The 2019 Stars of Sun City AZ

1

The entire cast of Dancing with the Sun City AZ Stars practiced the week before in anticipation of the big event. And Music Legends Night left no one disappointed.

John Balding (2) showed that he could "Walk Like A Man" and do a few dips and turns as well. Beverly Jenkins (3) worked "9 to 5" to pull off a great Dolly Parton with a fabulous quickstep. Ron Stoops (4) brought Michael Jackson's "Thriller" video to life and managed to cha-cha too! We "Believe" Rhonda Vasey (5) might just go by her first name from now on with her Cher-esque disco moves. Meanwhile Reb Black (6) did his best swing to "Return to Sender" for the crowd. But when final contestant Jean Shauer (7) waltzed across the stage, there was no doubt she was a "Natural Woman," and the majority of the audience agreed.

Congratulations to all of the participants in this year's Dancing with the Sun City AZ Stars! You were marvelous!

Jean Shauer, winner of the mirror ball trophy, proudly poses with her partner, Jon, along with two great-granddaughters, one granddaughter and a family friend. Without a doubt, they were all very proud of her performance. Well done!

Stay in the Know - Even When You're on the Go!

As we head towards summer, many escape the Arizona heat and Sun City AZ goes into a totally different mode. Seeking shade becomes a priority and swimming pools fill with Cardholders wishing to keep cool.

"Keep cool and stay hydrated," replace "Have a nice day!" in friendly conversations as we become more aware of heat-induced ailments. Stores are less crowded and getting a table at your favorite restaurant doesn't come with an hour plus wait time. Patio misters hiss with cooling vapors while iced beverages are paired with lighter meals. We check in on our neighbors and keep an eye out for suspicious activity in when others are absent.

Many RCSC Chartered Clubs remain active over the summer and members enjoy the extra elbow room now available to work on their projects. Several clubs are keeping the same hours year-round as many of their members stay right here over the summer. We tend to get our exercise, chores and errands done earlier in the day and spend afternoons in air-conditioned comfort.

Keeping you entertained remains a high priority and we've got two great shows in store for you at Sundial. On June 13, Rick Lenzi brings his "Ultimate King Experience" to Sun City AZ with all the hip-shakin' moves of Elvis Presley. Come July 17 we bring back the "The Cover-Ups" for an encore performance that is sure to have you chillin' and the dance floor hoppin' with great tunes. If you're in town, we are certain you won't

want to miss these "very cool" concerts. Both shows start at 7pm; doors open at 6pm. Admission is free for RCSC Cardholders and their escorted guests. Please be prepared to present your RCSC photo Member or Privilege Card for entry; no key fobs accepted.

Yes...life in Sun City AZ goes on even when you're gone. But being out of town doesn't mean you need to be out of touch. SunViews is always available for viewing online (<http://suncityaz.org/rcsc/presscommunications/>) and RCSC News Email Alerts are another great way to stay in the know. Manage your email preferences through the RCSC Web Portal and you can get as much or as little information as you please while you're away. You'll find instructions for the portal on page 8 if you're not already signed up.

Another option is to visit, like and share Sun City AZ on social media (Facebook, Twitter and Instagram) any time you want to see what we're up to here simply by going to the suncityaz.org website and clicking on the icons located at the bottom of each page. And depending upon your commitments and schedule, RCSC Board Meetings can be viewed on the Sun City AZ YouTube channel (remember - no Board meetings in July and August) if you're not able to attend.

Enjoy the summer! Whether you're in town or traveling, Sun City AZ is always just a click away!

Closures in Observance of Memorial Day; No Saturday Summer Hours at SCVC

All RCSC Offices (Corporate, Human Resources, Cardholder Services and Clubs & Activities) and the Sun City AZ Visitors Center at Bell Center will be closed on Monday, May 27, 2019 in observance of Memorial Day.

The Sun City AZ Visitors Center will also be closed on Saturday, May 25, 2019 in observance of this holiday. In addition, the SCVC will resume their summer schedule and will no longer be open on Saturdays, from June through September.

All Recreation Centers (fitness, pools, spas), Bowling Centers and RCSC Sun City AZ Golf Courses will be open normal operating hours for Cardholder use and enjoyment over the Memorial Day weekend.

Memorial Day weekend is also the start of summer hours at several RCSC recreation centers (see box below), which last through Labor Day weekend in September. Hours over the summer at all other recreation centers remain the same.

RCSC Cardholders:

Please keep the following in mind!

While you're out and about enjoying all that RCSC has to offer, please be aware of the following items which require Cardholder attention when using any of the recreational facilities:

- All RCSC Cardholders are required to check in with their Member or Privilege Cards (key fobs accepted for entry to fitness, pools and spas; not concerts or free events)
- Neither Sun City AZ residents nor spouses of RCSC Cardholders are eligible to be guests. With proper documentation and if eligible, privilege cards may be purchased at the Cardholder Services Office at Lakeview Center in order to use the facilities.
- Host punch cards are purchased by and belong to the Cardholder, not the guest. Host punch cards can be purchased at RCSC Facility Attendant Stations (exact cash or check only), Cardholder Services at Lakeview, RCSC Bowling Centers.

- Guests may be requested to show government-issued photo ID when checking in to use RCSC facilities.
- Proof of age for 4 and 5 year olds (birth certificate or passport) is required for access to swimming pools. Photo copies or electronic images are acceptable.
- Free concerts and events are paid for by RCSC Cardholders and are intended for RCSC Cardholders and their escorted guests only.
- Always be prepared to show your RCSC Member or Privilege card (with photo) when attending concerts and events. Key fobs are not accepted for entry.

Please refer to the RCSC Cardholder Guide and Board Policies for more information regarding these matters. Your continued cooperation is appreciated!

No matter what state you're from, while you're here in Sun City it is much appreciated if you would park in only one space (note the white line under car) and save these smaller spaces for golf carts - as designed.

*Be scent sensitive!
Overuse of scented body products such as colognes, perfumes, after-shave lotions and the like can be irritating and even caustic to others. Perspiration and water from pools, spas can make matters even worse.*

Golf & Grounds Report

Pro Shops

A sluggish January followed by a wet and cold February have resulted in a decrease of 6,762 rounds compared to prior year. Through February, 68,550 rounds have been played, the second lowest total in the last seven years. Lakes West has recorded 10,452 rounds, followed closely by Riverview with 10,423 rounds. Lakes East has posted 7,177 rounds, followed by Willowbrook, which has posted 6,343 rounds. For the year, 92% of our rounds have been played by residents and their guests. Surcharge play represents 46% of total rounds played.

We have scheduled a night golf event for Saturday, April 13 at Lakes East. Check-in will begin at 6:00pm, dinner will be 6:30pm and play will start at 7:30pm. The format will be a two person scramble, the entry fee will be \$35. Entry forms will be available at all pro shops and we ask that the entries be turned in at Lakes East/Lakes West pro shop. Green fees will be paid on the day of play, entry fees will be due April 6.

Snack Shops

We would like to thank Russ Boyer, "BB" Boyer and Marlene Carmen for recently completing 10 years of employment with the Recreation Centers of Sun City. JP Loscher will be assuming the role of Snack Shop Manager at the South Course when it reopens. Darcie Hanssen will replace JP in the role of Snack Shop Manager at the North Course.

Golf Courses

Beginning April 8, spring fertilizer applications will begin at Willowcreek. We utilize an outside contractor for this application, which utilizes large tender trucks. The vendor is familiar with the golf courses and works with the golf superintendents to avoid damaging irrigation. This process is the most efficient way for this application. The applications begin early enough in the morning to avoid disrupting play. The dates for the other courses are as follows:

- Willowbrook – April 9
- Lakes East/Lakes West – April 10 & 11
- North – April 12
- Riverview – April 15
- South – April 16
- Quail Run – April 17

We have held our pre-bid meeting for our summer golf projects which include: rebuilding the South Golf Course practice area, sand replacement and bunker repair at the South Golf Course and installation of forward tees on Lakes West Golf Course. Six contractors expressed early interest in the project, four contractors attended the pre-bid meeting. The contract for the work will be awarded in early April. Work will begin first on the South Practice area, as this part of the project will have a hard deadline for grassing and is expected to begin in late May.

Work will then progress to the South bunker portion of the project. Installation of the forward tees is expected to begin in July. Courses will remain open during these projects; however, we will be making adjustments to tee sheets and, in the case of Lakes West, utilizing temporary tees as necessary.

Grounds/Lawn Bowling

Lawn Bowl greens are now mowed three times per week and are also double rolled three times per week. Ditches are raked and cleaned in conjunction with the double rolling. Greens speeds have been consistent, ranging from a low of 13.1 seconds on Bell North to 13.9 seconds on Lakeview East. We continue to water greens on an as needed basis, though frequency will begin to increase as temperatures increase.

Work began on the greens at Mountain View and Oakmont to remove unwanted grasses on March 25. We will begin by laser leveling the plinth boards and replacing as necessary. The top 6-7 inches of material will then be removed and replaced with new material, which will then be laser leveled. Following laser leveling the greens will be sprigged and the levels fine-tuned as the new surface grows in.

Grounds continues to battle weeds as the rain has brought increased growth and has rendered many of our pre- and post-treatments largely ineffective. We have assisted the Garden Club at the Sun Bowl rose garden with irrigation adjustments. We are beginning to apply spring fertilizers and are continuing our applications of pre-emergent for weeds.

*Tips from a Pro***Learn to Control Your Distance with Short Game Shots**

Controlling the distance of our short game shots (including putting, chipping and pitching) is perhaps one of the most misunderstood areas of the game. Most people know and understand that with full swings we best control the distance by switching clubs. The idea is to make the same swing every time and let the club make the difference in the distance.

With the short game, many golfers try and control distance by hitting the ball softer or harder. Instinctively this may seem to make sense, but it is very difficult to be consistent. First, it's hard to put a gauge on what is hard or soft and make it repeatable and, second, when we change the speed of the stroke it can also affect direction. So, how should we control distance for our short game shots?

Whether putting, chipping or pitching, the length of the swing should be what determines the distance. In other words, use short strokes for short distances, medium length strokes for medium distances and long strokes for long distances. How you decide to gauge the length so you can repeat it depends on what works best for you. You may think of how far you bring the club back in terms of inches (4 inches for a short putt, 8 for a medium and 12 for a long). Or, you may use a part

of your own body as a reference for the length of the swing (swing the hands to the thigh for a short pitch, hands to the waist for a medium pitch or hands to the shoulder for a long pitch. How you measure it is up to you! The important thing is that you can repeat it time after time so you can count on the distance always being the same.

Remember if you learn to control the distance of your short game shots by changing only the length of the stroke that becomes your only variable and you will be much more consistent overall!

WELCOME GOLFERS

PLEASE REPAIR ALL BALL MARKS WITH THE TOOLS PROVIDED.
USE ONLY THE APPROVED REPAIR METHOD SHOWN TO HELP
MAINTAIN OUR GREENS AND INCREASE YOUR ENJOYMENT.

DO NOT TWIST OR LIFT SOIL

Only YOU can prevent ball mark damage!

RIGHT!

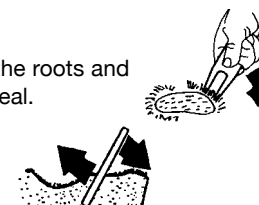

- 1) Close the gap/hole with putter by patting down the ball mark.
- 2) Insert *Green-Save* tool on the high side behind ball mark and push the back toward the center.
- 3) Do not pull up, twist or lift with the tool.
- 4) Push both sides of the ball mark into the center.
- 5) Gently tap the surface down with putter.
- 6) Never use loosened turf for repair.

WRONG!

Pulling up or lifting on the center or the sides will tear the roots and result in brown spots taking weeks for the surface to heal.

Do not pull up or twist with tool. This will only bring sand to the surface and tear the root system

RIGHT!

Insert tool and push back and sides forward to center.
No damage to root system. Healing starts immediately.

**YOUR REPAIR EFFORT USING THE CORRECT METHOD ELIMINATES
BROWN SPOTS AND PROMOTES GRASS GROWTH!**

Thank you for using the repair tools provided and especially for using the correct ball mark repair method. Enjoy your round and help us improve everyone's putting experience.

Speaking Your Mind: Unintended Consequences

As we age, many of us tend to be more vocal, feeling it is our right to share personal opinions, likes and dislikes, thoughts and concerns. While everyone has their own communication style, for the most part conversations do typically remain civil and professional. Healthy debate and discussion may mean that sometimes we just need to accept our differences and agree to disagree.

However, we all want to be able to give our input on matters that concern us and we wish to be respected as we express these thoughts without fear of retaliation or of being ridiculed.

Let's remember to be grateful to those who embrace opportunities to share their point of view – keeping their conversation concise and succinct. By this point in our lives, we should try to show compassion and be patient when someone struggles with expressing themselves, whether from momentary forgetfulness or a more severe cognitive disorder as the result of a medical condition.

But as we give our input and verbalize our concerns, we may need to work at removing some of the personal, almost selfish interests we might be expressing. Consider the bigger picture and the unintended consequences of your desires and demands.

Also know that when your concerns are being considered, it becomes necessary to take into account all the potential effects and results that may occur. One slight thing might bother five people, but on the other side of the issue there might be 500 cardholders whose livelihoods might be impacted.

In further consideration, when expressing your wishes keep in mind that RCSC offers similar amenities and activities at several

locations. While this might be a slight inconvenience, it is likely that something nearly identical is available at the same time, only at a different place.

Sun City AZ has been and will always remain a wonderful, extremely affordable destination with unsurpassed amenities and facilities available to those wishing to partake; for those 55 plus, whether still working or fully retired, permanent resident or only seasonal.

As we begin this process of open meetings, we are learning the nuances of two-way communication and discussion as we work to reach decisions and move forward. More input from Members may bring other thoughts and ideas to the table – but we all need to learn the proper processes, when and where input is appropriate and consider other people's point of view.

No matter the outcome, the benefits of open meetings and increased Member participation will be good for everyone. Just remember: Be careful what you wish for! Despite the best laid plans, unexpected consequences can happen. Perhaps, at times, it might be best to simply grin and bear it rather than make a fuss and then have to live with the fall-out. Let's make sure we join together and take advantage of this new experience.

Management Reports

Financial Report

The Recreation Centers of Sun City, Inc. (RCSC) has ended February 2019 within its operating and capital budget year to date. Every division has met or exceeded its net operating budget projections which is extraordinary considering that we have reportedly had the second coldest winter in the last 40 years which left gross income short by \$105,636 for the year.

Cardholder Services

Payments on past due assessments in February were 10% of past due balances. This payment rate has been consistent over the past 6 months. Overall accounts receivable increased in February by 1.2%. The Over 30 category saw the largest change and increased by 39% in February. January assessments went 30 days past due at 4.9% rate and December assessments went 60 days past due at a lower 2.6% rate.

Payments from our third-party collections firm continued the slow start this year and totaled \$10,823 in February. Year to date payments through our third-party collections firm total \$19,970. Payments made in February by Cardholders through the online RCSC Web Portal totaled \$127,439 from 291 property owners. Year to date web portal payments total \$256,096 from 571 property owners.

In February, property transfer balances increased by 2%. Property transfer related balances have increased 13.6% from the end of 2018. These balances are the highest in over a year and contribute to the overall accounts receivable increase. Outstanding balances related to property transfers represent 57% of all receivables and 56% of past due balances. Outstanding lender related balances decreased in February although the number of properties owned by lending institutions increased. At the end of February trustee sale notices on Sun City properties ended at 33 and properties owned by lending institutions increased to eight.

Human Resources

As the first quarter of the year comes to a close, I want to share some interesting statistics regarding staffing and demographics of staff members employed with RCSC. Since January 1, eighteen newly hired individuals have joined our staff. In addition, eight current employees have requested and received job transfers and/or position changes. Current employees have the opportunity to apply for changes when openings occur. Of the 384 employees currently on staff, 154 are full time and 230 part time. Two hundred and sixty employees are residents of Sun City AZ and the remainder live in various surrounding communities. The average age of RCSC employees is 65 years.

Member Services

The RCSC Senior Prom was an extremely popular event. There were over 350 in attendance, dressed in the theme of "Mid-Summer Nights Dream." A festive event it was!

The final show of the Sundial ticketed series was another sold-out performance as Greg Ansel wowed the audience with his tribute to Neil Diamond as "Diamond in the Rough."

The Sun Bowl spring concert series began Sunday, March 10th with Chad Freeman and Redline. The following week the Eagles Tribute band "One of These Nights" performed to another record-breaking attendance crowd. The Huey Lewis tribute, "The Heart of Rock & Roll" had attendance that was a close second. The last March show on the 31st is another all-time Sun City favorite "Mogollon."

April promises to be just as exciting as the month begins with our annual "Dancing with the Sun City Stars" on Friday, April 5 at 7pm in Sundial Auditorium. Then on Saturday, April 20, at Sun Bowl we will host our annual Easter Egg Hunt beginning at 9am. There will prizes, pony rides, a petting zoo and face painting. These are free events; however, please be sure to have your RCSC Photo Membership or Privilege card for admittance.

The final shows at the Sun Bowl through April with a show time of 6:30pm are "Americana," followed by a tribute to the Rolling Stones by "Jumping Jack Flash," then "Faded Jeans," and closing out the series and the month is "The Hamptons" on Sunday, April 28, 2019.

Water Conservation Now is the Time to Check Irrigation, Save Water

According to the Arizona Department of Water Resources website, up to 70 percent of residential water usage in the state is for landscaping. With the warmer weather coming, now is the perfect time to inspect your irrigation system and reset your timers.

How often and how long to water plants requires consideration of many factors besides the season – plant type and maturity, soil, location and root depth. Obviously new plantings have different watering requirements than established plants, but water use can be significantly reduced by using efficient landscape design, plant selection and proper irrigation practices.

During these warmer months, irrigation should occur at night or in the early morning (between 3am and 8am) to reduce water loss from evaporation and wind. Continue to observe plants regularly, watching for signs of water stress such as wilted, curled or drooping leaves, yellowing or leaves dropping off, or dead stems and/or branches. Signs of excess watering include brittle leave on plant, wilting shoot tips, smelly and soft tissues and the presence of algae or fungi.

If you're looking for new plant and garden ideas, stop by the West Valley Xeriscape Demonstration Garden located at the Epcor Water offices at 15626 N. Del Webb Blvd. right here in Sun City. Just remember, whether in your home or out in the yard...

Sun City Gives Back

Sterling & Stones Donate Jewels and More to Benefit Many Organizations

These four members of Sterling and Stones jewelry-making club at Fairway Recreation Center have something in common. They all give back to causes in the community.

Shown here are (left to right) Sandia Kent, Mary Brown Martilik, Dori West and Sandi Larson who are representative of many in this club who support charitable causes both locally including Sun City, Peoria and Phoenix as well as in their home communities throughout the U.S.

These organizations and charities include causes that range from support for cancer survivors and alcohol recovery to homelessness and women's shelters. Often, club members will donate hand-crafted jewelry for auctions and raffles conducted by other non-profit agencies to raise funds including for the Sun City Vintage Vehicles Club and the Sun City Posse.

But not all donations are jewelry-related. One year, a member of Sterling & Stones donated a dozen hand-knit caps for patients at the Shriners Hospital.

Fairway Sterlings & Stones offers classes in a wide array of techniques including lapidary, silversmithing, glass fusion, lost wax casting, chain making and wire-wrapping. Summer hours (May through October) are: Tuesday, Wednesday and Thursday from 10am to 2pm.

For more information about Sterling & Stones, please call 623-977-2208 or email the club at sterlingstonesclub@gmail.com.

We have an annual evening concert in January, monthly music programs from October through April, affordable piano lessons, free sheet music and club members volunteer at charity events.

You don't have to play or perform, just enjoy the music, treats and companionship. RCSC cardholders and escorted guests are welcome. Call 507-213-6141

Choraliers are an accomplished SATB choir singing a variety of music from classical to jazz. Join them as they prepare for concerts & perform at social functions, churches, healthcare facilities & retirement communities; up to 20 concerts each year including some public concerts each season. Rehearsals are Mon 8:30-11am in 2nd floor Fairway music room. Stop in & listen to our rehearsals to see if Choraliers is right for you. FMI visit www.suncitychoraliers.com.

Planning to Take Children to the Pool? Don't Forget!

Proof of age for 4 and 5 year olds (birth certificate or passport) is required

for access to swimming pools. Photo copies or electronic images are acceptable.

Handbell Ringers of Sun City

Handbells are most commonly associated with church music, but the Handbell Ringers of Sun City take it to a whole new level, playing a wide variety of music to entertain, including Broadway show tunes, swing, calypso, oldies, classical. They perform two concerts a year, one in the spring and another at Christmas time. The club celebrated its 50th anniversary last year. The ringers come from a wide variety of musical and non-musical backgrounds; from accounting to child rearing, from a small business owner, to music teachers, choir directors, ministers, an airline stewardess, the military, medical fields and many more. All share a love for the uniqueness of handbell music. This year a smaller group of ringers was organized to meet a need for small group entertainment. Ramblin' Ringers is a 6 on 12 ensemble; six ringers, on twelve bells. Their goal is to bring a fun interactive program to retirement centers, club parties, social and church gatherings. Because the group is small, they are able to accommodate smaller venues with their 'up close and personal style' programs. Handbell Ringers of Sun City is open to RCSC Cardholders and invited guests. The 22 to 26 member choir rehearses at the Fairway Recreation Center on Fridays from 9 - 11:30am. Their season runs from September through April. For more information contact: Doreen Chereb, President, at doreenc4488@gmail.com.

Sun City Womens Chorus

After a successful year, the Sun City Women's Chorus is on hiatus, resuming their practice Thursday, September 5th, 8:45-11am. The Chorus will still be under the direction of well-known musician Jane Higgs. Any Sun City woman with a valid RCSC card who loves singing four part harmony, is welcome to join. Rehearsals are in Fairway Music Room. For more information call Diane at 602-918-0919.

Tips from Get Fit for Life -

Bouncing Back After Injury

Have you been spending time at the gym, feeling good, staying committed, when the unthinkable happens: you get injured? "Whether you're a seasoned exerciser or a beginner, injuries are tough," states Jane Fortier, fitness specialist for Get Fit for Life. "It's difficult to stay motivated when doctor's orders (or just your own pain level) keep you from the activities you enjoy. Whether you're out for six days, six weeks, six months or longer, emotions run high. It's normal to experience feelings of anger, frustration and sadness - you can't do what you once did. You might spend time thinking about how it could have been prevented, or asking "Why me?" But after the pity-party, it's time to pick yourself up, refocus and create a new plan. Attitude is everything. The following suggestions may be helpful."

Bouncing back from an exercise injury can be a long and lonely road. A Personal Trainer can develop a safe and effective workout routine that will help you improve the integrity of the injured area.

- Set a goal for recovery. Put today's efforts into rehabbing the injury. Don't dread the exercises that will help you recover, view them as your next physical challenge. Put as much effort into them as you did your regular exercise routine.
- Get creative. If the doctor restricts your old activities, find new ones that are more body-friendly. Chair workouts, water movements, isometric exercises might be options. Listen to your body. Don't push through pain. Experiment to find pain-free activities.
- Keep things in perspective. Although working-out is important, it's just one small part of your life. Feeling down—and staying down—won't change the current situation. Look for other, non-physical ways to challenge yourself. Use your recovery time as an opportunity for personal growth in other areas of your life
- Track your progress. If things are moving slowly and you don't see much progress, record what's going-on. Develop a chart that tracks your gains in strength, things you're able to do this week that you couldn't do previously, increases in cardio endurance and other improvements.
- Remember what matters most, when it comes to weight loss. If losing or maintaining weight is one of your biggest reasons for exercising, never fear. Keep in mind that the majority of weight loss progress comes from diet, not exercise. Even if you can't exercise at all, you can still lose weight—or at least avoid gaining back the weight you've lost—if you consistently make healthy food choices and track your food intake on a daily basis.
- Stop dwelling in the past. Like it or not, you can't change the past. Don't dwell on how long you could use the elliptical or how much weight you could bench. Assess where you are right now and develop a plan to move forward toward new health and fitness goals. Don't let an injury dampen your attitude and define your success.
- Find a good support system. It's not always easy to deal with life's ups and downs alone. Friends and family cheer you on when things go well - allow them to pick you up when things are tough. The support of others, after an injury, could be just what you need to get motivated and begin again.

Get Fit for Life personal trainers are experts at helping active adults, who have experienced an injury, get back into an exercise program that is safe and effective. To find out more about personal training services, call 623-696-6820 or visit Get Fit for Life Sun City on Facebook.

LaTouch Wellness Massage Therapy Shares...

Reducing Chronic Pain with Massage

If you are experiencing chronic pain it may be treated with regularly scheduled massage sessions. If chronic pain persists even though the injury has healed, massage and additional therapies may be warranted. Pain signals can remain active in the nervous and muscular system for weeks, months, or years.

The physical effects include tense muscles, limited mobility, and a possible lack of energy. The emotional effects may include depression, anger, anxiety and fear of re-injury. Common chronic pain complaints may include low back pain, neck and shoulder pain, sciatic pain and arthritis pain.

When you are treating a chronic persistent condition with therapeutic massage, it is recommended to receive regularly scheduled massage frequently. The therapist will utilize therapeutic Swedish Massage techniques to determine how best to incorporate Deep Tissue Massage techniques into the session. Ultimately the goal is to gradually increase pressure so that Deep Tissue Massage focuses on realigning the deeper layer of muscles and connective tissue. Some of the same strokes utilized in Swedish Massage are implemented, but the movement is slower, and the pressure is deeper and concentrated on areas of tension and pain in order to reach the sub-layer of muscles and fascia (the connective tissue surrounding muscles).

In addition to focusing on the physical aspects of your chronic pain, some therapists may offer additional therapies such as Emotional Freedom Technique Tapping and Guided Imagery to release emotions that may be trapped in your muscles.

Medical facilities like Johns Hopkins and Cleveland Clinic have been incorporating guided imagery into their healing practices for years. The popular Dr. OZ has done shows on the effectiveness of Emotional Freedom Technique Tapping.

It's important to heal on a deeper level if we desire to experience longer lasting results. These services can typically be included in your massage sessions upon request.

Massage helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for you, call and schedule an appointment today!

Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.

Sun City Real Estate

Introducing The Weisser Choice Team – a Sun City premier real estate group. This well-known group has been a fixture in the Sun City market for the past 14 years and has closed over 300 residential transactions.

Buying a Home

If you're looking for a home in Sun City, you want Ken Weisser standing next to you while you look. He isn't trying to sell you a house. He is acting as an advisor to help you make the best investment you can. It's easy to see the great features of a property, but Weisser Choice Team will also give you a "heads up" on things that might be a potential "GOTCHA". You probably haven't lived in Sun City before, so they make it their duty to be upfront and honest with you about the neighborhood, traffic patterns, amenities, potential repairs they notice, etc. The entire team are experts on the area and view every home as if they were buying it themselves.

Selling a Home

Your house is great and when it's time to sell, you want others to know it. That's why you need a team that includes Cindie, an agent with over 20 years marketing experience who applies that knowledge to selling your home. This team doesn't just enter your details into the MLS and move on to the next one. That's what discount listing agents do. As an extension of you, Weisser Choice Team considers "winning" to be getting your house **SOLD FAST** with the **BEST PRICE** and the **LEAST AMOUNT OF DISRUPTION** for you. This means they are going to...

- ✓ Offer tips on presenting your home in the best light
- ✓ Ensure it has an enticing online presence
- ✓ Help price it exactly right for the market and condition
- ✓ Open the doors to the public frequently for viewing
- ✓ Advertise the home in relevant locations that are proven to get attention
- ✓ Promptly answer every phone call, text, and email that comes in regarding your property

Transaction Expertise

With more than 300 transactions under their belts, rest assured that every "i" will be dotted and every "t" will be crossed. Detail-oriented doesn't even begin to describe Charlotte Weisser, who has experience with virtually every type of transaction you can imagine. Short sale? Got it. Family trust estate? No problem. Out of state? Easy peasy. Your transaction will be so easy that you probably will never even realize if something unusual pops up. You can trust that it will be handled professionally and efficiently.

Uninterrupted Service

Every member of the team touches every transaction in some way. This means that if one person gets sick, or needs to take a beach vacation in Cancun, or is simply with a client and can't take an emergency call; one of the others can quickly step in and assist you. This means that if they have multiple houses listed at the same time, YOUR house will still have Open Houses and YOUR phone calls/texts will always be answered. This means somebody is ALWAYS available for you.

Give us a call. Send us an email. Pop in to one of our open houses.

We love to meet new folks and we love to share our knowledge.
