Spring Brings Fun Times to Sun City AZ

Chances are you (or someone you know) will be having visitors this month as our weather begins to warm up (finally) and ball players take to the fields for spring training all over the Valley. While entertaining your out of town guests, don't forget all that there is to do this month right here in Sun City AZ.

Five hundred festive and formal RCSC Cardholders will be experiencing "A Midsummer Night's Dream" as they head to the Sun City AZ Senior Prom on Friday, March 1, 2019. Doors open at 6pm and live dance entertainment with Juke Box 6 begins at 7pm. We're certain elegance and good times will rule!

Plan to be up and out there bright and early the next morning (Saturday, March 2, 2019) when the Vintage Vehicles Club of Sun City proudly presents their 3rd annual Spring Fling Car Show at the Sun Bowl. From 9am until 3pm, you'll get to reminisce about old times and recall the super fun rides from yesteryear. All makes, all models, all years – along with food, vendors, raffles, prizes, music and more.

Just about everybody loves the music of John Phillip Sousa and we're lucky to have the talented Sun City Concert Band bringing "Sousa in the Southland" to the Sundial Auditorium on Sunday, March 3, 2019 at 3pm. Tickets for this show are \$10 per person in the Sundial lobby from 9am to noon Monday, Wednesday and Friday so go get your ticket right away.

Besides free Saturday Golf Clinics at Lakes West in March at 9:30am, you'll have an opportunity to "test drive" equipment from several manufacturers when Golf Demo Day comes to Riverview on Monday, March 4, 2019 from 9am to 2pm.

For many, Wednesday evenings have been all about the ticketed Sundial shows and as of press time, we've still got tickets available for both Bobby Brooks Wilson (March 6) and Craig Davis' Circus of Illusion (March 20). We're sold out for the tributes to Reba McEntire and Neil Diamond. All in all, it has been one heck of a season, and we thank you for your support and patronage of these concerts.

Bobby Brooks Wilson

Whether you're interested lapidary or just like to collect pretty rocks, the Sun City Rockhounds annual Shed Sale at Mountain View typically has some interesting specimens. Stop by on Saturday, March 9, 2019 between 8am and 1pm. You just might find a real treasure!

It's just not spring in Sun City AZ without shows at the Sun Bowl, and the season kicks off on Sunday, March 10, 2019 with Chad

Freeman & Redline. All shows at the Sun Bowl in March start at 6pm. Check out the entire line-up on page 16.

You don't need to be a cheese head to enjoy the Wisconsin Picnic at the Sun Bowl on Thursday, March 14, 2019 from 10am to 3pm. There will be prizes, raffles and a silent auction along with entertainment by Zweifel Bros Band. Tickets are \$8 and food will be served from 11am to 2pm (brats, hot dogs, beans, chips, sauerkraut). Remember to bring your lawn chair.

A great value for a superb theater experience (only \$10 per show) is also right here with our own Sun City Players Community Theater, whose production of "Phantom of the Country Opera" completes their season at Mountain View this month (March 15-17, 21-24). More information about purchasing tickets can be found on page 15 or by visiting www.suncityplayerscommunitytheater.org.

As sure as spring shows up every year, so does Marinette Clay Corner's Spring Open House and Pottery Sale, where you'll find creative handcrafted pottery for gifts, your home and your yard. Stop by the corner of 99th and Union Hills on Friday, March 15 (8am to 4pm) or Saturday, March 16 (8am to 3pm) and see what a wet glob of clay can become. You might just find yourself ready to roll, sculpt and "clay" your days away.

The Tip Top Variety Show promises a great assortment of entertaining talent from a diverse cross-section of local performing artists on Saturday, March 23, 2019 at 1pm in the Sundial Auditorium. Tickets are \$10 per person and can be purchased in advance or at the door (see page 16).

The Sun City Poms are known around the world, including appearances on the BBC, the Today Show and in Phoenix Magazine (shown here).

Get ready to end the month as the Sun City Poms celebrate their 40th anniversary with a Show and Reception on Sunday, March 31, 2019 at Mountain View. The doors will open at 1:30pm; the show will begin at 2pm. Attendees expected will include past, present and future Poms, sponsors, supporters, media representatives and of course, Poms family and friends. No group says "Welcome to Sun City" quite like these amazingly energetic performers.

Get ready for good times and fun in the sun as spring comes into full bloom this month in Sun City AZ!

Golf & Grounds Report

Pro Shops

In reviewing 2018, it was a mixture of ups and downs disrupted greatly by the closure of Willowcreek and Willowbrook. During the first quarter of 2018, golf rounds were 2,707 ahead of the first quarter of 2017. The last three quarters combined produced 9,998 fewer rounds than the last three quarters of the 2017 year. The year produced 7,291 fewer rounds than 2017, due in large part to the 32,969 fewer rounds played on Willowcreek/Willowbrook. The positive news was 2018 revenue was largely unaffected, due to the strength of the first quarter. Revenue for 2018 finished \$18,285 behind prior year and exceeded budget by \$87,476. The 2018 budget was conservative, due to the planned closure of Willowcreek/Willowbrook.

On February 14, Lakes East/Lakes West will be hosting the 11th annual Teal Ribbon Tournament. The event is open to ladies and men and no handicap is required. It is a 9-hole event with a 9:30am shotgun start and lunch follows play at Sundial. Proceeds benefit the University of Arizona Cancer Center for Ovarian Cancer Research. The entry fee is \$30.00 per person and entry forms may be picked up and turned in to any pro shop.

Our demo day is scheduled for March 4 from 9:00am to 2:00pm and will be held at Riverview. New this year is PXG Parsons Extreme Golf. In addition to PXG, representatives from Ping, Cobra, Taylor Made, Wilson and Callaway Golf will be on hand to allow you to "test drive" the latest and greatest products that each company has to offer.

Conceptual plans for the rebuild of the South practice area were submitted to the Golf Advisory Committee at the January 2019 meeting. The plans submitted during this meeting are being revised to avoid interference with the main irrigation line that runs through the practice area. The putting green will be roughly the same size of the previous green; however, the pitching/chipping green will provide expanded options for bunker play and for more golfers to use the green simultaneously. The area will incorporate some aspects of turf reduction and the irrigation will be designed with possible future renovation in mind. This will ensure that this area will not need to be redone in the future. This work will be combined with the planned bunker work at South this summer. Work is expected to begin this May.

Snack Shops

Despite missing revenue targets in December, Snack Shops exceeded revenue targets for the 2018 year. Despite disruptions by the closures at Willowcreek and South, Snack Shop revenue exceeded prior year, due to the strength of the first quarter.

Golf Courses

The preliminary aerification/overseed schedule was presented to the Golf Advisory Committee during the January meeting. We are moving up the beginning of fairway verticutting to the last week of April, beginning at Quail Run and finishing at Willowcreek on May 24. Fairway aerification will begin May 30 at Quail Run and finish on June 25 at Willowbrook. The biggest change to this year's plans is to close the courses for an extra day during greens aerification than during previous years. The extra day will provide a buffer for equipment issues as well as more time for crews to provide the best possible surface following aerification. This process will begin June 27 at Quail Run and finish on August 7 at Willowbrook. Due to the renovation, the greens at Willowcreek will not be core aerified this summer. We asked that committee members review this schedule with their respective course committees to identify any potential scheduling conflicts that may have been missed.

Grounds/Lawn Bowl

Stimp readings reported to the advisory committee ranged from 12.0 at Mountain View to 13.9 on the west green at Lakeview. Moisture readings ranged from a low of 9.5 on the north green at Bell to a high of 22.8 at Oakmont. The greens are currently watered only as necessary, approximately once every two weeks. Mowing is also on as needed basis and mostly to remove debris from the surface. Greens are currently double rolled three times per week. Ditches are cleaned and raked during the rolling.

Comprehensive weed control remains the focus of the grounds crew. Early progress that was made was rendered ineffective by December and January rains. Currently hand work is followed up with a mixture of pre- and post-emergent herbicides to kill current growth and to help prevent future growth.

*Tips from a Pro***Check out all options before playing bunker shot**

The first rule in the bunker is to get out in ONE shot. If you have a high lip to go over and are proficient with the traditional sand shot that is generally the best option since the ball flies high and lands soft. However, if that shot is not one you are confident with remember there are a couple other ways to get the ball out - namely putting or chipping. This may require going out to one side or the other, but avoiding the high lip and getting out in one shot is the name of the game!

The easiest option is with the putter. This requires a low lip and also works great with wet or firm sand. Play the ball a bit further back in the stance then with your normal putting setup and make a longer stroke than normal.

If putting isn't feasible, consider chipping. Depending on the height of the lip and the amount of green you have to work with, a 7, 8, 9 or PW can be used. Again, play the ball back in the stance a bit (so you will be able to hit the ball first and not the sand) and take a slightly longer stroke than if the ball were sitting on the grass.

Lastly, if there is a high lip that requires a shot with a lot of height and little roll, then the sand shot using a sand wedge works best. To practice this shot, open up the body (aim to the left), open up the clubface (aim it to the right) and take a full swing, hitting the sand a couple of inches behind the ball. The force of the sand will throw the ball onto the green. This shot takes some practice to master, and until it becomes comfortable, consider using the putt or the chip even if it means taking the long way around.

In nominating Mr. Jensen, it was noted that he has helped with many SCBA functions and provides league support and assistance at both Lakeview and Bell Lanes. A Moment with President DeLano

Get Ready! The Times They Are A-Changin'!

The RCSC Board of Directors has begun the year diligently addressing concerns and issues they feel are best for the Sun City AZ community as a whole – and we have several things in the works that will be of great interest to many.

First of all, thanks to the support from many, HB 2374 recently received a do-pass recommendation out of committee. This legislation seeks to clarify that organizations responsible only for recreational facilities (like RCSC) and those communities incorporated or established after 1973 are not home owner associations. The possibility that Sun City AZ's age-restricted character could be jeopardized is but one of the major concerns. We'll let you know how things develop and we will be asking for your continued support as this bill works its way through the legislative process.

But asking for your support and feedback regarding various issues is really nothing new in Sun City AZ. RCSC Members have always been encouraged to attend meetings and have had several avenues available to voice their thoughts, ideas and concerns. With the understanding that not everyone can attend daytime meetings, the Board has held a few evening meetings in recent years and although the audience make-up was a bit different, attendance numbers really did not increase.

Two years ago, the RCSC Board went a step further and began to video tape their meetings so those unable to attend can still have the chance to know what is happening. We even go so far as to send you the link to the video once it is available online. This has proven to be very useful and we thank the several hundred of you who view these taped proceedings on a regular basis.

But somehow this just didn't seem to be enough. So in work sessions that the Board has historically had with management,

there has recently been much discussion and work completed on soon to be proposed amendments to the RCSC Bylaws. The most exciting outcome which I am pleased to announce is that the RCSC Board of Director's plans to open these work sessions.

Yes, those closed work sessions that have had some perception of "secret meetings" are being planned to become a thing of the past. Work sessions will soon be incorporated into two Board meetings each month, except during the months of July and August.

It is anticipated that Members will have the same or likely more opportunities to be a part of the process with this upcoming change and we sincerely hope that you're as excited as we are with this news. Watch for more details to come in next month.

We will be posting the Bylaw amendments in early March, to be voted on at the Board meeting on the last Thursday of March. Make sure that you're in the loop and ready to receive the news. We think you'll be pleasantly surprised.

Management Updates

Financial Report

The Recreation Centers of Sun City, Inc. (RCSC) has ended 2018 within its operating and capital budget year to date. Every division has met or exceeded its net operating budget projections for 2018.

Investment Report 4th Quarter 2018

RCSC's Investment Policy (Board Policy 33) is stringent in its requirements with the priority of investment objectives to be placed in this order: 1) safety, 2) liquidity, and 3) yield.

At the end of the fourth quarter 2018, \$4,614,315.62 (cost basis) of the \$2.5M unrestricted cash reserve and other unrestricted funds have been invested in various FDIC insured certificates of deposit and corporate bonds. In 2018, these investments along with the unrestricted money market account have produced interest income of \$108,243.54 with management fees of \$8,944.82 for a net income on unrestricted fund investments of \$99,298.72.

As of December, 2018, \$4,743,862.74 (cost basis) of the \$5M restricted capital reserve plus interest earned has been invested in various FDIC insured certificates of deposit and corporate bonds. Year-to-date, these investments have produced interest income of \$112,301.15 with management fees of \$9,977.07 for a net income on restricted capital reserve investments of \$102,324.08.

At the end of the fourth quarter 2018, \$7,351,696.96 (cost basis) of the approximate \$17M in the restricted Preservation and Improvement Fund has been invested in various FDIC insured certificates of deposit and corporate bonds. Year-to-date these investments have produced interest income of \$268,423.86 with management fees of \$16,770.30 for a net income on restricted fund investments of \$251,653.56.

Cardholder Services

Payments on past due assessments in December were 10% of past due balances. Overall accounts receivable increased in December by 2.4%. Past due assessment balances remained unchanged this month. Total accounts receivable increased this month due to Current assessment increases. November assessments went 30 days past due at a reduced 4.7% rate and October assessments went 60 days past due at a higher 3.9% rate.

Total accounts receivable balances decreased by 10.7% at the end of 2018 and were the lowest end of year total since 2010. The graph to the right shows the total accounts receivable over the past decade along with percentages that make up the totals.

Payments from our third-party collections firm ended the year strong and totaled \$33,808 in December. Payments for 2018 through our third-party collections firm

totalled \$208,954. This equaled 2016 and was 21% higher than 2017.

Payments made in December by Cardholders through the online RCSC Web Portal were down and totaled \$91,022 from 220 property owners. Despite ending the year soft, web portal payments made in 2018 were the highest annual amount and totaled \$1,382,234 from 2,991 property owners. These totals represent an 18% increase over 2017.

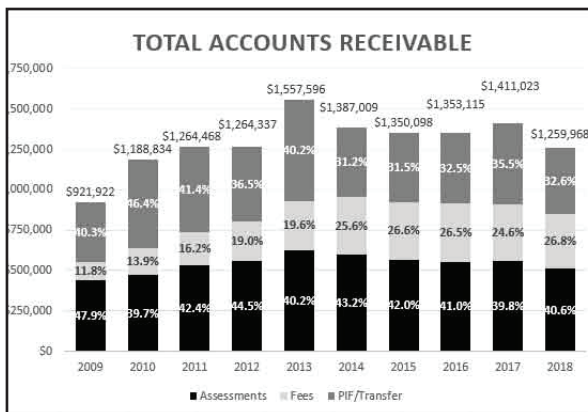

In December, property transfer balances increased nominally and lender related balances decreased by 8.6%. Outstanding balances related to property transfers represent 53% of all receivables and 55% of past due balances. At the end of December, trustee sale notices on Sun City AZ properties ended at 47 and properties owned by lending institutions decreased to 2.

Human Resources

RCSC's employee benefits package offers full time employees the opportunity to participate in a Flexible Spending Account available through Section 125 of the Internal Revenue Code. Employees can set aside an elected amount of money for out of pocket medical expenses on a pre-tax basis of up to \$2700 this year. The elected amount is then deducted from paychecks over 24 pay periods. Twenty-eight employees elected to participate this year for a total amount of \$53,108. This is a win-win situation, while the employees never pay taxes on the elected amount, the Corporation realizes a \$4,063 tax savings this year.

Employees are also offered an opportunity to realize a \$50 per month savings on their share of premium for medical insurance coverage through RCSC's health and wellness program. The program is designed to engage individuals in taking charge of their own health and wellness through annual biometric screenings that measure blood pressure, blood glucose and cholesterol levels. Weight, height & waist circumference measurements are also included. One hundred employees participated

Project Updates

Building and Infrastructure:

Grand Ave

- The Plan of Development (POD) for the Grand Ave project has been approved by Maricopa County. Final civil engineering drawings are anticipated the week of February 4 with permit submission expected the same week. RCSC and the architect have met with each of the clubs to review the planning for each club's space with the feedback received going into the final design documents. Additionally, the permit filing with Arizona Department of Transportation (ADOT) for the deceleration lane was completed on January 30. This permit is separate from the building permit with Maricopa County.

Lakeview Center

- Work is nearing completion on the renovation of the Lakeview Center Fitness Restrooms. Tile work is almost complete. Plumbing fixtures, partitions, paint, ceiling and fire sprinklers are all completed. Final work tasks will be completed over the next two weeks with opening dependent upon the final inspection. Contractors are: Valley Architecture, KAW Construction, and Spray Systems (Cost – \$232,495).
- An additional 800 pounds of Rainbow Trout from Idaho was stocked in Viewpoint Lake on January 29. RCSC Cardholders are reminded that no fishing license is required and there is a limit of 3 trout per day. Also, no fishing is allowed from the boat docks (shore or pier only) or near the boat ramp.
- The large exhaust fan for the indoor spa at Lakeview Center failed and was replaced. This addresses the recent humidity buildup in this space. Included was the installation of a new electrical shutoff switch. Contractor: RCSC Skilled Trades (Cost – \$2,535).

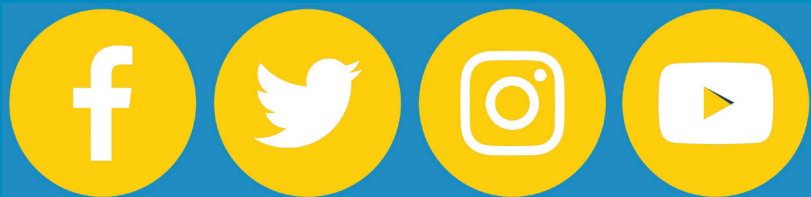

South Golf Course

- Work continues to progress. The exterior of the building is showing progress with stucco color applied. The roof penetrations have been sealed, with the foam and sealant coat applied to prevent water intrusion as the interior of the building is worked on. Low voltage cabling has been roughed in. Walls have been insulated and drywall installed. Windows and door installation are beginning in order to seal up the building. Concrete forms for curbing and the patio area have been built in preparation of concrete work.

Member Services

We began the year on January 7 and 8 with our annual Club Officers training. The training was informative, concise and well received.

On Wednesday, January 9, we kicked off the ticketed concert series at Sundial Auditorium. The room was filled with laughter and applause as Tom Stevens and Tony Lewis brought back the magical memories of the legendary Dean Martin and Jerry Lewis.

Please join us on Monday, February 25 at the Sundial Auditorium for the RCSC Annual Membership Meeting. Registration and refreshments are at 6pm and the 2019 Budget Presentation & Membership Meeting begins at 6:30pm. Your RCSC Member Card (with photo) MUST be presented at time of registration.

Last, but certainly not least, on Thursday, February 28 at 3pm we will welcome to the Sun Bowl stage The Commanders Jazz Ensemble of the USAF Band of the Golden West. This is a free event and there will be food trucks on site for your dining pleasure.

March to A Different Drummer

Many have heard this expression. It has nothing to do with the month of March; but the month may bring to mind the saying. What may be new to many is the source of the statement. Henry David Thoreau (1817-62), in chapter eight of his book *Walden*, writes "If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured or far away."

The saying has come to mean to be unconventional, or take a different approach from the majority. The Friends of the Sun City Libraries, Inc. likes to think it is unique and somewhat unconventional. There are no rules for Friends of the Library organizations. Most, like the Sun City Friends, operate independently. They are supported by an organization called United for Library U.S.A, but are not governed or financed in any way by this group. Many Friends groups are non profit corporations, like the one in Sun City. This all volunteer organization survives on donations of books and cash. Since it is a 501c3 corporation, those contributions are tax deductible.

This all leads to the question, "What is the music the Friends hear, and how far away is it?" What is unique or unconventional about the Sun City Friends? Here are three.

- To be a Friend of the Library there is nothing to join and no dues. The Friends are made up of those who volunteer in either Library, in the Bookstore, as a Book Buddy, as a Book Friend, on the Board of Directors, or on a Friends Committee.
- The Sun City Libraries (at the Bell and Fairway Recreation Centers) are operated by the Maricopa County Library District (MCLD). That means the Friends sponsor two local Libraries that have the resources of a comprehensive library system consisting of 18 libraries. With a MCLD library card, most material from any of those libraries can be delivered to either of our Libraries.
- Most Friends groups sell donated books; but the Sun City Friends has a full-fledged Bookstore. It has evolved over the years to be comprehensive (hardbacks, paperbacks, vintage books, magazines, DVDs, CDs, puzzles), well organized (even with a map), comfortable (chairs for browsing), user friendly (very helpful staff), and very reasonable in price (best around, the Friends say).

Want to learn more about Books Around the Corner? Read about it on the Friends website at www.suncity-friends.org. Better yet, go to the Bell Recreation Center, enter the Sun City Library, go to the back of the Library through the marked door, and around the corner. Enter and enjoy. (There is nothing wrong with attempting to drum up some business with this article. Sun City patrons are music to Friends ears by any measure.)

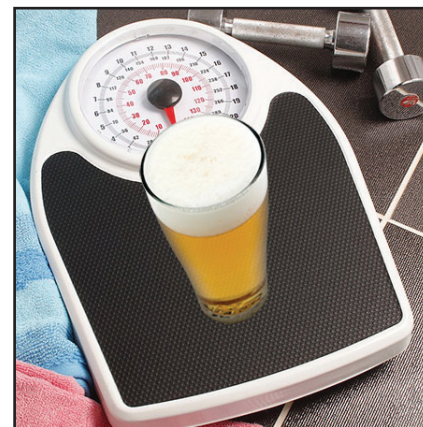

Water Conservation

Ways to Reduce Your Water Footprint

Okay, after all this time you've made changes in your lifestyle to help conserve water – full loads of laundry and in the dishwasher, turning the faucet off while shaving and brushing your teeth, fixing drips and leaks, embracing desert landscaping and the like.

Now it's time to consider how much water it takes to produce some of products we use and consume on a routine basis. You may recall that a pint is a pound the world around, but a pound of many items require 1,000s of pints of water to produce, like:

- One pound of roasted coffee – 2,500 gallons (or 50 bathtubs full of water)
- If you prefer tea, it take eight gallons of water to produce one cup of tea
- While an egg takes 53 gallons of water to produce, one pound of chicken meat uses 519 gallons
- One pound of Pork uses 719 gallons to produce, while beef uses 1,850 gallons per pound
- One pound of butter requires 666 gallons
- A Glass of Milk requires 62.5 gallons to produce while orange juice takes 45 gallons
- Do you prefer beer or wine? Beer is the water-wise choice at 19.81 gallons vs. wine at 31.7 gallons
- Remember – vegetables are good for you and only require 39 gallons to produce a pound

By eating less meat (even one day each week), you're actually reducing your water footprint by up to 25,000 gallons of water per year! Just imagine if everyone were to give it a try! To learn more about the water footprint of food, visit www.watercalculator.org/

Volleyball Club

Yes, there is a Volleyball Club in Sun City and it is now an official club sport! While we do not have an indoor venue in Sun City yet, we are working with RCSC to provide an appropriate place to play.

You may ask, "Why play volleyball?" The activities required when playing volleyball strengthen the upper body, arms, shoulders, thighs, abdominals, and lower legs. In addition, volleyball improves hand-eye coordination, reflexes, and balance.

Here are a couple of nearby community centers that provide opportunities to play during the week:

Villanueva Community Center (15660 N. Hollyhock Street, Surprise, AZ 85378)
Open Volleyball - Wednesdays and Fridays from 8 to 10:30am
Call Dawn for more info at 623-271-8511 or visit <http://azseniorvb.org/>

Rio Vista Recreation Center (8866A W. Thunderbird, Peoria, AZ 85381, Ph 623-773-8600)
Open Volleyball - Most Thursdays from 9-11am and most Saturdays from 5-8:30pm
Call in advance as they are closed on Holidays and sometimes they have the gym rented. There is a fee to use the facility, but if you have a Silver Sneakers Card it is free.

If you would like more information or want to find out about being a member of our club please contact us. We look forward to meeting you and playing some volleyball! Piano Club of Sun City

Kathrene Allen (left) and Dale Elliott (right) were among the performers entertaining the crowd of nearly 400 attendees recently at the Piano Club of Sun City's annual concert, "An Evening to Remember."

If you like music, then you will like the Piano Club. It's as simple as that. People think that you have to perform or play the piano, but that isn't true. Most members either don't play the piano, or don't play for the club. They just listen to and enjoy the live music. We have monthly performances where a large variety of piano music is heard, and sometimes we have other instruments as well. There are many very talented musicians. We even have one member who occasionally does comedic songs on a keyboard, my personal favorite. We socialize and eat treats before and after the performances. Frequently, there are also music books and sheet music laid out on tables, free for whomever wants them. We meet at 9:30am on the third Friday of the month, October through April, in the Sundial Auditorium. If you do wish to learn to play or improve your playing, we offer affordable lessons from caring teachers. It is only \$10 a year per person or \$15 per household to join our club. Come listen any third Friday and see for yourself what great entertainment we offer.

Sun City Gives Back

Calligraphy Society Shares The Love

Members of the Sun City Calligraphy Society recently delivered beautiful handmade cards to residents at the Royal Oaks Lifecare Center just in time for Valentine's Day. Shown are club members Pam Bayha (left) and Marna Haley (right) delivering their "love cards" to 104 years young Hazel (seated) and Life Enrichment Coordinator Karen Schram (center). The Calligraphy Society delivers 450 cards annually to four Sun City care facilities (30 for each holiday). Thanks for sharing your talents with others. What a great way to give back!

Sun City Calligraphy Society

Come join the fun at the Sun City Calligraphy Society! For 36 years we have been dedicated to promoting the art of beautiful writing.

General meetings are held the third Thursday of each month at 9:00am at our Sundial club room. There are classes available to learn different calligraphy hands from our experienced teachers, including Italic, Blackletter, Uncial, Foundational, Copperplate and Informal Pointed Pen, Brush and others. There are also many "fun-shops" held throughout the year, where you can learn how to make beautiful and unique greeting cards, or learn new "tips and tricks" with your calligraphy.

You can help others experience the joy of receiving a handmade card by making "Love Cards" for our local nursing homes. Opportunities are also available to make cards to sell in our club boutique and at the Sun City Fall Arts & Crafts Festival.

Our club room is open from 1 to 3pm on Mondays and 9 to 11am on Thursdays and Fridays to practice your writing, make Love Cards, or work on your own projects. If you would like to participate in any of our events, club membership is open to all RCSC Cardholders. For further information, please call Trudy Bryson at (623) 594-6591.

Swim Club

This unique club is made up of swimmers with all levels of skill. Our membership fees are \$5 a year and the club is open to all RCSC cardholders.

We offer Swim Lessons on Wednesdays from 8:30 to 10am at the Sundial pool until April 3 and then we return outdoor to Lakeview for the warmer months. There are classes for beginners, intermediate swimmers. You are encouraged to advance through these levels at your own pace. Lessons are included in your membership fee. Contact Dolores Balding at 623-876-1233.

House of Dance

Please feel free to bring your favorite snacks and beverages. Annual membership fee is \$4, dance entry fee is \$3. If you decide to come and visit, the non-member fee is \$5, for escorted guests the fee is \$6.

Throughout the year we have special events such as pizza party and masquerade party. For more information, contact our club office at 209-380-8029.

Bell Silvercraft

In 1976 when the Bell Recreation Center opened, Bell Silvercraft became a RCSC chartered club with 500 members. From the outset, emphasis was placed on creating quality sterling silver jewelry within a friendly and helpful environment. Those original members brought in speakers from the Heard Museum along with various other skilled silver workers and designers. This started our tradition of establishing a very active class and training program. This proud tradition continues today.

When a new member joins, they are introduced to a variety of sterling silver techniques, including basic soldering, creating custom bezels for cabochons (polished rocks) along with the safe and proper use of the club's professional equipment. This introductory class will lead you through the process of creating your own custom ring with a mounded cabochon as well as a sterling silver bracelet. These classes are taught by one of our skilled and experienced members with a limit of four students per class. You will have ample opportunity for one-on-one instruction and guidance and once you have completed the class, you will be able to use the basic tools and silver techniques to start creating your own sterling silver jewelry.

Once the basic skills are mastered, there are many more opportunities for learning. There are classes on advanced techniques and other types of silver work, including lost wax casting, broom straw casting, chain maille, inlay work, twisted wire work, along with a variety of bracelet and choker techniques and styles. The club has many demonstrations on soldering and fabricating techniques as well as the use of other specialty tools available in the club. This dedication to helping our members is what has established our reputation of creating high quality and creative silver work that is hard to surpass. As your skills improve, you may want to submit your silverwork to be placed in our newly updated sales room.

You may come into the work area and/or the sales room for a guided tour anytime during our open hours. Our sales room is open Monday through Saturday 9am to 3pm. We are in the Bell Center Arts and Crafts Village, right behind the Sun City Visitors Center. Club membership is open to any current RCSC Cardholder. For more information, please call 623-933-8442.

Sundial Shuffleboard Club

Yes, we play at Bell Center and yes, we play on Thursday evenings at 6pm. We encourage you to arrive by 5:50pm to ensure a court spot. Teams are randomly drawn. All equipment is furnished and lessons are available. Annual membership is \$2.50 per person and we play all year long, always indoors.

Shuffleboard is a defensively played game. This means you make every attempt to keep your opponent from scoring. If their disc is in a positive scoring position, do your best to push it out. However, if it is in the "kitchen" you try to leave it there. The only thing cooking in the kitchen is a minus score. A fun game? Sure it is. It also takes a learned skill (the more you play, the better you get) to hit the disc just right so it will do what you want it to. You always try to move your disc out of the "kitchen."

RCSC members are encouraged to try the game for three times on us before you will then need to join. We try to make this a fun time for you so some friendly jibbing is not unheard of. Call Russ 623-208-9921 for more information.

Garden Club of Sun City

Do you love gardening? Whether you are an expert, hobby gardener, beginner, or are new to Arizona and have no idea how to garden in the desert, this is the club for you! Check out our website at gardenclubofsuncity.org.

Meetings are the first Tuesday of the month, September through May at 8:30am at Sundial. In addition to Club business, there are presentations at these meetings by experts on fertilization, micro greens, rose care, gardening tips for vegetables (specifically for the desert), citrus care and much more. Get answers to your gardening questions. Talk gardening and make friends at the meeting or at our monthly breakfast at Lakeview George's Café in the bowling alley the 3rd Tuesday at 8am. We are always having fun attending classes, amazing field trips and not to be beat potlucks.

The Club sponsors a Community Garden at 91st Avenue and Greenway where Club members can rent a bed. Visit the Community Garden during the Open House on the 3rd Saturday of the month from 9 to 11am. If you love roses, the Club maintains the gorgeous Sun Bowl Rose Garden. Check us out!

Visit the club office at the Oakmont Recreation Center on Monday, Wednesday and Friday from 9am to noon or call 623-875-5921. Membership in the Garden Club of Sun City is open to RCSC cardholders only.

Sun City Choraliers

The Sun City Choraliers, a mixed vocal ensemble that is an official club of Sun City, has been in existence for 38 years. Members come from varied musical backgrounds. Some have been singing in choirs their entire life. Others played an instrument and are now singing. Still others are singing in an organized choir for the first time. All members love making beautiful music and sharing their music through performances. The Choraliers are always looking for new talent and we welcome all interested participants.

The Choraliers bring a fresh new approach to choral music. We combine classic choral literature with lighter contemporary songs that leave our audience feeling energized. Some of our more classical pieces are sung a cappella while our contemporary pieces are supported by piano and drums. We keep the pace of our programs moving so our audience feels their time has been well-spent. We often interact with our audience and sometimes invite them to sing with us.

Our theme for spring is "America, The Dream," including songs such as God Bless America, Common Ground, Love In Any Language, Gift To Be Simple, An American Trilogy, No Man Is An Island, and more.

Public/open spring concert: Monday, March 18 at 6:00pm (American Lutheran Church, 17200 N. Del Webb Blvd.) Rehearsals: Mondays from 8:30 to 11:00am at Fairway Recreation Center second floor music room. Optional sectionals: Thursdays at American Lutheran Church choir room, 9:00am for Tenor/Bass, 10:00am for Soprano/Alto.

We have club members who are happy to help others learn a variety of crafts including: Adult Coloring, Beading, Greeting Cards, Circular Loom Weaving, Crocheting, Embroidery on Paper, Knitting, Plastic Canvas, Scrapbooking, Swedish Weaving and more.

Club membership is open to all RCSC Cardholders. Annual dues are \$7. Participation in the annual Sun City Fall Arts & Crafts Festival and other social gatherings are part of our annual activities. Watch for upcoming special classes and workshops listed in the SunViews and the Sun City Independent.

Several of the charities Sundial Craft Club donates to include Stitches of Love, Eve's Place, nursing homes and Veterans organizations.

Whisperball Club

If you never heard of Whisperball, don't despair! It is now here in Sun City. Our club was chartered in November 2018. We are slowly growing and soon hope to be a major sport here. So be cool and come and join us. If you have good hand/eye coordination, like a challenge, and enjoy exercise, this may be the sport for you. Whisperball is a bit like Racquetball, except mainly it uses a foam ball. Now don't let that fool you into thinking that it is easy to play. We've had some Racquetball and Pickleball players try it and find it not so easy to hit and score points. We are looking to attract new members. Annual dues are \$10.

We are now also in the process of starting a ladies Whisperball group. The ladies may only play among themselves or play co-ed, it's your option. So come give it a try, it may be the sport your looking for. Introduction to Whisperball is on Tuesday and Thursday at 1:30pm at the Bell Racquetball courts. All you need to bring with you are court shoes (not worn to the courts), safety glasses and racquet, if you have one. If not, the monitor near the courts will loan you one. Presently play times are Monday, Wednesday and Friday at 3pm.

Additional play times may be added if there are sufficient number of members. We generally play doubles but we do also play two on one, cutthroat and singles. In the future we may challenge Sun City West at Whisperball. I think with the right players, we could beat them. For more information, contact Rick Steiner at 412-419-9578.

However, in Nashville, Chrissy finds an enemy in an aging country-western diva & a mentor in a quiet, observant janitor who is determined to make her country music's newest star. When mysterious things start happening at the Opry, Chrissy find that there's more going on backstage than she first suspected.

Handbell Ringers of Sun City

Currently rehearsing for their upcoming concert, "Romancing the Bell." Similar to "Romancing the Stone," the ringers embark on a musical adventure to find a valuable bell & encounter the 'Phantom' & a recurring villain who leads them on a merry chase. Song selections include a piece from "Phantom of the Opera," "Fly Me to the Moon," "Over the Rainbow" & "My Heart Will Go On" from the movie "Titanic." This 25 member ensemble, directed by Libbie Randels, rehearses 9-11:30am in the Fairway music room. Handbell music is much like piano music; all notes for treble & bass are on the same page. The challenge for the ringer is to find 2 to 8 assigned notes, then: "To ring or not to ring; when is the question." "Romancing the Bell" on 4/7 is at American Lutheran Church on Del Webb (north of Bell) at 3pm. Membership in Handbell Ringers is open to RCSC card holders & invited guests. Tips from Get Fit for Life -

Is Strength Exercise Necessary?

"Proper Strength Exercise helps aging adults look better, feel better and function better," states Jane Fortier, senior fitness specialist for Get Fit for Life. "This type of exercise is absolutely necessary, to maintain quality-of-life, as we age. Ongoing research provides a wealth of data on the positive physiological benefits of strength training. Skeletal muscles serve as the engine, chassis, and shock absorbers of our body. Taking care of them determines quality-of-life." Consider the following Benefits of Strength Exercise:

- **Avoid Muscle Loss** - Aging adults lose from 5-7 lbs of muscle every decade, if they aren't strength training. Aerobic exercise improves cardiovascular fitness, but does not prevent the loss of muscle tissue. Strength exercise is needed to maintain and increase muscle mass, as the adult body continues to age. A basic strength training program (25-30 minutes of strength exercise 2-3 times per week), performed CORRECTLY, can increase muscle tissue by about 3 lbs, in a 12-week period.
- **Avoid Metabolic Rate Reduction** - The average adult experiences a 2-5 percent reduction in metabolic rate, every ten years, after the age of 50. Proper strength exercise deters muscle loss, thus preventing this natural decrease in resting metabolic rate. Adding 3 lbs of muscle will increase resting metabolic rate by 7 percent. Adults who strength exercise use more calories during the day, thereby reducing the likelihood of fat accumulation. Research has shown that three months of strength training results in 3 lbs more lean body weight and 4 lbs less fat body weight.
- **Increase in Bone Mineral Density** - The same training stimulus that increases muscle proteins also increases bone proteins and mineral content. Bone mineral density increases in direct proportion to the amount of strength exercise being done, and the resistance level being used. Strength exercise is a must for people with osteopenia or osteoporosis.
- **Increase in Glucose Metabolism** - Glucose is managed more efficiently when strength exercise is performed. Research indicates a 23 percent increase in glucose utilization after four months of strength training. Strength exercise is extremely important for a Type 1 or Type 2 Diabetic.
- **Reduction in Blood Pressure & Lipid Levels** - Strength training, combined with aerobic exercise, is highly effective for improving blood pressure readings. This combination has been shown to reduce both systolic and diastolic pressure, within a two month period. In addition, strength training and aerobic exercise reduce blood lipid profiles significantly over an extended period of time.

Strength Machines & Free Weights are available in all Sun City Fitness Centers, for cardholders to use, with resistance training. Get Fit for Life trainers are experts at setting-up strength workouts for adults of all ages & levels of fitness.

"The most important part of strength exercise is performing it correctly," states Fortier. "Proper breathing, form, technique, cadence and duration directly effect exercise results. Strength training "after 50" should look different than it did at age 30 or 40." Get Fit for Life personal trainers are experts at creating safe and effective exercise programs based on needs, goals and medical issues. LaTouch Wellness Massage Therapy Shares...

Meditation & EFT May Reduce Pain, Improve Overall Health

Meditation was once thought of as a "new age" fad, but it is now becoming more mainstream as research uncovers its health benefits. There has been research conducted on the health benefits of meditation for over the past 30 years. The results suggest that meditation may be a helpful tool in treating a variety of adverse conditions such as chronic pain, fibromyalgia, insomnia, anxiety, improves attention span and age-related memory loss, lowers blood pressure and can improve heart health. These are some of the benefits associated with meditation. There are several articles on WebMD that emphasize the many benefits of meditation.

Guided meditation offers an easy and focused way of quieting the mind and going inward to assist the body with its healing ability. Guided meditation can be offered during a portion of your massage session, this would allow you to benefit from your massage session on a much deeper level. By simply listening to positive and encouraging statements the mind begins to produce beneficial chemicals that promote health and wellness.

Are you familiar with EFT (Emotional Freedom Technique)? EFT is a form of energy therapy like acupuncture but without needles. This therapy works with a few easily assessable acupressure points. Acupoint Tapping, sends signals directly to the stress centers in the mid-brain, these signals, accompanied by positive affirmations, assists the brain with release of beneficial chemicals, sent throughout the body, promoting and encouraging a healing response. EFT is an energy healing technique, performed by the client, with or without a therapist to facilitate the healing session. EFT is a technique once learned, can be performed daily to help improve and maintain your energetic balance.

If you are interested in exploring these energetic healing therapies and how they can be incorporated into your wellness massage session, let your therapist know when you schedule your wellness massage session.

We look forward to providing you with optimal services to assist with improving and maintaining your health and well-being.

Massage helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for you, call and schedule an appointment today!

Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and hand-capped from the Freedoms Foundation of Valley Forge in Pennsylvania.
