RCSC Elections

And the winners are....

Congratulations to Barbara Brehm, Michael Ege and Darla Akins who were recently elected to serve on the RCSC Board of Directors. Their 3-year terms become effective on January 1, 2020 Thank you for your willingness to serve the community.

Those who left the Board were 2019 Board President Jerry DeLano and Director Stella VanNess who completed their terms of service on December 31, 2019. Akins served on the board in 2019, filling the vacancy created by a resignation. Her election this year will be for a full 3-year term.

With only three candidate vying for three open positions, voter turn-out was extremely low compared to recent years, but each candidate received well over the minimum 100 votes required (518, 631 and 623 votes respectively).

Events & Entertainment Now at Sundial

In order to better serve RCSC Cardholders, the recently created Events & Entertainment Department has relocated to the Sundial Center in the West Hall of the Auditorium at the corner of 103rd Avenue and Boswell Blvd. In addition to ticket sales and event coordination, the office at Sundial will be responsible for any room reservations that are not RCSC Charter Club related (birthday and anniversary celebrations, memorial services, etc.) and for distributing member postings for community announcement boards. The new phone number for the Events & Entertainment Office is 623-561-4680.

The offices for Chartered Clubs staff remain at the current location on the lower level at Lakeview Center and they continue to use the phone number of 623-561-4660.

RCSC Cardholders:

Please keep the following in mind when using RCSC Facilities

While you're out and about enjoying all that RCSC has to offer, please be aware of the following items which require Cardholder attention when using any of the recreational facilities:

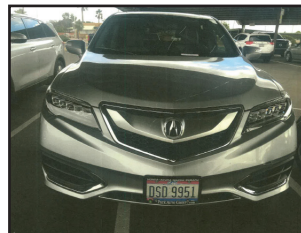

- All RCSC Cardholders are required to check in with their Member or Privilege Cards (key fobs accepted for entry to fitness, pools and spas only; not accepted concerts or free events).
- Neither Sun City AZ residents nor spouses of RCSC Cardholders are eligible to be guests. With proper documentation and if eligible, privilege cards may be purchased at the Cardholder Services Office at Lakeview Center in order to use the facilities.
- Host punch cards are purchased by and belong to the Cardholder, not the guest. Host punch cards can be purchased at RCSC Facility Attendant Stations (exact cash or check only), Cardholder Services at Lakeview and RCSC Bowling Centers.
- Guests should be prepared to show government-issued photo ID when checking in to use RCSC facilities.
- Proof of age for 4 and 5 year olds (birth certificate or passport) is required for access to swimming pools. Photo copies or electronic images are acceptable.
- Free concerts and events are paid for by RCSC Cardholders and are intended for RCSC Cardholders and their escorted guests only.
- Always be prepared to show your RCSC Member or Privilege card (with photo) when attending free concerts and

events. Key fobs are not accepted for entry.

- Immediately exit pools, spas if lightning is observed or thunder is heard.
- Household pets are NOT allowed at any RCSC facilities, including but not limited to buildings, golf courses, grounds, parking lots, except for dogs at the RCSC dog park, Best Friends Dog Club and/or dogs trained as service animals. Emotional support animals are not an exception.

Please refer to the RCSC Cardholder Guide and Board Policies for more information regarding these matters. Your continued cooperation is much appreciated!

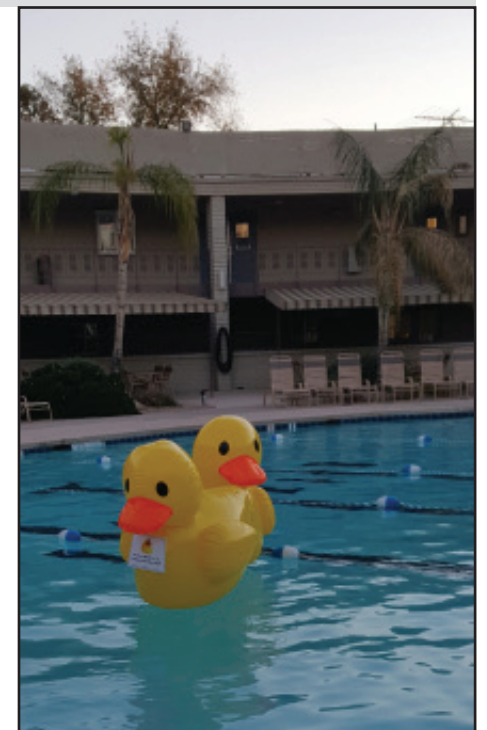

No matter what state you're from, while you're here in Sun City it is much appreciated if you would park in only one space (note the white line under car) and save these smaller spaces for golf carts - as designed.

Please be scent sensitive!
Overuse of scented body such as colognes, perfumes, after-shave lotions and the like can be extremely irritating and even caustic to others, especially those with respiratory issues. Perspiration and water from pools, spas can make matters even worse.

Many RCSC parking lots have one-way routes of travel and the posted speed limit of 5 MPH should be observed at all times. Your safety is our concern!

Size does matter! Per Board Policy 10, swimming pool gear, including floatation devices, may not extend more than 2 feet from the swimmer and must be within control of the swimmer at all times. Items not permitted, include but are not limited to, balls, Frisbees, rafts, water guns and any metallic items. Same goes for very, very large ducks!

Golf & Grounds Report

Pro Shops

On December 12 we will be hosting a fundraising tournament to raise money for our chosen 2019 charity, the Sun City Foundation. The format will be Beat the Pro(s), which will be Brian Duthu (PGA) and Chris Linam (Pro Shop Manager) and will be made up of two person teams. Teams that beat the scramble score of the Pros will equally share the prize pool. The entry fee will be \$40 and the event will be held at the South Golf Course. In addition to bragging rights for beating the pros, there will also be a chance at a Pebble Beach Vacation.

In addition to our charity event, RCSC Pro Shops are also selling Duck Bucks to raise funds for the Sun City Foundation. The purchase of a Duck Buck enters you in the Duck Race held on December 13 as part of the Sun City Holiday Celebration event held at the Lakeview Center. The ducks are released from the waterfall and race to the finish line. If your duck finishes in the top three, you win a share of the pot based on the number of ducks racing. There are two separate races held on December 13, don't be left without a duck in the race. In addition to the duck race there are other fun events held on the 13th, such as the pie walk, mini golf hole-in-one contest and money tree. The evening ends with the lighted boat parade.

We now have over 20 active Rangers participating in our Volunteer Ranger program and we thank them for their contribution. Anyone interested in learning more about the benefits of becoming a Ranger should contact Chris Linam (Pro Shop Manager) at 623-876-8419 or email at clinam@suncityaz.org.

Snack Shops

Snack Shops are now operating under winter hour and remain open until 5pm except in rare cases of significant weather. We respectfully remind everyone that all food and beverage consumed in the snack shops or adjacent patios must have been purchased through the snack shops.

Golf Courses

The courses that began overseeding on October 21 (South, Quail, Lakes East and Willowcreek) experienced slow germination at the beginning due mainly to the high winds. The cold temperatures that accompanied the winds also hampered the germination. The subsequent warm weather and the additional week of closure have proven beneficial with good germination on these courses. Areas that have been identified as weak have had additional seed added.

As play increases so does the stress on our courses. We remind all golfers that we all have a responsibility to keep our courses in good condition. Golfers assist by filling their divots, raking sand traps, replacing rakes in bunkers parallel to play and repairing ball marks. During times of cart path restrictions please remember to take your sand bottle to the fairway.

Lawn Bowl and Grounds

The 2019 US Lawn Bowl Open ended on November 9. A total of 340 bowlers from 10 different countries participated in the event. Sun City AZ residents represented well in the event. Below are the residents who were on teams that placed in the top for places of the Championship Flight.

Women's Fours: 1st – Donna Law, Ann Sherman, Sharon Perry; 2nd – Jean Roney, Rosalie Parsons-Brown, Sue Roth; 3rd – Mary Wright
Women's Pairs: 2nd – Jean Roney; 3rd – Alice Birkinshaw
Women's Singles: 1st – Mary Wright; 3rd – Lorraine Hitchcock
Women's Bowler of the Tournament: Mary Wright
Men's Singles: 4th – Mike Wagner

The Grounds department has settled into their normal winter maintenance routine at all Centers. Weak areas of overseed have had additional seed spread and are responding.

Register now for upcoming sessions of the "Get Golf Ready" program.

\$99 includes 4 group lessons, with the 5th lesson being a round of golf. Lessons held at Willowcreek/Willowbrook Golf Course (unless otherwise noted**). There are a variety of days and times, so pick the class that best fits your schedule. Sessions are limited to 8 students for each group, so be sure to sign up early!

*Tips from a Pro***Replacing Old Habits with New Ones!**

Most people want instant results when they make a change in their golf swing. Whether you are working on a new pre-shot routine, a different grip, or something more difficult such as weight shift.... making a change takes time and patience.

Even though we've all heard the adage about "breaking" a bad habit, that is actually a misconception. Habits cannot be "broken", they can only be replaced with new habits!

Here are the five easiest ways to help you replace your old habits with new ones:

1. Practice. This means spending some time either on the practice range or at home repeating what it is you're trying to achieve. The more you practice the sooner the change happens. (Don't forget playing golf doesn't count as practice!)
2. Make practice perfect. Have you heard the saying practice makes perfect? Well I believe that only perfect practice makes perfect! If you are practicing it over incorrectly you aren't getting anywhere! Depending on what you're working on, practicing it correctly may be easier without a ball. Sometimes making practice swings just using a tee is the easiest way to learn to make the correct swing.
3. When you play, just play. Save the thinking for practice sessions. If you don't see results when you play you need more practice.
4. Be patient with yourself. Don't expect miracles. Give yourself time and if you're practicing consistently and correctly you should start seeing results.
5. Think positive. You can be your biggest ally or your biggest enemy! Use your brain to help your game by visualizing what you want instead of what you don't want!

Robin Eichten has been teaching golf professionally since 1987 and is an LPGA Life Member and Certified Teacher. Lessons are available by appointment. For lesson info or sign up call/text Robin at 623-322-6300 or email at golfinwithrobin@aol.com.

WELCOME GOLFERS

PLEASE REPAIR ALL BALL MARKS WITH THE TOOLS PROVIDED.
USE ONLY THE APPROVED REPAIR METHOD SHOWN TO HELP
MAINTAIN OUR GREENS AND INCREASE YOUR ENJOYMENT.

DO NOT TWIST OR LIFT SOIL

Only YOU can prevent ball mark damage!

RIGHT!

- 1) Close the gap/hole with putter by patting down the ball mark.
- 2) Insert *Green-Save* tool on the high side behind ball mark and push the back toward the center.
- 3) Do not pull up, twist or lift with the tool.
- 4) Push both sides of the ball mark into the center.
- 5) Gently tap the surface down with putter.
- 6) Never use loosened turf for repair.

**WRONG!**

Pulling up or lifting on the center or the sides will tear the roots and result in brown spots taking weeks for the surface to heal.

Do not pull up or twist with tool. This will only bring sand to the surface and tear the root system

**RIGHT!**

Insert tool and push back and sides forward to center.
No damage to root system. Healing starts immediately.

**YOUR REPAIR EFFORT USING THE CORRECT METHOD ELIMINATES
BROWN SPOTS AND PROMOTES GRASS GROWTH!**

Thank you for using the repair tools provided and especially for using the correct ball mark repair method. Enjoy your round and help us improve everyone's putting experience.

**Attention: Golf Course Property Owners
Did you know?**

All contractors needing to access private properties via RCSC Golf Courses MUST place a \$200 deposit at the Cardholder Services Office (Cash, Check, Cashier's Check or Money Order) prior to the start of any project. This money will be returned once the Golf Course Superintendent determines that no damage has occurred. Your attention to this matter is greatly appreciated!

PING®

A Moment with President DeLano

Resolve to Get Involved in 2020

With the completion of my term at the end of 2019, I would like to think that I've steered the RCSC Board of Directors through the infancy of opening meetings and that those taking the helm will continue to sail forward, working with Management and Members as we streamline and refine this process while staying the course.

With perseverance and patience, we can and are changing the future of Sun City AZ. However, there is a large piece of this puzzle that remains missing.

As we embark on a new year, a new decade and a new Board of Directors come 2020, I would like to propose that we all join together as we forge our journey into the future by resolving to become more involved.

While the face of volunteerism in Sun City AZ morphs in the upcoming years as new generations take our place, the need to help keep the ship heading in the right direction is up to you.

Along with the outstanding amenities and exceptional value we enjoy here every day comes the responsibility to help out and become a part of the solution.

Here are just a few ways you can challenge yourself to become more involved – and more knowledgeable – in the community organizations, committees and causes that could always use more help:

First of all, attend meetings. Start to learn the process and how you can give your thoughts and input on a variety of issues.

Join a committee. Something must be of interest to you. RCSC currently has ten committees, all of which would love to have new members.

Get more involved in your passions. If you're a golfer, learn more about the volunteer ranger program and help to keep RCSC courses "on par" for both current and future residents.

Do you consider yourself a wealth of information about Sun City AZ? Consider offering to volunteer at the Sun City Visitors Center or the Del Webb Sun Cities Museum.

If you're already involved in club activities, do your part and give a hand when help is needed. Not everyone wishes to be a Club Officer, but there are plenty of other jobs that need to be done throughout the year. And if we all pitch in, things get done much quicker.

Churches of every denomination, food banks and shelters, local schools, libraries and hospitals could all use a few hours of assistance each week.

Resolve to get involved in 2020. You'll feel much better – and that's a promise.

Jerry DeLano
2019 RCSC Board President

2020 RCSC Board of Directors

Management Report

Financial Report

The Recreation Centers of Sun City, Inc. (RCSC) has ended October 2019 within its operating and capital budget year to date. All Divisions have met or exceeded their net operating budget projections year to date with overall income \$118k (1%) favorable to budget and operating expenses \$666k (4%) favorable to budget. Income favorability is driven by higher than budgeted Property Assessment income in the Building and Infrastructure Division. Operating expense favorability is primarily driven by lower payroll expense across multiple divisions as well as lower utility expense in the Golf Division. Year to date operating excess without projects favorability is \$719k (30%) favorable to budget. In the month of October RCSC has exceeded budgeted income by \$48k (3%). Operating expenses were slightly unfavorable to budget in October by \$3k (<1%). RCSC Net Operating Excess ended the month of October \$50k (25%) favorable to budget.

Project Updates

Bell Center

Library Book Drop

The return boxes continue to be open for use. The completion of the lighting modifications has been bumped in priority and is still pending. The costs of this project are to be reimbursed by the Friends of the Library. Contractor: Regional Paving, Accel Electric, Kingsley Equipment (Cost \$67,403)

Bell Electrical Outage

The custom A frame extractor pulley was built and the damaged cable was pulled from the conduit on 10/29/19. The conduit was then camera scoped to

identify damage. There are multiple resources in the process of repair design and review including the electrical contractor, forensic electrical engineer and insurance adjuster. Each of these resources is a necessary part in the resolution process and while the additional review can extend the downtime they ensure that the repair solution is designed properly. The time for repair has been updated to be approximately 12/16/19 which is approximately 4 weeks longer than the original 6 week estimate. This is a projected timeframe and dependent upon multiple factors, inclusive of permit review and approval.

Grand Center

- Demo of all site items outside of the building has been completed. The demo of the interior slab has taken longer than anticipated due to areas of the slab being thicker than the projected 4" with some areas being up to 16" thick. Upon removal of the roof, a previously unidentified original roofing system was found to have been left in place and roofed over. The demo of this additional roofing system will add to the demo timeline. Footings for the exterior building additions are being set with concrete scheduled for installation on 11/15/19.
- The demo of the roadway, sidewalk and curbing for the new deceleration lane have been completed and progress is on track for completion of this work by Christmas.
- Time has been set with the Vintage Vehicle Club on 11/21/19 to finalize the space layout within the assigned space. This is the most critical input needed to finalize the plans for the second building.

Lakeview Center

Upper Restroom Remodel

This work is progressing. Exterior door changes have been completed. Wall and floor tile have been installed. The ceiling grid, lighting, HVAC connections have all been completed with above grid inspections passed. Pending are final ceiling, fixture, partition, countertop, and mirror installations and painting. This project is currently on schedule for completion the first week in December. Contractor: KAW Construction (Cost \$130,000)

Marinette Center

Pool Deck Replacement

This project started on 11/11/19. The deck areas have been prepared. The removal of tiles in the outdoor shower area is taking longer to complete with work being done in other areas while this demo is completed. The pool coping edge was completed on 11/13/19 with the deck installation starting on 11/14/19. This project is currently on schedule to be completed during the identified closure period. This project will include the preparation of the delaminating areas of the current deck and the installation of a rubber decking material throughout the pool, spa and shower areas. Project Updates

(continued from previous page)

usage of this facility this work will be completed from 11/11/19-11/27/19 with the pool area reopening for the Thanksgiving holiday weekend. Contractor: Rubaroc USA Inc. (Cost \$125,328)

- **Pool Filter Replacement**

Work began on 11/11/19. The old filters have been removed and new filters placed in the pump room. Pipe connections were started on 11/12/19 and progressing. The work is on schedule and expected to be completed within the identified closure period. The replacement of the pool filters is scheduled for completion during the pool area closure from 11/11/19-11/27/19. Contractor: Exceptional Water Systems, Osiris Pools (Cost \$31,261)

- **Spa Filter Replacement**

Work began on 11/13/19. The old filters have been removed and new filters placed in the pump room. Pipe connections will start by 11/15/19. The work is on schedule and expected to be completed within the identified closure period. The replacement of the spa filters is scheduled for completion during the pool area closure from 11/11/19-11/27/19. Contractor: Exceptional Water Systems, Osiris Pools (Cost \$20,600)

- **Pickleball Pavilion Control Joint Repairs**

This work is complete, and the pavilion reopened on 11/8/19. An additional day of closure was required for the caulking to cure based upon the weather during this week. The crack in the East/West post tension slab control joint is scheduled for repair from 11/5/19-11/7/19. The caulking material in the following locations is deteriorating and will be replaced during this same timeframe: North/South joint inside the pavilion, East/West joint at the north end of the pavilion, and the North/South joint in the north outside courts. Contractor: Elite Sports Builders (Cost \$3,866)

- **Walking Track Repair**

This repair work is complete and the track opened for cardholder use on 11/13/19. The weather identified some additional areas for repair that resulted in extended closure time to complete the repairs. The lane striping is pending but the track has been opened and will be close again briefly to complete the lane striping in the coming weeks. The bubbling on the walking track at Marinette has been worsening this year. Moisture has been determined to be under the non-permeable track material and causing this problem. Approximately 100 linear feet of the track material on the north end of the track will be removed, the concrete slab cleaned, and a replacement permeable track material installed. The use of a permeable material is expected to allow any moisture to evaporate and not cause the problems that have been experienced. The removal of the existing track material is scheduled for 10/25/19 and 10/28/19 with the new track material to be installed from 11/1/2019 through 11/8/2019, inclusive of curing time. Striping will be completed later due to unavailability of that resource at this time. Spot repairs of areas outside of this section being replaced will be completed with the same permeable track material currently installed as the spot repairs cannot be completed with the different material. Contractor: Elite Sports Builders (Cost \$19,995)

Mountain View Center

- The following reports and surveys have been completed for the planning tasks for the renovation of Mountain View Center: title report to show property encumbrances and easements, topographical survey data, and soils testing/report.
- No tasks for included amenities or site/building design have been completed.

Sundial Center

- **East Parking Lot Lighting Improvements**

No change on this project. The scheduling of this project has been pushed back due to the priority of other work. This is still projected to be completed by the end of the year. Additional lighting is being added to the solar canopies on the east side of the center to provide better night time illumination adjacent to the building. Similar fixtures have been added to other centers and provided the desired lighting improvements. Contractor: Accel Electric (Cost \$7,667)

- **Events & Entertainment Office**

Initial demo, framing, electrical and low voltage cabling has been completed. Pending are drywall repair, texture, paint, flooring, lighting and furniture. Working to meet the projected move of the Events & Entertainment office to this space the week of Thanksgiving. Contractor: RCSC Skilled Trades, Exquisite Painting, Accel Electric, DataLink (Cost \$30,000)

- **Storefront Door Repair**

The storefront doors to the auditorium and club areas have been problematic and

difficult to secure. Repairs have started to correct the operations and security of these doors. Repairs will be scheduled around events and projected to be completed by early December. Contractor: Quality Lock & Key (Cost \$23,991)

- **South Pro Shop**

Completed during overseeding were: parking lot asphalt and striping, patio counter, and interior pendant lighting. The exterior signage is still in the fabrication period and will be scheduled for installation when completed. Contractors: Regional Paving, Bootz & Duke Signs, RCSC Skilled Trades (Cost \$52,915)

New Issues:

- **Fairway Rec Center – # 01**

No Weekly, Monthly, or Yearly History, 10/28/19. RCSC B&I staff reset and replaced battery. 10/31/19. Issue Resolved.

- **Lakeview Lanes – # 11**

Inverter has an E18 error code 10/19/19. RCSC B&I staff reset and changed battery 10/21/19. Issue Resolved.

- **WB/WC Maintenance – # 15**

No Weekly, Monthly, or Yearly History, 10/26/19. RCSC B&I reset staff and replaced battery 10/31/19. Issue Resolved.

Issues Resolved:

- **Quail Run Maintenance – # 11**

Inverter is down (Error IGBT not reaE034) 8/8/19. Inverter was replaced under warranty 10/31/19. Issue Resolved.

Open Issues:

- **Oakmont Rec Center – # 01/02/03/04/05/06**

The inverters at Oakmont Center are not reporting production data. This has been an outstanding issue since July 2018. The production meter shows overall production data for the site but the individual inverters are not reporting production to the AlsoEnergy aggregation reporting site. The AlsoEnergy data logger failed and was the first component replaced. An AlsoEnergy Tier 2 engineer was brought onsite after additional efforts to restore communications were unsuccessful. This resource identified failed communications cards on the inverters that was causing the communication problems. After replacing the communication card in one inverter communications remained down. Troubleshooting steps to bypass communication cables also were unsuccessful. The lack of production data affects the overall solar production reporting.

- **Lakeview Rear – # 01/02/03/04**

Similar to the Oakmont site the inverters at the Lakeview Rear site stopped communicating with the AlsoEnergy data logger and thus the AlsoEnergy aggregation reporting site. The Lakeview Rear inverters are Fronius models similar to Oakmont Center with these two sites being the only Fronius inverters in the RCSC Solar environment. Fronius inverters were installed instead of the PowerOne/ABB due to having single phase rather than a three-phase power source.

- **Lakeview Lanes – # 01/02/03/04/05/06/07/08/09**

Production results significantly lower than expected for this group of inverters. Four of the replacement SMA inverters were installed at this location and the production output was similar to the PowerOne/ABB models removed. DC voltages from the solar panels were field tested and did not indicate significant under supply of voltages. Additional investigation needed on these inverters to identify a cause of the under production and if preventative maintenance tasks positively affect performance.

Production Data:

The lack of data from the Fronius inverters above negatively affect the overall tracked production data.

The data elements used in the comparison of actual production data to estimated or expected production are being reviewed with AlsoEnergy. There are concerns that the comparison data element being used does not accurately reflect actual weather data resulting in the analysis being off, or more negatively reported than actual. This has not yet been confirmed.

Preventative Maintenance:

Analysis of the preventative maintenance proposals has been completed and RCSC will be selecting Kortman Electric to complete preventative maintenance tasks as well as ongoing technical support and repairs. Preventative maintenance tasks will be done on an annual basis with an additional lighter semi-annual onsite review of each inverter. The cost of the twice per year preventative maintenance work is \$18,000. Repairs required will be an additional expense. Upon executing the agreement, the work will begin and is estimated to take 3-4 weeks to complete all sites. Additionally, Kortman Electric will begin review of the Fronius inverters at Oakmont Center and Lakeview Rear to get these inverters communicating with AlsoEnergy.

Water Conservation

Resolve to Save Water in 2020

Start 2020 out the right way by saving water and money inside and outside your home. Resolve to save water and do at least one thing each day. Even if savings are small, every drop counts. Here are some basic things every household can do to save water.

IN THE KITCHEN

- When washing dishes by hand, don't let the water run while rinsing. Fill one sink with wash water and the other with rinse water.
- Keep a pitcher of water in the refrigerator instead of running the tap for cold drinks, so that every drop goes down you, not the drain.
- Collect the water you use for rinsing produce and reuse it to water houseplants.
- Wash your produce in the sink or a pan that is partially filled with water instead of running water from the tap.
- Designate one glass for your drinking water each day, or refill a water bottle to cut down on the number of glasses to wash.

AROUND THE HOUSE

- Run your washing machine and dishwasher only when they are full and you could save 1,000 gallons a month.
- Install water-saving aerators on all of your faucets.
- One drip every second adds up to five gallons per day. Check your faucets and showerheads for leaks.
- When doing laundry, match the water level to the size of the load.

IN THE BATHROOM

- Make sure faucets are turned off tightly after each use.
- Turn off the water while you brush your teeth and save four gallons a minute.
- Use a WaterSense® labeled showerhead.
- Replace your old toilet. If your toilet was installed before 1992, purchasing an updated WaterSense® labeled toilet can reduce the amount of water used for each flush.
- At home or while staying in a hotel, reuse your towels.

Sun City Gives Back

Artistic Weavers & Fiber Artists Help Fellow Seniors with Hats & More

During the past two years the Artistic Weavers and Fiber Artists Club has donated over 90 hand-made hats and scarves, as well as oodles of warm socks, to Justa Center located at 10th Avenue and Jefferson Street in Phoenix.

There are an estimated 14,000, 55 years and older seniors who are homeless. They often fall between the requirements needed to qualify for assistance, have very limited resources or just need help in finding the right agencies to meet their needs. The Justa Center Board and Leadership Team is a group of dedicated service leaders who work together to change the lives of these seniors.

Along with our gifts of handmade items, the club has also donated six car loads of food, personal hygiene and household items to Justa Center for those seniors who have been placed in housing, or receive help in supplementing their limited resources through Justa Center's efforts. The AWFA Club members will continue making donations to such a worthy cause and we encourage other Sun City seniors to add their support. What a great way that Sun City Gives Back!

NextGen Receives Special Thanks from AZ National Guard

Last December, NextGen Club of Sun City collected items and sent 11 'care' boxes to AZ National Guard troops deployed to Afghanistan. AZ Guard thanked NextGen by presenting a certificate and a flag that was flown in Afghanistan in honor of the Club's contribution. Pictured are Tom Watts, NextGen member, Terry Watts, NextGen President and Captain Jonathan A. Gonzales of the AZ National Guard.

Illinois Club

The Illinois Club of Sun City welcomes all RCSC Cardholders to join our club. Our members range from 60 to 95 years young and we all have one thing in common: We love to have fun! This past year we enjoyed a variety of activities including ethnic dining, Paint Night, Team Trivia, an Escape Room, a Mini Golf Tournament, Luke Air Force Base Tour, Lake Pleasant Cruise, Turf Paradise and Theater Works. We also had two cookouts, one of which included a Drum Circle. The Drum Circle was so much fun that we decided to partner with Drum Arizona. The Illinois Club has donated money to buy Native American Drum kits and members have made and painted many drums which have been presented by Drum Arizona to children in foster care.

In January, the club will celebrate its 2nd anniversary. And we'll be having a party of course. We will also continue to have monthly activities. Already planned is another tour to Luke Air Force Base, a trip to see "Anything Goes" at Theater Works and an April Cookout. We will be adding activities each month, so come and join us.

We meet monthly at 6:30pm on the 4th Thursday in Fairway Arizona Room #3. Our meetings are fun and after taking care of business, we have Illinois Trivia, a 50/50 Raffle, light refreshments and play some card and board games. This past year we also had an Ice Cream Social and a Pizza and Bingo party.

Dues are \$5.00 a year. For more information, please contact Barbara at bjplona@yahoo.com or 623-875-5376.

Lakeview Woodworking Club

*It was the week after Christmas and all thru the Shop,
Woodworkers were Busy, scurrying about.
Being Mindful of all our Fingers and Toes, Guys and Gals alike,
Pick up their Hammers, Saws and Froes.
With Wits a Plenty our Imaginations Abound,
We're off to Create New Things for the 2020 Round.*

The most important Message to Give after all,
of Peace and Understanding, of Love and Hope.
And to give Thanks for all the Blessings that God has Bestowed.*

*We Bid you to Join us and Partake in the Fun,
Be it Scrolling, Lathe work, Hammer or Saw.
We're here 3-4 the days of the week, 3-12 on Sat.

Remember to have Patience and Compassion for Family and Friends
and "Happy New Year to All, and to All Have a Great Year"*

Sun City Ballroom Dance

Sun City Ballroom Dance invites you to get out of your old routine and experience things of your youth, make friends and get some exercise on Sunday evenings at Bell Center from 7 to 9:30pm.

Listening to music is very relaxing; mix that with good conversation, an easy dance and the experience can be a perfect way to brighten your day. The music includes familiar waltz, foxtrot, night club two step, swing, rumba, cha-cha and tango; you can request other styles including line dances as well.

Participation is easy and there are special events scheduled throughout the year to help celebrate the holiday or season with appropriate decorations, food and costume. You are permitted to bring any refreshments or snacks which best suit your needs. The Bell Center social hall dance is situated down the covered path between the library and the Visitor Center. It is spacious with light colored floating wood floors. The seating is arranged so you can sit alone with someone special or at tables spread around the room with seating for four on each side or lined up end to end for larger parties. Everyone is near the music but you can locate for best listening; everyone has a view of the dancers to see and pick up on interesting maneuvers.

Club membership/participation is open to all RCSC Cardholders and guests. Annual membership is \$3 per person. Cost per dance is \$5 for members and \$8 for guests which includes a half-hour dance lesson at no extra charge.

Sun City Ballroom Dance also offers group lessons on Monday and Thursday evenings. For more information, please call Simone (602-292-3175), Julie (623-533-6236) or Arlene (623-214-0594) or visit www.suncityballroomdanceclub.com.

Friendship Quilters & Fabric Artists

The mission of Friendship Quilters and Fabric Artists is to enable each member to further develop their skills, knowledge and talent through the shared camaraderie and support offered in a harmonious atmosphere. We are a group dedicated to stretching our imaginations beyond the quilting boundaries of our predecessors and have fun too!

Our activities include Annual Quilt Camp and a great New Year Party. Our more advanced members share their expertise by teaching various quilt techniques. Our fun Committee plans monthly social activities that include Show & Tell, Birthday celebrations, Pot Lucks, Tea Parties etc.

We also enjoy doing Charity works for various women and children charities using donated fabrics. Our club supplies sewing machines, quilter machines and all supplies needed for fabric artistry.

We are located in the Bell Craft Village quilting room. Information brochures can be picked up at the Bell Visitors Center or come and visit. Our hours are: Monday 9am to 8pm; Wednesday 9am to 8pm; Saturday 9am to 3pm. Annual dues are \$10. Membership/participation is open to all RCSC Cardholders. If you have any questions, please stop by during our activity hours. We would love to show you around.

Lakeview Outdoor Shuffleboard

Looking for some outdoor fun? Come join us at the Lakeview Outdoor Shuffleboard Courts. The courts are located by the lawn bowl courts and golf car parking north-west of the center.

The ends of the courts are shaded. All equipment is furnished and you may dress casually. Don't know how to play? Free lessons are offered. All RCSC Cardholders are eligible to join. Annual dues are \$5 per person. Play is held Monday, Wednesday and Friday from 1:30pm (arrive by 1:15) until approximately 3:15pm. Wednesdays are the challenging day as we play with a bowling pin on each end of the court. Knock one down and lose 10 points!

The club holds several parties each year: bean bag competition, lunch election get together in November, Christmas party, and monthly dinner at nearby restaurant.

For more information, please call Tom 623-688-6026 or Deb 262-930-7500. Come join us in a fun time of play and laughs.

Ukulele Club of Sun City

Are you a good musician? Come join the Ukulele Club. Are you a struggling musician but love it anyway? Come join the Ukulele Club. If you have never had any musical experience, but want to start and have fun? Come join the Ukulele Club. We welcome all RCSC cardholders, regardless of musical skills.

Interested but don't have a ukulele? The club has purchased several ukuleles and given them to the libraries at Fairway and Bell Rec Centers. You can check them out like you would a book. If they are all checked out, we will loan you one to use at the club.

Sounds good but you don't know how to play ukulele? We give FREE lessons twice a month, on the first and third Thursdays at 1:30pm in the Fairway Music Room.

We "jam" every Thursday from 3 to 4:30pm in the Music Room of the Fairway Recreation Center. Our songs are displayed on a large screen and a different member of the club leads each week.

We host several ukulele professionals every year who teach workshops and give concerts just for the club. The entire club performs, as we did at the recent Fall Arts and Crafts Festival, as well as for many other organizations and clubs.

Frankly, it's just a lot of fun. The members are friendly and we welcome all who want to join us. For more information, contact our president, Trudy Bryson at 480-276-3780.

Sun City Wood Carvers Club

The Sun City Wood Carvers Club was formed in April 2006 and has historically enjoyed a membership of 50 to 70 members every year since. This is definitely the club where members have fun! Nobody tells you what to carve, you decide!

We have accomplished carvers and beginners, both male and female, and every member is happy to give you guidance when you need it.

Carvers meet every Thursday and Saturday from 8am to noon in Lakeview Social Hall #3. Wood, tools, library and instruction are available. Classes on carving, wood burning, gourd decoration, tool sharpening and safety are offered.

Members will quickly graduate from "whittler" to an accomplished carver as they learn about different woods, grains, knives, burning and sharpening techniques, tools and "tricks of the trade."

The club participates in the annual Sun City Arts & Crafts Festival, where members regularly sell several hundred dollars' worth of quality wood carvings to help support the club. All RCSC Cardholders are eligible and welcome to join. Dues are \$5 per year; coffee and cookies are provided during out meeting sessions.

For more information, please contact George Pongracz at 623-388-3051 or stop by and pay us a visit any Thursday or Sunday morning.

Can the boys pull off a rip-roaring revival and make it out of town with cash in their pockets, or will the mid-hymn arrival of a misfortunate stranger change Buddy and Alvo's outlooks for good?

Tips from Get Fit for Life -

Weight Loss Requires Resiliency

Part 3 of a 3-Part Series

"There are a lot of personal strengths that are helpful for achieving permanent weight loss: determination, perseverance, self-discipline, even organizational skills. One strength that is a definite MUST is resiliency," states Jane Fortier, senior fitness specialist. "Resiliency is the ability to recover emotionally and physically from the setbacks, disappointments and problems of ordinary life. Resiliency reflects a reserve capacity that helps 1) prepare for future adversity and 2) enables change and continued personal growth. Resiliency helps us bounce back from life's adversities and difficulties within a reasonable time frame. It keeps us flexible and able to adapt to difficult circumstances. When we are resilient, we stand up again after falling down, evaluate our mistakes, learn from those mistakes, and keep trying - even if we have to change directions. When working toward a goal that's meaningful, we don't give up! Fostering a resilient mindset is vital for permanent weight loss."

Weight loss is never a straight path. You might lose three pounds one week, and be up one the next. You stick to a healthy diet throughout the holiday season, and then adversity hits. You console yourself by eating a daily dose of ice cream. You were exercising consistently five times a week, then the 3-week vacation started, and the gym was history. You are now in a slump and struggling - the scale shows it. At some point, you come to your senses. "I've done it before and I can do this again!" And, you start the weight loss process again - that's resiliency! Dealing with and accepting disappointment when the scale isn't moving fast enough is important. The resilient individual will re-evaluate what's been going on, try a different approach, and keep moving forward. Anyone can strengthen their ability to be resilient in their journey of weight loss—and in their journey of life.

The following are tips to build Resiliency:

1. Face difficult situations head on. Challenges with eating healthy will arise all the time: social gatherings; celebrations; company; meals at a restaurant. Be proactive rather than reactive. Plan how you will handle each challenge, before it takes place.
2. Believe in your own inner strengths. Take time to remind yourself of past successes in other challenging areas of your life. Identify the strengths you used then, and apply those strengths to your weight loss journey.
3. Reframe your thinking. Tell yourself that setbacks are temporary, not permanent. Focus on what is still working, rather than the area where you lapsed. Remind yourself of all the things you did well before that small setback.
4. Talk back to your inner critic. Despite a difficult week, it doesn't mean you are a failure, and all is lost. It only means you had a difficult week, and you have the opportunity to do better in the upcoming one.
5. Try to learn from your setbacks. Mistakes and slip-ups aren't failures; they are learning experiences. Gather data to help you move forward in the future and avoid a similar issue. Treat them as learning opportunities.
6. Find a cheerleader. When it comes to weight loss, having just one supportive, significant person in your life is essential. Whether it's a coach, your trainer, spouse or best friend—hearing from, and receiving encouragement from someone who believes in you will help you achieve your goals and strengthen your resiliency.

If you need help on your weight loss journey, as the New Year unfolds, a Get Fit for Life personal trainer would be happy to accommodate. We design exercise programs that fit individual needs. Call 623-696-6820 for information.

LaTouch Wellness Massage Therapy Shares...

A Wellness Resolution

Wellness resolutions are usually made around the first of the year. This is one of the best commitments we can make to ourselves. Committing to consistent regularly scheduled Massage Therapy is an easy and effortless way to take your health into your own hands. We are all going to experience stress in our lives, one of the best things we can do is to reduce and manage that stress. Finding balance and learning to observe and control our emotions can impact our lives positively.

Why not start the year off on a good note? A therapeutic massage offers safe and nurturing human contact. The massage therapist is trained to offer empathy and emotional support allowing you the opportunity to express negative emotions. These negative emotions may manifest themselves in the body, showing up as headaches, chest pain, back pain, neck and shoulder tension as well as insomnia.

Healing body, mind and spirit is an excellent New Year's resolution! Find a massage therapist who can assist you in reducing stress in the body, helping to ease emotional tension and allowing the spirit to soar!

Massage helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for you, call and schedule an appointment today!

Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
