## “Grand” New Property (First Phase) Opens in July

By mid-June, the Grand Center property was nearing completion with an opening date scheduled for early July. Assistant General Manager Chris Herring (second from left) took time to escort (left to right) RCSC Board Vice President Dale Lehrer, Treasurer Sue Wilson and President Dan Schroeder through the renovated space that once housed Furr's Cafeteria and China Buffet restaurants. Read President Schroeder's Commentary about the project starting on Page 7.

## RCSC Offices Closed in Observance of Independence Day

All RCSC Offices at Lakeview Center (Corporate, Human Resources, Cardholder Services and Chartered Clubs), will be closed on Monday, July 6, 2020 in observance of Independence Day. The Events & Entertainment Office at SWundial and the Sun City AZ Visitors Center at Bell are currently closed and will remain closed until Phase Three of the re-opening plan (date to be announced).

Cardholder Services will also be closed on the first Saturday (July 4) due to the holiday but will be open on Saturday, July 11 from 9am to noon for those needing weekend service.

All Recreation Centers (fitness, pools, spas) and Sun City AZ Golf Courses will be open over the Independence Day weekend with normal operating hours for Cardholder use.

Summer hours are in effect at Mountain View, Oakmont and Lakeview through Labor Day (Monday, September 7). The hours at these three centers for the summer are Sundays from 8am to 7pm; Monday through Saturday from 6am to 8pm. Hours at all other RCSC recreation centers remain the same throughout the year.

*NOTE: The annual “Ring That Bell” 4th of July celebration is cancelled due to pandemic/physical distancing restrictions.*

A new mail slot has been installed that will allow RCSC Cardholders to drop-off annual property assessment payments even when the Cardholder Services Office at Lakeview is closed.

**Wishing all a happy,  
healthy & safe  
Independence Day.**

## Candidate Packets Are Available

While the RCSC Board of Directors takes a short summer break, it is time for others to think about giving back to the community by becoming a candidate for upcoming Board elections.

Candidate packets are available at the Corporate/Board Office at the Lakeview Center (lower level). Those interested in running for the Board must present their RCSC Member card in person when making the request for a packet. The deadline for packet submissions is no later than noon on Friday, October 2, 2020.

There will be four vacancies to fill in this year's December election. Three of the seats will be for three-year terms which will be completed at the end of this year: President Dan Schroeder, Vice President Dale Lehrer and Treasurer Sue Wilson. The fourth vacancy will be for one year only to complete the full term of Diana Graettinger who resigned earlier this year to which Director Ron Jesse was appointed.

Anyone wishing to become a RCSC Board candidate must meet the following requirements:

- Must be at least fifty-five (55) years of age;
- Must not reside with or be related by marriage or birth to any other member of the Board, Senior Management Staff, or Board Candidate;
- Must be a Deeded Real Estate Owner of property in Sun City, Maricopa County, Arizona;
- Must be a RCSC Member in good standing;
- Must reside in Sun City, Arizona and be available at least ten (10) months of the year;
- Must meet the requirements to hold an Arizona liquor license (RCSC holds liquor licenses which require Board Officers to be included on the licensing);
- Must be eligible and available to serve a three (3) year term; and
- Must be available to attend Board Candidate Orientation(s).

If elected, Directors cannot serve on any board of a Chartered Club or green committee or golf association affiliated with RCSC golf courses.

Candidates must also submit a fully completed RCSC petition, signed by 100 or more RCSC Members in good standing, along with all other forms provided in the RCSC Candidate Packet.

Successful candidate should have the following qualifications:

- A strong desire to serve Sun City, AZ;
- Be fair and courteous;
- Use good common sense;
- Good communication skills;
- Willing to work as part of a team;
- Ability to prioritize - policy and projects which will have the greatest benefit for the most members; and
- Willing and able to dedicate the necessary hours to be an effective Director.

Candidates will be introduced at all of the October and November Board meetings. There will also be two candidate forums held in early November prior to the start of online voting which will begin on Monday, November 9, 2020 (one month prior to Election Day – Tuesday, December 8). Forum locations and dates will be announced later and may be subject to format change depending upon any limitations and restrictions which may be in effect at that time.

For more information, please contact the Board Office at 623-561-4620 or email [board-office@suncityaz.org](mailto:board-office@suncityaz.org).

## Golf & Grounds Report

### Pro Shops

Total rounds for April were 35,594, which was 2,449 higher than prior year and the highest recorded total for April in the last 11 years. For the year we have played 151,138 rounds, which represents our second highest 4-month total in the past 5 years. Among the regulation courses, Lakes West has played the most rounds (23,278), Riverview has the second highest total (23,027), followed by South, Willowcreek and North. For the executive courses, Lakes East has played the most rounds (16,025), followed by Willowbrook and Quail Run.

As a reminder, we respectfully ask that golfers refrain from entering private property to retrieve errant golf balls. While there are some homeowners that are not bothered by golfers retrieving errant shots, there are many that feel violated when someone enters their property to retrieve a ball. Please remember that when retrieving an errant shot on a homeowner's property, you are trespassing, unless you have been given permission to do so. We ask for your cooperation in respecting the property of others.

### Snack Shops

With the lifting of Governor Ducey's "Stay at Home" order, snack shops have expanded menus to include breakfast and deli sandwiches. Closing time will remain on summer scheduled time of 1pm.

### Golf Courses

Fairway aerification begins May 28, 2020 on Willowcreek and continues through June 22, 2020 on Quail Run. During this period of course maintenance the courses will be closed in two-day blocks. The full aerification schedule can be found on the RCSC website ([www.suncityaz.org](http://www.suncityaz.org)) under the golf tab.

With the reopening of the RCSC Centers, we have had some questions from the golf community why there are still restrictions. The Golf division remained open as an essential service declared by Governor Ducey and operated under the Phase One guidelines. The Golf Division will continue operating under each Phase as directed by Governor Ducey until we reach Phase 3 and social distancing restrictions are eased.

### Lawn Bowl/Grounds

All Lawn Bowl greens have been verticut to a depth of one quarter inch through use of our planar. This is the second verticutting this season, the first was less aggressive and utilized our walk behind mowers. Greens were rolled with a heavy roller the week of May 18, 2020 to help create firmness following the verticutting.

Weed season has slowed down enabling the Grounds team to catch up in most areas. Turf areas are still going through transition from winter rye to summer Bermuda. During this period of transition areas of brown turf will not be unusual.

**Do your part to stop the spread!**

Practice physical distancing and keep at least 6 feet away from others on and off the course!

## 2020 Course Maintenance Schedule

**Courses are closed during maintenance!**  
Please plan your play accordingly.

*Bowling of the Future is Here*

# New Brunswick Scoring System Now at Bowling Centers

While we know Sun City bowlers anxiously await for Phase Two of the RCSC Reopening Plan to begin (based upon approval from the State of Arizona) and their ability to get back onto the lanes, bowling staff has been hard at work getting ready for your return.

In addition to thoroughly cleaning and disinfecting all surfaces and equipment getting ready for your return, we've installed the Brunswick "Sync" scoring system at both Lakeview and Bell Lanes, bringing you the latest and great technology available.

Brunswick, an industry leader for over a century, has incorporated several leading-edge interface protocols and conventions into their new Sync system that is certain to take your game to the next level. Not only is it the most powerful scoring and management system ever, it's also by far the easiest to use.

You'll also be able to sign up for Sync Passport and have your open play and league scores emailed directly to you after each session!

RCSC bowling staff will be able to provide additional information to get you started. We look forward to having you back to the bowling centers soon.

### Mobile Connectivity

Vision UI allows bowlers to connect their mobile devices to customize their time on the lanes. Bowlers can upload their own profile or funny photos from their mobile device to give their bowling experience personalized and custom features. And bowlers will be able to pair Vision UI with the OpenLane app to create even a greater personalized experience!

## Bowling: Re-opening Restrictions - Phase 2

Requirements: mask, sanitation, moderate physical distancing, only 3 bowlers per lane, open Lakeview first with every other lane

Restrictions/Considerations: Hand sanitizer required upon entry, RCSC to sanitize bowling area between each group assigned to lane, RCSC to sanitize shoes after use, bowlers to sanitize house balls prior to use with sanitizing wipes, no use of concourse tables and chairs until Phase Three, no summer leagues in 2020

## Billiards: Re-opening Restrictions - Phase 2

Requirements: mask, sanitation, moderate physical distancing, only 2 players per table

Restrictions/Considerations: Hand sanitizer required upon entry, players to sanitize RCSC pool sticks, cue and pool balls and table railing prior to play with sanitizing wipes

## Darts: Re-opening Restrictions - Phase 2

Requirements: mask, sanitation, moderate physical distancing, only 2 players per machine, on 1 table & 2 chairs per machine

Restrictions/Considerations: Hand sanitizer required upon entry, players to sanitize darts, digital entry on machines, tables & chairs prior to use with sanitizing wipes

## Quail Run Retains Audubon Certification

Sun City's Quail Run Golf Course has retained its designation as a "Certified Audubon Cooperative Sanctuary" through the Audubon Cooperative Sanctuary Program for Golf Courses, an Audubon International program.

Participation is designed to help course personnel plan, organize, implement, and document a comprehensive environmental management program and receive recognition for their efforts. To reach certification, a course must demonstrate that they are maintaining a high degree of environmental quality in a number of areas including: Environmental Planning, Wildlife & Habitat Management, Outreach and Education, Chemical Use Reduction and Safety, Water Conservation, and Water Quality Management.

"Quail Run has shown a strong commitment to its environmental program. They are to be commended for their efforts to provide a sanctuary for wildlife on the golf course property," said Christine Kane, CEO at Audubon International.

Quail Run is one of over 900 courses in the world to hold the honor. Golf courses from the United States, Africa, Australia, Central America, Europe, South America, and Southeast Asia have also achieved certification in the program. The golf course was designated as a Certified Audubon Cooperative Sanctuary in 2015. After designation, courses go through a recertification process every three years.

"We see the site visit as an important component of a course's recertification," stated Kane. "It provides an objective verification of some of the more visible aspects of the course's environmental management activities. In addition, it offers an opportunity for golf course representatives to share publicly some of the voluntary actions they have taken behind the scenes to protect and sustain the land, water, wildlife, and natural resources around them."

### About Audubon International

Audubon International is a not-for-profit 501(c)(3) environmental education organization dedicated to providing people with the education and assistance they need to practice responsible management of land, water, wildlife, and other natural resources. To meet this mission, the organization provides training, services, and a set of award-winning environmental education and certification programs for individuals, organizations, properties, new developments, and entire communities.

For more information, contact Audubon International at 120 Defreest Drive, Troy, NY 12180, 1-844-767-9051, e-mail at [acsp@auduboninternational.org](mailto:acsp@auduboninternational.org), or visit the website at [www.auduboninternational.org](http://www.auduboninternational.org).

### Thoughts from a Pro

## The importance of golf in a pandemic

Golf it turns out can survive - even in a pandemic. When most things were closed and social distancing became the norm everywhere, we continued to be able to play golf. Yes, there were some new rules to keep us from getting too close or having common touch points, but nevertheless the game continued.

Golf it turns out was a great way to get outside, get some exercise and be able to interact with other humans! It also became one of the few things that brought back a bit of normalcy to our lives when most other things were turned upside down.

I have always appreciated all the good things golf has to offer those who play the game. It has always been a challenging sport well suited for the competitor whose goal is to master it, become consistent and have a low handicap. However, what is sometimes overlooked are all the other benefits that come from playing the game. I think the pandemic highlighted some of those other things!

Anyone regardless of skill level can enjoy the social part of the game... the camaraderie on the course or after the round with your playing partners. All who have spent time on the course know the beauty that makes up the golf course...not only the physical beauty of the green grass, water and trees, but also the wildlife we encounter in each round and usually take for granted. And let us not forget the mental stimulation and physical exercise one gets playing the game, regardless of the number of strokes taken.

Overall, I think the pandemic gave me a new appreciation for how much I love the game and more importantly how important our interactions with others really are. We may have to avoid handshakes, hugs and high fives for the time being, but we are still very fortunate to have this wonderful game of golf to connect each one of us to each other in a way that only the game can.

## Sun City Welcomes A "Grand" New Property

Many of us know the tale of Sun City's opening day when thousands of cars lined up along Grand Avenue to see the oasis in the desert created by Del Webb back on January 1, 1960. And the rest was history as they say.

Now fast forward sixty plus years and we find ourselves back again on Grand Avenue (nearly) ready to open a brand-new facility to the Recreation Centers of Sun City, Inc. With no fitness center or swimming pool, calling it another "rec center" seems a bit of an oxymoron. But what a "grand" addition to the community this new facility will be!

Once the long-time home of Furr's Family Dining (a landmark for many early Sun City residents) to the more recent transformation into a Chinese buffet restaurant, the property located at 10415 West Grand Avenue was purchased by RCSC back in 2016.

While many were concerned about this expenditure, the Board knew the great value that this diamond in the rough could become for the community. The lack of space for clubs, meeting rooms and more has plagued the development and enhancement of activities that could be offered to qualified property owners and those wishing to participate for a very long time. This really was a great deal and too good to pass up.

Unfortunately like many properties along Grand over the past decade, after the purchase of this building by RCSC security fencing was installed and things got boarded up. Many continued to grumble about the purchase as time went by.

*Circa 2016 shortly after RCSC purchased*

However, the hard work of planning and determining what should go into this "new" building was just beginning.

The Ad Hoc Long Range Planning Committee soon formed and began the information gathering process and planning for the property. Months of interviewing and re-interviewing clubs that were interested in relocating to this new space took place along with three town hall-style meetings to get input from the community about possible non-club uses. Nearly 20 ideas were ultimately proposed.

By December 2017, after countless hours of meetings and discussion, the final recommendation of the committee for the Grand Avenue project were approved by the Board.

But the hard work was far from over. As they say, all good things come to those who wait and that time has finally arrived for those clubs that were ultimately selected to occupy the remodeled, renovated and remarkable new building on Grand Avenue.

**Dan Schroeder**  
RCSC Board President

One of the community suggestions, taking advantage of this high visibility location, was to offer the Sun City Posse space for a satellite office in the building. These dedicated volunteers are an invaluable asset for all who reside here and their presence and patrols throughout the community is truly a Godsend. Besides providing neighborhood patrols for residents and much more, their presence along this major thoroughfare should give us a feeling of a bit more security.

*The Sun City Posse will soon have a substation located in the Grand Center building.*

On the other side of the entryway across from the Posse, you'll find what we've decided to call Sonoran Room. A spacious meeting room that will serve many purposes and equipped with a warming kitchen area from where refreshments can be served.

The clubs finally chosen to relocate to the Grand Center building during Phase One are the Camera Guild of Sun City (currently located at Sundial), Sun City Clay Club (from Lakeview) and Jewelry @ Oakmont (who will be having to change their name as a result of this move to Jewelry, Stained Glass & More on Grand). The Sun City Garden Club's office (currently at Oakmont) will now be in the Grand building along with a new state-of-the-art greenhouse structure which will help to augment their Community Garden operations at Greenway and 91st Avenues.

According to Camera Guild President John Wood, the club is grateful that the space was designed truly for their intended uses. "We'll have three times the space of our old club room, with the ability to have separate areas for proj-

Next Board Meeting:  
Monday, September 14  
Sundial Auditorium at 9am

## Management Report

### Financial Report

The Recreation Centers of Sun City, Inc. (RCSC) has ended April 2020 within its operating and capital budget year to date. All Divisions, with the exception of Bowling and Food Service, have met or exceeded their net operating budget projections year to date with total operating income \$107k (1%) favorable to budget and operating expenses \$515k (9%) favorable to budget. Bowling and Food Service declines are driven by the COVID-19 closure and restrictions. Income favorability is driven by higher than budgeted income in the Building & Infrastructure and Golf Divisions. Operating expense favorability is primarily driven by lower payroll, utility and general operating expenses across multiple Divisions. Year to date operating excess without projects favorability is \$629k (25%) favorable to budget. Although Year to Date we are exceeding our operating budget, RCSC is continuing to see the effect of the COVID-19 related shutdown with overall April monthly Gross Income \$70k (4%) below budget.

### Cardholder Services

Payments on past due assessments in April were 9.8% of past due balances. Overall accounts receivable increased in April by 10.4% and is up 20.3% from the beginning of the year. Overall accounts receivable past due balances have increased 23.3% since the beginning of the year. March assessments went 30 days past due at a 10.4% rate and February assessments went 60 days past due at a 12.5% rate.

Payments from our third-party collections firm totaled \$5,131 in April. Year to date payments through our third-party collections firm total \$27,526. Payments made in April through the online RCSC Web Portal totaled \$247,101 from 539 property owners. Year to date web portal payments total \$722,234 from 1,576 property owners.

In April property transfer balances increased by 9.1%. Outstanding balances related to property transfers represent 49% of all receivables and 52% of past due balances. At the end of April trustee sale notices on Sun City AZ properties ended at 23 and properties owned by lending institutions remained at 3.

## Project Updates

### WIFI Upgrades

- The IT Department has been configuring the access points previously received in preparation of deployment.

### Bell Center

- Table Tennis Room Light Diffuser Replacements

This work has been completed. Diffusers have been received and continue to be pending installation due to the priority of other work. Replacement diffusers for the light fixtures in the table tennis room have been ordered

and will be installed when received. The current diffusers have been replaced over time and do not project a consistent lighting color in the room. Replacement diffusers will provide even light levels and color. Contractor: RCSC Skilled Trades (Cost \$1,550)

- Replacement of Pool Deck

Due to additional scheduling challenges this work began in 5/11/2020. As of 5/20/2020, the deck areas are complete and work is starting on the coping, wall caps and vertical areas. The pool and spa areas are projected to reopen by 5/28/2020. The replacement of the pool deck with a rubber surface material similar to that installed at Marinette Center in 2019 was slated for completion later in the year. This project has been rescheduled for earlier completion. This will include the surface preparation and installation of the material on all deck surfaces and the caps of the walls on the interior of the walking pool. Contractor: Rubaroc USA (Cost \$276,527)

- Repair of Fitness Center Wall

This work has been completed. The wall between the indoor spa and fitness free weight area had water damage with repairs necessary. This work includes the demo of the wall materials, removal of damaged mirrors, environmental remediation, and replacement of both the wall and mirrors. This work includes the replacement of the cracked mirror on the adjacent wall in the fitness area. This work is in progress. Contractor: BluSky Restoration, Jocorran Glass (Cost \$14,745)

- Library Roof Repair

This work has been completed. This work included the repair of the roof under an HVAC curbing. Previous repairs had not correctly identified or resolved the problem. Water tests after the completion of the repairs verified the successful completion of the repair. Contractor: Tremco (Cost \$2,800)

### Fairway Center

- Paint Exterior of Quail Run Pro Shop

This work has been completed. The exterior of the Quail Run Pro was scheduled for painting. Contractor: Exquisite Painting (Cost \$4,780)

### Grand Center

- Asphalt installation and striping for the parking lot is complete.
- All above ceiling inspections have passed with ceilings being closed up and lighting turned on.
- All exterior stucco and color coating have been completed.
- Metal trim on exterior wall pop outs has been installed.
- Restroom wall and floor tile is complete with mill-

The RCSC Management Report in its entirety is distributed prior to the second RCSC Board of Directors meeting each month with the Agenda (except July and August), posted on the website at [www.suncityaz.org](http://www.suncityaz.org) (under the RCSC tab) and sent via email to those RCSC Cardholders who have signed up to receive RCSC News Email Alerts. This report was distributed on May 21, 2020 and may have been edited for publication due to space restrictions.

## Project Updates

(continued from previous page)

work, countertops, partitions and fixtures having been installed.

- Concrete floors have been prepped and sealed. Tile in entry hallway and kitchen has been completed.
- Exterior structure of the greenhouse has been installed with the polycarbonate sides going on.
- The filing for the temporary certificate of occupancy has been completed to allow for inspections and receipt of the TCO by the substantial completion date.
- The scheduled substantial completion date continues to be the first week in June.
- Comments received from the Drainage, Engineering and Zoning review of the resubmitted plans for building II. Included were new comments not included in the first review that required additional response. The civil engineer has been working closely with the plan reviewer on the required changes to ensure all areas are addressed. Among these new comments was the requirement for APS to sign off on the placement of the canopy that is over the electrical easement on the property. With the outsourced building review having been approved, the remaining reviews for the resubmittal are internal at Maricopa County which have to date been completed timely.

### Lakeview Center

- Duffeeland Parking Lot Repairs

Based upon the cost of the bids to complete this work, the RCSC Grounds department will provide and install the necessary quarter minus necessary to smooth out the bumps in the parking lot. This work includes the painting of the wheel stops in the parking lot caution yellow and levelling out the gravel parking lot. The painting of the blocks is complete and pending review of bids for the parking lot leveling. Contractor: Exquisite Painting, RCSC Grounds (Budget \$4,000)

- Lakes East/West Maintenance Yard

Work has been completed on required spacing needed for all equipment, storage, and office needs.

A building space plan and site plan has been completed. This has been provided to the architect to complete formal design drawings from.

### Mountain View Center

- No change for this project and waiting input from the ad hoc committee before proceeding with site design work.
- The following reports and surveys have been completed for the planning tasks for the renovation of Mountainview Center: title report to show property encumbrances and easements, topographical survey data, and soils testing/report.

### Sundial Center

- Flooring Installation in Office

This work has been completed. The carpet in the office at Sundial was scheduled for replacement with LVT. The existing carpeting was installed over an old VCT floor tile. This work requires environmental remediation in the removal of this old VCT. Upon completion of this demo and remediation the new LVT will be installed. Work is in progress. Contractor: JRM Environmental, Damage Control, Resource AZ (Cost \$6,388)

- Auditorium Floor Refinishing

The wood floor in the auditorium is being repaired and refinished. This work is expected to be completed by 5/25/2020. Contractor: Enmar Flooring (Cost \$13,056)

- Exterior Painting Lakes East/West Cart Barn and Talisman Hall

This work has been completed. This included the painting of the exterior of the building housing the cart barn, snack shop and Talisman Hall at the Lakes East/West golf course. Contractor: Exquisite Painting (Cost \$7,570)

### Solar:

#### New Issues:

- Bell Center Café – # 4

On 5/4/2020 the GFCI fuse on this inverter failed. The fuse was replaced, and the inverter is operational.

- Willowcreek Maintenance Data Loggers

On 5/1/2020 the two data loggers at this site began a cycle of going offline and coming back online. After troubleshooting steps, the RCSC IT Department identified a cabling problem. This was corrected and the data loggers came back online, synchronized data and have been consistently online since.

#### Issues Resolved:

- Sundial – # 14

The warranty replacement inverter was received on 5/4/2020 and installed on 5/5/2020. This inverter is operational and producing.

#### Open Issues:

- Lakeview Production Meter

Production meter is not responding as of 2/14/2020. B&I reset did not resolve issue. Production information is available from the individual inverters at this time although not from the production meter. To date this issue has not been resolved.

- Oakmont Rec Center – # 01/02/03/04/05/06

The inverters at Oakmont Center are not reporting production data. This has been an outstanding issue since July 2018. The production meter shows overall production data for the site, but the individual inverters are not reporting production to the AlsoEnergy aggregation reporting site.

Upon further review with the manufacturer the replacement component for the data logger at this site is no longer available due to obsolescence. A replacement for the data logger is required and being ordered.

- Lakeview Rear – # 01/02/03/04

Similar to the Oakmont site the inverters at the Lakeview Rear site stopped communicating with the AlsoEnergy data logger and thus the AlsoEnergy aggregation reporting site. The Lakeview Rear inverters are Fronius models similar to Oakmont Center with these two sites being the only Fronius inverters in the RCSC Solar environment. Pending confirmation of restored functionality at Oakmont Center.

- Lakeview Lanes – # 01/02/03/04/05/06/07/08/09

Production results significantly lower than expected for this group of inverters. Four of the replacement SMA inverters were installed at this location and the production output was similar to the PowerOne/ABB models removed. DC voltages from the solar panels were field tested and did not indicate significant under supply of voltages. Additional investigation needed on these inverters to identify a cause of the under production and if preventative maintenance tasks positively affect performance. No resolution to this production issue this month.

#### Production Data:

After including April production data, the lifetime to date production vs expected is relatively unchanged and is over expected by 5.74%. The percentage of inverters producing above expected remains at 81%.

Maintenance completed by RCSC B&I staff this past month on all combiner boxes mounted horizontally. We have experienced gasket failures on these boxes that has permitted water leakage into the combiner boxes. This gasket maintenance was tested and verified to prevent standing water on the enclosure door seal from entering the combiner box.

# Sun City Welcomes A "Grand" New Property

*continued from page 7)*  
 ect work and training sessions. Having both lab and studio areas is remarkable, and the display space will make our quarterly First Friday Gallery events really special for club members and attendees."

*The Camera Guild of Sun City will have additional space needed for classes and dedicated work areas that allow equipment to remain in place and accessible. Custom designed furnishings for specific needs and great gallery/display areas can show off the vast talents of member photographers.*

Jewelry/Stained Glass & More can't wait to have enough room so that club members don't have to work on various projects in shifts. "We've been so pinched for room since we added stained glass two years ago that everyone is really, really excited about moving into this new space," President John Schmidt shared. This club will nearly double their space by comparison to their previous location.

*The move to Grand is bitter sweet for the soon to be former Jewelry @ Oakmont as they were Sun City AZ's very first club at the first recreation center, but they look forward to the additional display and elbow room.*

*A few of the other features in Grand Center include the Sonoran Room (above, bottom right) which will provide additional space for meetings, spacious restrooms and new electrical/mechanical systems able to support the technology demands of today and into the future.*

The greenhouse facility (in photo below) for the Garden Club has members dreaming about all its potential that would be impossible without this addition. "We met with University of Arizona agricultural department staff early in the planning process, who shared their knowledge and showed us the benefits of having a "wet wall" to enhance this operation. Having more storage and office area will also be wonderful," said Garden Club President Marty Skagen.

*Left: The Sun City Garden Club will soon be able to do plants starts and various cultivars in their state of the art greenhouse facility on Grand.*

"The move to this new building is going to be wonderful" for members of the Sun City Clay Club exclaimed Club President Pam Hermann. "So much larger than our current space (at Lakeview) and everything will be new and fresh. I think all the clubs moving into this new beautiful building will benefit from the location."

All of the clubs going into this renovated building have expressed how grateful they were to be chosen for this project and how excited they are to move to these new facilities. Cardholder input and collaboration during each step of the process have made this space something that everyone can truly be proud of. And I wish to express my personal thanks for the hard work and dedication from those who helped make this "grand" project a reality.

Now let's look ahead to starting construction of Building Two – the future home for the Vintage Vehicles Club and an indoor archery range for the Sportsmen's Club of Sun City.

## RCSC Phased Re-Opening of Recreation Facilities

*This phased re-opening plan for the facilities owned and operated by the Recreation Centers of Sun City, Inc. remains in effect as previously published and as of press time, we were still in Phase One. The State of Arizona and Governor Doug Ducey will announce when it is safe to proceed to the next phase. Your continued support and cooperation are appreciated and we move into this new normal. The safety and well-being of RCSC Cardholders has been and remains our number one priority.*

The RCSC Board of Directors approved a re-opening plan for the Recreation Centers of Sun City, Inc. which began on Tuesday, May 19, 2020 with summer hours.\* The Federal Government published guidelines for "Opening Up America Again" which provided a basic framework for a three-phased approach to re-opening. RCSC has used this framework to develop the plan for re-opening RCSC facilities, offices, events and entertainment. Governor Ducey announced on May 12, 2020 that Arizona was in Phase One and the Stay at Home Order would expire on May 15, 2020.

*\*Summer hours are Lakeview, Oakmont and Mountain View which will remain open until 8pm Monday-Saturday starting now through Labor Day weekend; all other center hours remain the same.*

There is much excitement and anticipation as we start to bring use of the RCSC facilities and activities back into the community that so many enjoy and have missed during this period. The re-opening process will likely involve much tolerance, acceptance and respect from all participants. Your cooperation will help to ensure a smooth transition as we move forward.

Re-opening RCSC facilities will require strict adherence to safety and sanitation protocols during these phases developed by the RCSC Management Team and Board of Directors specific to the facilities and activities offered here in Sun City AZ to ensure the continued well-being of both Cardholders and RCSC employees.

Due to the physical distancing requirements, it is imperative that Cardholders realize that admittance to facilities will remain extremely restricted and that no congregating nor waiting for available space to become available will be allowed. Your understanding and cooperation as we deal with these limitations may alter how we proceed going forward through these phases.

Below are the requirements and restrictions which must be adhered to as we proceed through each Phase as we begin the process of re-opening RCSC facilities.

### PHASE ONE

- No guests or visitors allowed.
- Strict physical distancing requiring a minimum of six (6) feet of space between people at all times with preferably more distance when available.
- All indoor facilities, excluding Sundial pools and indoor spas, require face masks.
- All outdoor facilities, excluding walking pools, do not require face masks. Face masks are required for walking pools as there are turn-arounds where walkers cross and it allows faster walkers to safely pass slower walkers.
- Use of hand sanitizer required upon entry.
- Sanitation protocols include sanitization of equipment, tools, workstations, chairs, stools, seating, tables, pens/pencils and anything handled by more than one person prior to use by each Cardholder.
- Members must not use equipment that is positioned within six (6) feet of another piece of equipment until the adjacent equipment is not in use.
- Cardholders must adhere to all Phase One facility rules and regulations.
- Any activity that does or can cause contact between two people cannot be re-opened in Phase One.

### PHASE TWO (Effective Date to be Determined)

- No guests or visitors allowed.
- Moderate physical distancing requiring a minimum of six (6) feet of space between people excluding an occasional situation when such is not possible unless Phase

Two facility rules require otherwise which will be posted.

- All indoor facilities, excluding Sundial pools and indoor spas, require face masks.
- All outdoor facilities, excluding walking pools, do not require face masks. Face masks are required for walking pools as there are turn arounds where walkers cross and it allows faster walkers to safely pass slower walkers.
- Use of hand sanitizer required upon entry.
- Sanitation protocols include sanitization of equipment, tools, counters, workstations, chairs, stools, seating, tables, pens/pencils and anything handled by more than one person prior to use by each Cardholder
- Members must not use equipment that is positioned within six (6) feet of another piece of equipment until the adjacent equipment is not in use.
- Cardholders must adhere to all Phase Two facility rules and regulations.
- Any activity that does or can cause contact between two people cannot be re-opened in Phase Two.

### PHASE THREE (Effective Date to be Determined)

- Guests and visitors allowed.
- Limited physical distancing requiring as much space as possible.
- Use of hand sanitizer required upon entry.
- Sanitation protocols include sanitization of equipment, tools, counters, workstations, chairs, stools, seating, tables, pens/pencils and anything handled by more than one person prior to use. Cardholders must adhere to all Phase Three facility rules and regulations.
- Any activity that does or can cause contact between two people can be re-opened in Phase Three.

### CARDHOLDERS SHOULD BE ADVISED OF CDC & EXECUTIVE ORDER RECOMMENDATIONS DURING PHASES ONE and TWO

- All vulnerable individuals should continue to shelter in place through Phase One and Two. Vulnerable individuals are defined as individuals 65 and older and/or individuals with serious underlying health conditions, including high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune system is compromised such as by chemotherapy for cancer and other conditions requiring such therapy.
- Individuals who are symptomatic must stay home.
- Individuals who have a fever (100.4 F or higher) must stay home.
- Individuals must wash their hands thoroughly and frequently.

### Activities Available During Each Phase

The following activities will be available either during Phase One or Phase Two at the various recreation centers. Please note that all of the requirements and restrictions listed above must be adhered to in addition to the caveats below for specific activities:

#### Phase One - Activities

- Fitness Centers
- Pools & Spas, Indoor & Outdoor (Bell's pools & outdoor spa re-open Thursday, May 28, 2020)
- Duffeland Dog Park
- Hillside Park at Lakeview– Walking Trail, Fishing, Row Boats only (no Paddleboats)
- Horseshoes (only 2 persons per court)
- Lawn Bowling (only 2 persons at each end of each rink) Locker & Changing Rooms, Showers & Restrooms (no lockers at Sundial due to key/card exchange)

*(continued on next page)*

## RCSC Phased Re-Opening Plan

*(continued from previous page)*

- Miniature Golf (only 2 persons per hole)
- Pickleball (only 2 persons per court)
- Row Boats (only one person per boat)
- Shuffleboard (Outdoor at Lakeview only with only 2 persons per court)
- Table Tennis (only 2 persons per table)
- Tennis (only 2 persons per court)
- Tracks – Indoor & Outdoor

### Phase Two - Activities

- Bowling (only 3 players per lane)
- Billiards (only 2 players per table)
- Darts (only 2 players per machine)
- Shuffleboard (Indoor at Bell - only 2 players per court)

When Phase Three has been reached, vulnerable individuals may resume various activities and public interactions, but should continue to practice physical distancing, minimizing exposure to social settings where distancing may not be practical, unless precautionary measures are observed.

### RCSC BOARD & COMMITTEE MEETINGS:

RCSC Board Meetings resume starting on Thursday, May 28, 2020 with the RCSC Board of Directors Meeting in the Sundial Auditorium at 9am. Face masks, hand sanitation upon entry and strict physical distancing will be required. Committee meetings scheduled will also require these protocols to be followed and upcoming committee meetings will be posted on the website.

**RCSC ADMINISTRATIVE OFFICES AT LAKEVIEW** - Corporate/Board, Cardholder Services, Chartered Clubs, Human Resources

All administrative offices at Lakeview Center will resume normal business hours starting in Phase One. There will be face masks, hand sanitation upon entering and physical distancing required. In addition, a maximum of only two (2) Cardholders at any one time will be allowed in the waiting areas excluding Cardholders Services which can accommodate six (6) Cardholders in its waiting area. Appointments to meet with staff at Corporate/Board, Chartered Clubs and Human Resources offices are highly recommended during Phase One and Phase Two.

### RCSC CHARTERED CLUBS:

All Club Presidents have been contacted and are being asked to determine what phase they can meet the requirements to re-open. Once clarified, individual Chartered Clubs will be allowed to re-open. Again, no guests or visitors will be allowed to participate in any Chartered Club activities until Phase Three.

### EVENTS & ENTERTAINMENT:

All events and entertainment scheduled throughout the summer have been cancelled. We hope to resume with the Fall 2020 Sun Bowl Concert Series beginning on Sunday, September 27, 2020. More detailed information about events will be released at a later date. The Events & Entertainment Office located at Sundial Center will remain closed to Cardholders until Phase Three; however, phone calls and emails are being addressed as they are received on an on-going basis.

### A FINAL NOTE TO CARDHOLDERS:

Your patience, understanding and many kind words during this very difficult time have truly been appreciated. We start the process into this new normal going forward one phase at a time, one day at a time, knowing that this transition has been challenging from all sides and wish only the best for everyone's well-being and continued good health.

### Sun City Democratic Club

Meets every first Thursday at Fairway. We will not be having meetings until Phase 3. Please follow the news from the RCSC regarding opening up for each Phase. Our Website, <https://suncitydems.com> will have a drop down menu with video of our monthly meetings. These can be viewed at anytime. We continue to collect donations of canned and boxed goods for the Valley View Community Food Bank at every monthly meeting. Until our meetings resume, please bring any donations to the Valley View Thrift Store/Food Bank on 107th and Peoria. When our meetings resume, they will begin at 6:30pm. All RCSC Cardholders and their escorted guests are welcome.

## Hobbies/Other Interests

### Sun City Community Garden

Gardening continues over the summer at the Community Garden located in EPCOR water plant (NW corner of 91st Ave/Greenway). Learn about vegetable gardening in AZ & leasing a plot, available to RCSC Cardholders who are Garden Club members. Stay tuned for details about our new office & greenhouse at the Grand Center building. FMI 623-875-5921 or visit [gardenclubofsuncity.org](http://gardenclubofsuncity.org). Monthly meeting the 1st Tues, 8:30am, Sundial East Hall only if requirements for physical distancing can be met.

### Birding Club of Sun City

No information about summer bird outings was provided. Meetings will resume this fall presuming COVID-19 restrictions and requirements can be met. Club welcomes beginning to advanced birders. No experience needed! ## Performing Arts

### Handbell Ringers of Sun City

The Handbell Ringers of Sun City are currently on summer hiatus. The group is scheduled to resume rehearsals in September on Fridays from 9:00-11:30am in the Fairway Music Room presuming that restrictions & requirements can be met. No visitors will be allowed until we reach Phase 3 of the re-opening plan for RCSC properties. Membership is open to RCSC Cardholders & invited guests. FMI contact Doreen at doreenc4488@gmail.com.

### Sun City Concert Band

Dust off your instruments & join the Sun City Concert Band under the new direction of Ken Jaeger, well known Arizona Band Master & clinician. Charles Musgraves joins us as our Associate Conductor. SCCB rehearses Tuesdays from 9-11am September through April at Fairway. Annual dues are \$5; membership is open to all RCSC Cardholders.

Visit the band's website at [sccband.org](http://sccband.org) for additional information. To be placed on the Band Concert Notification E-mail List, contact band President Jim Wise at 602-625-5211 or request online at <https://suncityaz.org/recreation/clubs/sun-city-concert-band/>

Rehearsals for the Concert Band are on hiatus for the summer and resume on Tuesday, September 15 presuming that requirements & restrictions can be met.

### Piano Club of Sun City

Piano Club is currently on summer hiatus. Meetings will resume in the fall provided that requirements & restrictions for re-opening at that time can be met.

The Piano Club meets 9:30am the third Friday of each month, October through April, in the Sundial Auditorium. You do not have to play or perform to become a member. Just enjoy the music, treats, and companionship. Annual membership is \$10 per person or \$15 per household for RCSC cardholders only. RCSC cardholders and escorted guests are always welcome.

We will be closing for the summer after this music program. Look for more great music next fall.

### Choraliers of Sun City

The Choraliers are currently on summer hiatus and rehearsals will resume on September 14 presuming that requirements & restrictions in place at that time can be met.

The Choraliers are an accomplished SATB choir that sings a variety of music from classical to jazz. The Choraliers perform at social functions, churches, healthcare facilities & retirement communities, performing up to 10 concerts a season, including some public concerts. Rehearsals for the Choraliers are on hiatus from May thru August. The group meets every Monday 8:30-11am in Fairway Music Room (second floor). If you are interested in singing in a quality choir, sit in on a rehearsal & decide if we are right for you. FMI visit [www.suncitychoraliers.com](http://www.suncitychoraliers.com)

### Sun City Womens Chorus

The Sun City Women's Chorus takes the health and well-being of all participants seriously. With this in mind, we have determined it to be appropriate to cancel our Holiday Concert typically held in the month of December. Therefore, we will not have rehearsals this fall. We do expect to resume rehearsals, Thursday, January 7, 2021 at 8:45 a.m. at the Fairway Recreation Center. All women with current RCSC membership are welcome to join us. We plan to perform our Spring Concert on Sunday, April 11. Many people purchased tickets for our cancelled concert this past March. We will honor those tickets at our Spring Concert. Thank you for your understanding during these difficult times. We look forward to seeing you then. If you have any questions, please contact Annette (623) 308-4643. The Chorus always welcomes new members who enjoy singing four-part harmony with a current RCSC card. No audition is required. FMI Annette 623-308-4643.

Tips from Get Fit for Life -

## Waist-to-Hip Ratio Estimates Health Risk

“Quite often we get questions about body fat distribution,” states Jane Fortier, personal trainer with Get Fit for Life. “Why do some people have big bellies, but lean legs? Why do women carry more fat in the thighs, hips, and butt? Questions like these refer to where the body typically stores fat. Being aware of the areas of the body that store fat is important, because those areas can predict future health risks.”

The waist-to-hip (WTH) ratio is a common measure of fat distribution. WTH ratio works well for tracking weight loss progress, but is also important for identifying health risk factors, such as diabetes, stroke and heart disease. A study reported in the American Journal of Clinical Nutrition reported that for some age groups, the waist-to-hip ratio is a better indicator of increased mortality risk than body mass index (BMI), which simply compares height to weight.

### Calculating Waist-to-Hip Ratio

With a measuring tape, find the circumference of the waist (just above the belly button) and hips (at the widest part of the buttocks). To determine WTH ratio, divide the waist measurement by the hip measurement. The chart below can help determine risk factors.

Females	Estimated health risk	Estimated body shape
0.80 or below	Low	Pear
0.81 to 0.85	Moderate	Avocado
0.85+	High	Apple
Males	Estimated health risk	Estimated body shape
0.95 or below	Low	Pear
0.96 to 1.0	Moderate	Avocado
1.0+	High	Apple

Although all body fat is made of the same “stuff,” where it is stored can make a big difference in both how risky it is to health, and in how easy it will be to lose.

**Pear Shape** (Low Health Risk) - Here, extra weight is stored in the hips, thighs and buttocks, a healthier site for fat accumulation. Studies have shown that storing fat here may actually protect against cardiovascular disease.

**Apple Shape** (High Health Risk) - Here, extra weight is stored in the abdominal area and upper torso, - the “pot belly” look. Storing fat here creates a greater risk of lifestyle-related diseases, such as heart disease and diabetes, than storing fat as the pear-shape areas.

**Avocado Shape** (Moderate Health Risk) - This category refers to people who don't fit into either the pear or apple shaped description. The less common "avocado" shape is somewhere in-between, with health risks higher than a pear-shaped body, but somewhat lower than a true apple-shaped body.

“There is no way to change where your body stores fat—your genetics determine that”, states Fortier. “Even though weight loss may not change your inherent body shape, it will reduce your over-all body size, and that will improve how you feel and function. The best way to get rid of fat—no matter where it is located—is through a comprehensive exercise program and a healthy diet. When fat is stored as an apple or pear shape, it may take longer to lose, but reduction will definitely occur.

Regardless of fat distribution, maintaining a healthy weight will greatly reduce the risk of weight-related illness and improve quality of life, as we age.”

## Self-Care Healing Therapies

Many of us have so many responsibilities in life that we forget or neglect to take care of ourselves. Self-care is important for both your physical and mental health. Taking a little time to nurture your body, mind and spirit can be highly effective. Here is an overview of self-care therapies we here at LaTouch Wellness Massage Therapy can assist you with the insight of how you can utilize these self-care therapies.

**Reflexology Massage:** This is the application of pressure to specific reflex points on the feet or hands that corresponds to different areas, organs, and systems of the body. When the energy of the body becomes imbalanced it begins to produce discomfort and disease, reflexology is a way of restoring balance to the energy flowing through the nervous system.

### Reiki Energy Healing/Distance

**Reiki Energy Healing:** This is one way to work with Universal life force energy. Universal life force energy is the energy that animates all living things. The human body has 7 major energy centers, we each have a predisposition to certain chakras being more dominant than others. Balancing the chakras assists us on our journey towards wellbeing. Hands-on and Distance Reiki Energy Healing can assist with balancing the energy of the body also.

**Aroma Therapy/Essential Oils:** We can use aromatherapy to enhance health and promote feelings of wellbeing. This is accomplished because aromas can have positive effects on your moods. The olfactory response is immediate, corresponding directly to the brain. This is the only place where our central nervous system is directly exposed to the environment. That is why inhalation directly affects the central nervous system. Aromatherapy is an excellent way to reduce stress and enhance the immune system.

**Guided Imagery Contemplation/Meditations:** Using this therapy can offer you the opportunity to replace negative thought patterns with positive ones. When you think positively, it enhances your health and wellbeing. This therapy takes advantage of the connection between the visual brain and the involuntary nervous system; this can have positive effects on both your physical and emotional states.

*Massage helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for you, call and schedule an appointment today!*

## Arts & Crafts

### Camera Guild of Sun City

July brings a breath of fresh air as the club is now partially open and we have limited access, for members only, to our clubroom. No formal meetings or classes will be held until we are in Phase 3 of the RCSC re-opening plan. We ask you follow the protocols that are posted and check our web site often for updates, Grab and Go's, Zoom classes, etc.

We are in the transition of moving from Sundial to our new location in the Grand Center. This new location will be much larger and will include a studio, dark room, classroom, meeting center, and photo lab. Watch for our "grand" Grand Center opening coming soon!

Photo lab includes computers with the latest editing software, large format printer, film & slide scanner & all the tools to mount and frame your images and canvases. We generally run classes fall through spring that cover many subjects i.e. how to use your camera, techniques for good photo taking, using editing software & more. Our club is open to all RCSC Cardholders in good standing for a yearly fee of \$20/first and \$5 second family member. When we return to normal, hours will be Tuesday thru Thursday 9a-12p. We meet on the 1st and 3rd Saturday, October through April. We look forward to seeing you in the near future and ask that you visit our website and see what we are all about! ### Spanish Club - El Circulo Español

Whether you are new to the Spanish language, want to re-awaken skills learned long ago that are now dormant, or are a moderately advanced student looking to improve your conversational chops, you've found a home with El Círculo Español, the Sun City Spanish Club.

In response to the pandemic, the Club has decided not to resume classes at Fairway Recreation Center until Phase III restrictions have been lifted. The Board will meet in August to discuss the possibility of online classes if these restrictions are still in place this fall. In the meantime, we are sending our members sets of weekly cartoons in Spanish via email. This is a fun and easy way to keep working on Spanish vocabulary. And Club VP Joe Hewitt assembled a wonderful document of sources for online learning of Spanish to help members continue to work on learning Spanish from home!

If you'd like to receive these resources and aren't yet a member of El Circulo Español, visit our website at <https://suncityaz.org/recreation/clubs/spanish-club/>, download the membership form and mail it to our Treasurer whose address is on the form, along with a check for \$10 for your Club membership dues. We'll add you to our membership list and you can then email us and request these resources be emailed to you.

If you already ARE a member and haven't received them, email us at [SunCitySpanishClub@gmail.com](mailto:SunCitySpanishClub@gmail.com) to request they be sent to you.

If Phase III restrictions ARE lifted by the fall, our class registration event will be October 15, 2020 at 5pm at Fairway, Arizona Rooms 1 and 2. Fall classes begin October 19. So mark your calendars now.

Stay safe and healthy this summer!

If you have questions, please feel free to contact us via email at [SunCitySpanishClub@gmail.com](mailto:SunCitySpanishClub@gmail.com).

### SunMacs (Apple Macintosh) Computer Club

Currently closed - As of press time, this club had not requested to open.

Club Hours: Monday-Thursday, 8:30-10:30am & noon-2:30pm. Check Calendar for Friday Sessions.

Our 2020 Officers are: President Isaac Bonifas; First Vice President Agnes Holub; Second Vice President Pat Always; Secretary Barb Swintek; and Treasurer Judy Wright.

We specialize in assisting our members with Apple Products & Software. Located at Sundial; RCSC card required for membership. Annual dues: \$20 single/\$30 couple at same address.

We offer classes, Round Tables and Socials, free to club members. Some classes require pre-registration. For more information about the Club and a calendar schedule of classes offered, visit [www.sunmacs.org](http://www.sunmacs.org) or phone our club room (623-933-5300).

# Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 57 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2019, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
