the Fairway Recreation Center. Arrive anytime after 6pm to pay your 50-cent entry fee (\$3 annual membership) then socialize or play some practice rounds. Game play is from 6:30 until 9pm when some high score players may win up to \$1.50.

500 is a game played with a 45-card deck. Playing as partners, there is a round of bidding to determine the number of tricks to be taken and trump suit. The player winning the bid gets the 5-card crib which is used to enhance the hand. With their partner, taking at least the number of tricks bid adds points to the team's score. Not winning the bid removes the points making it harder to win. After four hands, points are totaled and everyone gets a new partner. Typically, eight rounds are played. While a basic understanding of Euchre helps, members are always ready and willing to teach new members. No partner needed, come and play. Call Lois Hanson 608-345-3252 or email hansonloisj@gmail.com for more information. Open to all RCSC cardholders.

Sun City Clay Club

The month of February finds the Sun City Clay Club busily preparing for its 31st Annual Premier Pottery Show (formerly known as the Juried Clay Show). The public is invited to view the entries on Sunday, February 24, 2019 at the Lakeview Recreation Center Social Halls from 9am to 3pm. We put our best foot forward for this show so come and meet some of talented artist members. Our club room will be open as well if you wish to purchase any pottery pieces.

The Sun City Clay Club has contributed several pieces of artwork that are permanently placed in various Maricopa County right-of-way locations that enhance and beautify the area. They also reach out to the community by participating at the Bell Center Farmers Market on the 2nd and 4th Thursday each month.

If working with clay interests you, stop by for a visit. Members work in slab clay and classes are offered in hand building, wheel throwing and sculpture. There are numerous workshops of all skill levels throughout the year. A very impressive amount of equipment and space is available for all basic pottery needs. A large number of beautiful and unusual glazes are mixed right here in our club room to finish your creations.

Club hours are Monday through Thursday from 8:30am to 8:30pm and Friday and Saturday from 8:30am to 4:30pm. Our monthly member meeting is the first Wednesday of each month. For more information about the SCCC, please call 623-933-0899.

Tips from Get Fit for Life -

Exercise Mistakes That Lead to Joint Injury

Seasoned exercisers and weekend-warriors will occasionally suffer joint injury. Those injuries could be avoided with careful attention to some common pitfalls when exercising:

- Doing too much, too soon – Whether coming back from an injury or starting a new exercise program, there is a tendency to push too hard. Joint injury is common when you don't allow the body to adapt slowly to exercise. As an aging adult, every system in your body needs time to adapt to exercise: your muscles, circulatory system, ligaments, cartilage, bones and joints. Ease into an exercise program, regardless of how motivated you are to get that workout going. If all goes well, progress sensibly, with the intensity, duration and frequency of what you are doing.
- Performing the same exercises all the time – Too much of a good thing, when exercising, can become a bad thing. Using the same workout approach, week after week, can trigger negative results. Your body likes change. Switch-up your cardio machines, and use various workout approaches with them. Change your strength routine with completely different exercises for each muscle group. Challenge your body with new stretches – this will bring better results, with fewer injuries. Taxing the same muscles and joints in the same way, week after week, can easily lead to overuse injury and cartilage decline. Moving muscles and joints in different directions, with varied intensities, will improve mobility and fitness.
- Exercising with improper technique and form – If the seat or resistance level on a cardio machine is set improperly, knee or hip injury can occur; if pivot-point and range-of-motion settings on weight machines are overlooked, shoulder, elbow, knee or hip joint problems can develop; if gait patterns, alignment, and form are poorly executed with body-weight exercises (squats, lunges), the body is at risk with every movement. Diligence and attention to detail is necessary if joints are going to perform correctly through the required range of motion. Proper form is the key to exercise results and joint security.
- Non-supportive footwear – Although saving money and fashion trends are the primary motivators in footwear purchases, those same motivators may be leading to joint concerns. Wearing shoes with too little support, and ones that don't lend themselves to specific anatomical and mechanical issues (over-pronation, supination) will put knee and hip joints at risk. Exercise footwear is best purchased from a professional, who can analyze needs and issues and recommend appropriate shoes for each exercise activity. Proper footwear is far more important than most people realize.

Whether you are a seasoned exerciser or new to the workout world, a Get Fit for Life personal trainer can help you avoid those exercise pitfalls that result in joint problems. Trainers monitor form, technique, cadence, breathing, and all of the elements that result in correct exercise protocol. To find out more about working with a trainer, call 623-696-6820 or visit Get Fit for Life, Sun City AZ on Facebook.

LaTouch Wellness Massage Therapy Shares...

How Your Body Speaks to You

The mind is reflected in every part of the human body. Through the body we can get in touch with emotional issues that we have been repressing, denying or ignoring. As I sit and type this paper, I feel tension in my shoulders. I often experience this when I'm on the computer composing material. Feeling this type of tension is like having the weight of the world on your shoulders. I keep reaching back giving myself a massage, stretching my neck and repeating affirmations.

Our bodies always speak to us, the question is are we listening, and if we're not it begins to scream. A scream can be in the form of chronic and consistent pain, a body disorder or dysfunction and eventually disease. The role of the mind and emotions affect our state of health. This is only a part of the overall picture, but it is the part that is invariably overlooked. By understanding this relationship, we can gain insight and can play a greater role in our own health and well-being. There have been great contributions made in this area of health care, through such individuals such as Dr. Andrew Weil who is the founder and director of The Center for Integrative Medicine at University of Arizona. Dr. Weil, practices integrative medicine--which considers the whole person, not just the symptoms--he makes this practice completely mainstream through his books and CDs.

Most of us tend to think of our bodies and minds as separate systems and believe they function, for the most part, independently. All our thoughts and feelings get translated into chemicals that fire off throughout our body, altering the chemical composition and behavior of the cells. If we are aware of which area of our body is painful, we can begin to focus on that area, possibly give our self a self-massage and start to work with some of the emotional components related to that area.

In her book, "Heal Your Body," Louise L. Hay states if you tend to carry tension in your shoulders, the emotional component correlates to our ability to carry our experiences in life joyously. We can improve our emotional state by implementing positive affirmations, such as "I choose to allow all my experiences to be joyous and loving." Another affirmation might be "I relax and release my perceived burdens."

Implementing complimentary self-care practices can be very beneficial in reducing stress and improving our health and well-being. Additional practices could include guided meditation, and a very simple acupressure technique called EFT, Emotional Freedom Technique. In the next article, we will explore the benefits of these two techniques, in greater detail.

Massage helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for you, call and schedule an appointment today!

Educational Classes

Computer Club of Sun City

Our members come to our Club in the Fairway Recreation Center to share computer knowledge & experiences, including current Microsoft Operating Systems, Chromebooks, Android, smart-phones & tablets in a fun & social environment. This includes using these devices to explore the Internet, photos, repair, home, office & social. Members welcome anytime we are open to use our computers in the Members' Lab to check email, read the news & visit favorite websites. They use our scanner to scan their important documents or convert precious old pictures, prints, slides & negatives into image files. Classes, special interest group discussions, workshops & presentations are both interesting & educational.

We have three rooms equipped with Windows 10 computers. Many classes using Microsoft 10 & Google are scheduled & you can use our computers. Classes are usually announced at least two weeks before and require club membership. You'll need to come to the club to register for some classes. Sign up early as they do fill up fast. Workshop and sigs are open to all no registration nec.

Our Workshops are focused, informal, hands on, and with smaller groups. Membership required. Topics of the Workshops are targeted to a specific topic and related to PCs or Android Devices. Workshop rooms are arranged for members to use with their own laptop, Chromebook, tablet, or phone. If you do not have a laptop, you can use one of our computers. We also have classes and workshops on Smartphones and android devices.

All RCSC cardholders are welcome to join the fun! In February, you can join our Club by attending a short "Join Us" presentation in our Club on any Monday, Wednesday or Friday, anytime between 9a to 10:30a. It only takes a few minutes to join! Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
