## Great Entertainment Returns to Sun City AZ in 2021

Sun City AZ Events & Entertainment is pleased to announce the fabulous line-up of shows for the upcoming Sundial 2021 Winter/Spring concert series – the kind of live entertainment that has been missing from RCSC Cardholders lives for too long (provided that we have reached Phase 3 and that all health and safety requirements in place at that time can be fully addressed.)

Get ready for great tribute shows and class acts that are certain to have the Sundial Auditorium rocking in a new and safe manner as health mandates and protocols change as we continue to move forward into the new normal.

*The Chicago Experience*  
Wednesday, January 6, 2021

We're excited to have booked for your musical enjoyment an amazing eleven show line-up with tickets available to purchase for either the entire series or individual concerts. And even more great news – we'll be offering two show times! Afternoon concerts will start promptly at 3pm (doors opening at 2pm) and evening concerts at 7pm (doors opening at 6pm). This will allow for social distancing and proper separation while providing the audience a more intimate concert experience with smaller crowds.

We anticipate that series tickets will go on sale starting Monday, November 2, 2020. Tickets for the entire series in the prime seating section will be \$220 per person (\$20 per show); Series tickets in regular seating will be \$198 per person (\$18 per show). You'll have the same reserved seat for every concert with your choice of chair only or cabaret/table seats.

Tickets for individual concerts will go on sale Tuesday, December 2, 2020 for \$20 for RCSC Cardholders and \$25 for non-RCSC Cardholders.

Due to health requirements and restrictions, we do not know at this time if ticket sales will be in-person at the Events & Entertainment Sundial office or online and by phone. We will announce

detailed information regarding location/process as the time gets closer.

Whether your musical tastes run from timeless classic rock like Michael Jackson, Chicago, Eagles and Phil Collins to folksy soft rock such as James Taylor, Paul Simon and Linda Ronstadt to Broadway show tunes, soul/R&B (Whitney Houston) or good old country (Alabama) – there is a show for everybody in this sure-to-please concert series.

Start making plans for the new year with great, SAFE live concerts right here in Sun City AZ! Please visit the Sun City AZ website at <https://suncityaz.org/recreation/concerts/> for the complete Sundial 2021 Winter/Spring concert schedule and additional information as it becomes available.

## RCSC Office Closures for Labor Day

All Recreation Centers of Sun City, Inc. offices at Lakeview Center (Corporate/Board, Human Resources, Clubs, and Cardholder Services) will be closed on Monday, September 7, 2020 in observance of Labor Day.

The Events & Entertainment office at Sundial Center and the Sun City AZ Visitors Center at Bell Center remain closed due to COVID-19 regulations until Phase 3 (as determined by the State of Arizona).

Cardholder Services will open on Saturday, September 12 (rather than the first Saturday in September) from 9:00am until noon to accommodate Cardholders who need weekend assistance.

All RCSC amenities currently available to Cardholders and Sun City golf courses will be open normal operating hours on Labor Day for your use and enjoyment.

Cardholders are also advised that at the conclusion of the Labor Day weekend, all recreation centers will return to normal operating hours. Lakeview, Oakmont and Mountain View Centers will close once again at 7:00pm effective Tuesday, September 8. All remaining RCSC recreation centers (Bell, Marinette, Fairway and Sundial) will continue to be open until 9:00pm.

## Don't Delay; Pick One Up Today! Candidates Packets Still Available

You've still got the month of September to pick up a candidate packet and collect your signature so don't delay any longer if you're interested in running for the RCSC Board of Directors. It might be just the ticket to get you involved in helping to make decisions that will affect the future of Sun City AZ.

Candidate packets are available at the Corporate/Board Office at the Lakeview Center (lower level). Those interested in running for the Board must present their RCSC Member card in person when making the request for a packet. The deadline for packet submissions is no later than noon on Friday, October 2, 2020.

There will be four vacancies to fill in this year's December election. Three of the seats will be for three-year for those terms will be completed at end this year: President Dan Schroeder, Vice President Dale Lehrer and Treasurer Sue Wilson. The fourth vacancy will be for one year only to complete the full term of Diana Graettinger who resigned earlier this year to which Director Ron Jesse was appointed.

Anyone wishing to become a RCSC Board candidate must meet the following requirements:

- Must be at least fifty-five (55) years of age;
- Must not reside with or be related by marriage or birth to any other member of the Board, Senior Management Staff, or Board Candidate;
- Must be a Deeded Real Estate Owner of property in Sun City, Maricopa County, Arizona;
- Must be a RCSC Member in good standing;
- Must reside in Sun City, Arizona and be available at least ten (10) months of the year;
- Must meet the requirements to hold an Arizona liquor license (RCSC holds liquor licenses which require Board Officers to be included on the licensing);

- Must be eligible and available to serve a three (3) year term; and
- Must be available to attend Board Candidate Orientation(s).

If elected, Directors cannot serve on any board of a Chartered Club or green committee or golf association affiliated with RCSC golf courses.

Candidates must also submit a fully completed RCSC petition, signed by 100 or more RCSC Members in good standing, along with all other forms provided in the RCSC Candidate Packet.

Successful candidate should have the following qualifications:

- A strong desire to serve Sun City, AZ;
- Be fair and courteous;
- Use good common sense;
- Good communication skills;
- Willing to work as part of a team;
- Ability to prioritize - policy and projects - which will have the greatest benefit for the most members; and
- Willing and able to dedicate the necessary hours to be an effective Director.

Candidates will be introduced at all of the October and November Board meetings. There will also be two candidate forums held in early November prior to the start of online voting which will begin on Monday, November 9, 2020 (one month prior to Election Day – Tuesday, December 8). Forum locations and dates will be announced later and may be subject to format change depending upon any limitations and restrictions which may in effect at that time.

For more information or if you have any questions, please contact the Board Office at 623-561-4620 or email [boardoffice@suncityaz.org](mailto:boardoffice@suncityaz.org).

### RCSC News Alert Emails

## Get the Info You Need to Know Now

As we continue to navigate through the ever-changing rules, requirements and restrictions during these complex times, RCSC would like to encourage all Cardholders to sign-up to receive RCSC News Email Alerts as this method of communication is the most efficient and timely way to get information out to the community.

Currently over 11,000 residents are receiving updates and notices addressing centers operations and all changes being mandated to ensure everyone's safety and well-being as we move forward.

Sign up can be completed via the RCSC Web Portal under the My Profile link. For those who would prefer, email sign up can be handled directly by completing and submitting the form online at <https://suncityaz.org/wp-content/uploads/2017/02/RCSC-Email-Alerts.pdf>

In order to avoid emails going to junk/spam, please add [info@rcscmail.com](mailto:info@rcscmail.com) to your address book. If you are experiencing any problems with emails, contact Communications & Marketing Coordinator Joelyn Higgins via email at [jhiggins@suncityaz.org](mailto:jhiggins@suncityaz.org) or by phone at 623-561-4616. Please provide your full name, Member or Privilege Card Number (or Sun City AZ address).

Don't rely on your neighbor when you could be getting up-to-date information directly. Sign up for RCSC News Alerts Emails today!

## A Few Things to Keep in Mind

Just a few reminders when you're visiting the recreation centers:

No matter what state you're from, while you're here in Sun City it is much appreciated if you would park in only one space (note the white line under car) and save these smaller spaces for golf carts - as designed.

Please be scent sensitive! Overuse of scented body such as colognes, perfumes, after-shave lotions and the like can be extremely irritating and even caustic to others, especially those with respiratory issues. Perspiration and water from pools, spas can make matters even worse.

Many RCSC parking lots have one-way routes of travel and the posted speed limit of 5 MPH should be observed at all times. Your safety is our concern!

Size matters! Per Board Policy 10, swimming pool gear, including floatation devices, may not extend more than 2 feet from the swimmer and must be within control of the swimmer at all times. Items not allowed balls, Frisbees, rafts, water guns and any metallic items. Same goes for very, very large ducks!

## 3 THINGS YOU CAN DO RIGHT NOW TO SLOW THE SPREAD OF COVID-19

**STAY HOME WHEN YOU'RE SICK**

Don't risk it. Stay home when you are sick, whether you think you have COVID-19 or not. Most people with COVID-19 recover at home with rest and fluids.

**MASK UP WHEN YOU GO OUT**

It's a countywide requirement, and it's also proven to work. Remember: my mask protects you and your mask protects me.

**GET TESTED WHEN IN DOUBT**

Find a testing site at [maricopa.gov/COVID19Testing](https://maricopa.gov/COVID19Testing) if you think you may have been exposed or are showing any symptoms.

## Golf & Grounds Report

### Pro Shops

Golf rounds in June increased by 5,537 over prior and represent the most rounds played in June since at least 2006. For the year, golf rounds played total 201,448, the highest cumulative total through June, since 2008. For the year Riverview has played the most regulation course rounds (31,202), followed by Lakes West (30,728), South (29,399), Willowcreek (28,593) and North (25,670). For the executive courses Lakes East has recorded the most rounds played (21,143), followed by Willowbrook (18,694) and Quail (16,019).

On September 4, we will be hosting a fundraising event to support Patriot Golf Day and the Folds of Honor Foundation at Riverview Golf Course. Due to ongoing Covid-19 restrictions, the format will be a straight sheet start beginning at 7:00 a.m. Results will be announced via email, and there will formal lunch following play. Entry forms are available in all pro shops. Entry fees may be paid by credit card or off the cardholders account.

### Snack Shops

Snack shop closing time is now 1:00 p.m. After the snack shops close snacks and beverages are available through the pro shop.

### Golf Courses

Beginning June 24, greens aerification began on Willowcreek and will continue through August 7 at Quail Run. Greens aerification represents our last major agronomic practice for the summer. Though necessary, we realize the impact these practices have on golfers and we appreciate the patience of the golfing community.

Our transition from winter rye back to our summer bermuda base occurred later than normal this year, though it is the second year in a row for a delayed transition. Last year South was the most heavily affected. This year North has been. Riverview has many areas around the green complexes that transitioned poorly. The other courses have localized spots of transition. These areas will recover throughout the summer, and the process will accelerate once humidity increases.

### Lawn Bowling/Grounds

Weak areas on Bell greens have been plugged, and all greens have had granular and liquid fertilizers applied as well as wetting agents. All greens have been verticut, and aerification began July 20. These will be the last major agronomic events of the summer, allowing the greens to recover prior to dormancy. Green speeds are slow, with speed running from a low of 9.8 seconds at Mountain View to a high of 11.2 seconds on Lakeview East.

The lack of a monsoon event has allowed the grounds crew to focus on normal daily tasks and not on storm cleanup. Focus continues on keeping landscaped areas weed free and light tree trimming. The softball field suffered from the delayed transition and is being watered heavily to promote growth

### Attention: Golf Course Property Owners Did you know?

All contractors needing to access private properties via RCSC Golf Courses MUST place a \$200 deposit at the Cardholder Services Office (Cash, Check, Cashier's Check or Money Order) prior to the start of any project.

This money will be returned once the Golf Course Superintendent determines that no damage has occurred. Your attention to this matter is greatly appreciated!

NOTICE

Aug. 1, 2020

Specification Changes

The rule eliminating balance holes took effect Aug. 1, 2020. The rule, announced in April 2018, states all holes in a bowling ball must be used on every delivery.

Example of up to five holes used for gripping purposes.

Additionally, bowlers who do not use a thumb when delivering the ball will need to mark, by scribe or engraver tool, a plus sign (+) near the intended center of palm. See image below for an example.

- For balls over 10 pounds, allowable static weights will be three ounces of side, thumb or finger weight.
- Elimination of balance holes: bowlers may have up to five holes for gripping purposes, and all must be used on every delivery.
- No-thumb bowlers would need to mark by scribe, engraver or tool, near the intended center of palm with a plus (+) sign.

RCSC Bowling Centers are currently closed and are scheduled to re-open in Phase 2

*Thoughts from a Pro***Get the most out of your practice session!**

What is the best way to practice and how do you optimize your time to improve your game or learn if you are a new golfer? Here are some ideas!

1. Divide up your session. Since 60-70% of the game is short game shots (putting, pitching or chipping) devote that much time to practicing each area. If you have an hour set aside to practice, spend 45 minutes on short shots and 15 minutes on full swings. If you only have 30 minutes to practice, spend 20 minutes of that on short game and 10 minutes on hitting full shots on the driving range.
2. Combine shots to simulate the game. If you are practicing chipping, consider chipping to a few different targets and finish up by putting out. (Target score would be 2 or 3 depending on your level). If you are practicing putting, use one ball and putt until it is holed out. Then, pick a new hole and putt until that one is holed out. Most greens have 9 holes. Play each one from different distances and keep total score....18 being target score. For full swings on the driving range, pretend you are playing a real hole. Use a real course that you know or make it up as you go. If you declare the first hole to be a par 4, pick a target and hit your driver.... then choose a club to hit your second shot picking a target to hit at. Next time, play a par 5 and hit the driver, perhaps then a fairway wood and end up with an iron. Choose targets about the right distance for each so you can simulate your pre-shot routine as you would on the course. It makes practice more fun and keeps it more realistic.
3. Use repetition as needed. If you are working on the mechanics of your swing or stroke repetition is important. Regardless of which area you are working on practicing the shot over and over correctly is the key. This is where multiple shots from the same spot is helpful. Remember, the idea here is not "practice makes perfect" but "perfect practice makes perfect"! You are better off rehearsing with a practice swing a few times correctly before executing with the ball, rather than hitting several bad shots in a row!
4. Quality is always more important than quantity: Hitting a thousand balls a day is not necessarily better than hitting 50. Take your time and make each ball count. Set up to a target each time as you would on the golf course instead of just whacking away. Practice is about making the game automatic, so you won't have to think about the "how to" when in the middle of the game.
5. Hitting balls before your round is called warming up, not practicing!

# WELCOME GOLFERS

PLEASE REPAIR ALL BALL MARKS WITH THE TOOLS PROVIDED.  
USE ONLY THE APPROVED REPAIR METHOD SHOWN TO HELP  
MAINTAIN OUR GREENS AND INCREASE YOUR ENJOYMENT.

**DO NOT TWIST OR LIFT SOIL**

**Only YOU can prevent ball mark damage!**

## RIGHT!

- 1) Close the gap/hole with putter by patting down the ball mark.
- 2) Insert *Green-Save* tool on the high side behind ball mark and push the back toward the center.
- 3) Do not pull up, twist or lift with the tool.
- 4) Push both sides of the ball mark into the center.
- 5) Gently tap the surface down with putter.
- 6) Never use loosened turf for repair.

## WRONG!

Pulling up or lifting on the center or the sides will tear the roots and result in brown spots taking weeks for the surface to heal.

**Do not pull up or twist with tool. This will only bring sand to the surface and tear the root system**

## RIGHT!

Insert tool and push back and sides forward to center.  
No damage to root system. Healing starts immediately.

*A Moment with President Schroeder***This too shall pass...I promise**

While the thermometer seems to be stuck at the moment somewhere around 110 degrees most days, it is not the first summer I have experienced here in Sun City AZ with record breaking temperatures and non-existent monsoon storms that would normally provide at least momentary relief.

RCSC aquatic facilities have been a godsend for many as we make our way through both the heat and the health crisis we are managing to survive. Everyone's vigilance wearing masks and following social distancing guidelines has helped to keep everyone safe.

While long planned vacations were cancelled, many have still found a way to escape the heat for a weekend or took a road trip to see family. Some donned face masks and took to the skies as time went by. Others came into town to visit with us, deciding that we all can't stay home or alone forever.

Though many wish that fitness centers would have remained open, RCSC is required to follow the government health and safety requirements. When it is safe to do so, we'll get back to normal. But we're not there just yet. Making these decisions and staying the course have been tough on everybody. But we're getting through it!

We can be certain that sooner or later we will once again enjoy the fabulous weather we so enjoy here in Arizona when we turn the calendar page and autumn arrives. We'll have much to do once we can start spending extended periods of time outdoors – whether it is time spent walking, playing miniature golf or bocce or lawn bowling, fishing, hiking or biking, tennis or pickleball.

Until things improve, gatherings for dancing, cards and game playing will be mainly at home. Social clubs might need to Zoom to resume their gatherings. No matter what - where there's a will, there's a way.

Heck, we can even ask Alexa to pay all sorts of songs that bring back memories and even reminisce about evenings at the Sun Bowl. Dancing makes us happy, so go ahead and just do it.

Several clubs are operating at this time so you can still consider taking up a new hobby. Call ahead and make plans to see what is being offered. Remember - You're never too old to try something new.

We are all looking forward to having more options for recreational activities – many of them in the great outdoors and in the safest manner possible.

Get ready for more fun times ahead. They'll be here before we know it. Someday, this will all be just a distant memory.

## Management Report

### Financial Report:

Since there is no monthly Board meeting in the month of July, the Treasurer's Report is included in this management report.

RCSC's Investment Policy (Bylaws Article XIII) is stringent in its requirements with the priority of investment objectives to be placed in this order: 1) safety, 2) liquidity, and 3) yield.

At the end of the second quarter 2020, \$4,961,507.74 (cost basis) of the \$2.5M unrestricted cash reserve and other unrestricted funds have been invested in various FDIC insured certificates of deposit, treasury bills and corporate bonds. In 2020, these investments along with the unrestricted money market account have produced interest income of \$63,564.75 with management fees of \$5,042.33 for a net income on unrestricted fund investments of \$58,522.42.

As of June 30, 2020, \$5,272,585.65 (cost basis) of the \$5M restricted capital reserve plus interest earned has been invested in various FDIC insured certificates of deposit and corporate bonds. Year-to-date, these investments have produced interest income of \$66,331.56 with management fees of \$5,308.66 for a net income on restricted capital reserve investments of \$61,022.90.

At the end of the second quarter 2020, \$6,615,562.11 (cost basis) of the approximate \$12.5M in the restricted Preservation and Improvement Fund has been invested in various FDIC insured certificates of deposit, treasury bills and corporate bonds. Year-to-date these investments have produced interest income of \$113,616.57 with management fees of \$7,287.32 for a net income on restricted fund investments of \$106,329.25.

The balance of unrestricted funds as of June 30, 2020 was \$15,902,373 which includes a \$2.5M cash reserve. Restricted funds include the Preservation and Improvement Fund ("PIF") and the Capital Reserve Fund. As of June 30, 2020, PIF had a balance of \$17,819,254 plus \$511,605 collected in June that was transferred into the PIF account the first part of July 2020. The Capital Reserve Fund had a balance of \$5,333,958 as of month end.

The Recreation Centers of Sun City, Inc. (RCSC) has ended June 2020 within its operating and capital budget year to date. All Divisions, with the exception of Bowling and Food Service, have met or exceeded their net operating budget projections year to date with total operating income \$46k (~1%) favorable to budget and operating expenses \$806k (9%) favorable to budget. Bowling and Food Service declines are driven by the COVID-19 closure and restrictions with Bowling remaining closed until Phase II of the reopen plan. Income favorability is driven by higher than budgeted income in the Building & Infrastructure and Golf Divisions. Operating expense favorability is primarily driven by lower payroll, utility and general operating expenses across multiple Divisions. Year to date operating excess without projects favorability is \$823k (31%) favorable to budget. RCSC is continuing to see the effect of the COVID-19 related shutdown with June monthly operating income shortfalls in Bowling and Food Service totaling \$58k. However,

Golf operating income excess of \$88k in June offset the shortfall.

### Cardholder Services

Payments on past due assessments in June were 17.6% of past due balances. Overall accounts receivable decreased in June by 7.7% and is up 9.7% from the beginning of the year. Overall accounts receivable past due balances have decreased in June by 6.7%. May assessments went 30 days past due at a 5.5% rate and April assessments went 60 days past due at a 2.4% rate.

Payments from our third-party collections firm totaled \$9,393 in June. Year to date payments through our third-party collections firm total \$48,341. Payments made in June through the online RCSC Web Portal totaled \$162,708 from 352 property owners. Year to date web portal payments total \$1,102,732 from 2,411 property owners.

In June property transfer balances decreased by 7.4%. Outstanding balances related to property transfers represent 49% of all receivables and 51% of past due balances. At the end of June trustee sale notices on Sun City AZ properties ended at 22 and properties owned by lending institutions increased to 4.

## Project Updates

### WiFi Upgrades

The IT Department is completing the work to complete the WiFi upgrade projects. The final upgrades at Lakeview Center are projected to be completed by the first week in August and will round out the upgrades. As presented to the Board of Directors in 2019, the overall budget for the completion of all work is \$28,000. All work is projected to be completed within this budgeted amount. The providers of product and services for this project are: Cox Communications, DataLink Technology Services, Lokket, and RCSC IT staff.

### Bell Center

- Social Hall Restroom and Kitchen Renovations

This project includes the full renovation of the social hall restrooms including the inclusion of accessible facilities. The kitchen renovation will replace flooring, lighting and cabinetry in the kitchen and the trash receptacle areas. The architectural plans have been sent out for bids from contractors with responses due back by 7/24/2020. Upon receipt the bids will be evaluated, and a recommended contractor will be submitted to the Bid Commission for approval. Contractor: TBD (Budget: Restrooms \$120,000 / Kitchen \$80,000)

### Grand Center

- The final Certificate of Occupancy has been received.
- We are continuing to address pending items from moving in the clubs into their new rooms. These are

## Project Updates

(continued from previous page)

expected to be substantially completed by the end of July.

- Final review of the greenhouse environment control system continues to be pending with work being completed in other areas. This is anticipated to be completed by the end of July. Upon that review the on-site training of this system for RCSC staff and the club will be scheduled.
- The video surveillance system has been installed, tested, and a training session held on the operation of the system.
- The target for full opening of Grand Center for use by clubs is Monday 8/3/20. Grand Center hours will be 8am to 4:30pm daily (until further notice).

### Grand Center – Building II

- The final building permit has been approved and received.
- Bid specifications are in the hands of general contractors with a response date of 7/23/20 for bids. Upon receipt the bids will be reviewed, and a recommended general contractor will be presented to the Bid Commission.
- We are optimistic the review of bids and approval of the recommended general contractor will be completed by the first week of August.

### Lakeview Center

- Duffeeland Parking Lot Repairs

This work is complete. Based upon the cost of the bids to complete this work, the RCSC Grounds department will provide and install the necessary quarter minus necessary to smooth out the bumps in the parking lot. This work includes the painting of the wheel stops in the parking lot caution yellow and leveling out the gravel parking lot. The painting of the blocks is complete and pending review of bids for the parking lot leveling. Contractor: Exquisite Painting, RCSC Grounds (Budget \$4,000)

- Lakes East/West Maintenance Yard

Review of the design with steel building suppliers has not yet been scheduled. These are expected to be completed in July.

Based upon the price fluctuations in steel and potential delays in steel supplies, the use of a steel building will be compared to a more traditional block construction that has more available building components.

### Mountain View Center

- No planning or design work completed since the last report.

### Solar:

#### New Issues:

- Lakeview Lanes – # 11

Inverter has a ground fault error 7/1/2020. B&I reset 7/2/2020. Issue resolved.

#### Issues Resolved:

- Willowbrook/Willowcreek – #1

On 6/8/20 this inverter had an internal electrical issue that caused damage to the inverter. This inverter has been approved for a warranty replacement. The replacement inverter was received and installed on 6/18/20.

#### Open Issues:

- Fairway Center – # 10

On 5/29/20 inverter #10 was damaged. It is unclear whether this was unintentional vehicle damage or intentional vandalism, although the latter is thought to be the case. A report has been filed with MCSO and an insurance claim is being processed. The inverter site has been secured and made safe while the replacement of the inverter is being completed. Since the ABB inverter model installed at this location is no longer available and other manufacturer inverters cannot be installed at the site without communications problems, an ABB model inverter installed at Lakeview Lanes will be moved to Fairway and a replacement SMA model will be installed at Lakeview Lanes. This strategy has been used in the past but there were concerns of availability of a

compatible SMA model for installation at Lakeview Lanes. The replacement SMA model has been sourced so this strategy will be used.

- Oakmont Center – # 01/02/03/04/05/06

The inverters at Oakmont Center are not reporting production data. This has been an outstanding issue since July 2018. The production meter shows overall production data for the site, but the individual inverters are not reporting production to the AlsoEnergy aggregation reporting site.

The replacement data logger has been received and installed. This is the newest model and is supported by both Also Energy and Fronius. Escalated support at both Also Energy and Fronius have not identified a resolution to the communication problems between the inverters and the data logger.

- Lakeview Rear – # 01/02/03/04

Similar to the Oakmont site the inverters at the Lakeview Rear site stopped communicating with the AlsoEnergy data logger and thus the AlsoEnergy aggregation reporting site. The Lakeview Rear inverters are Fronius models similar to Oakmont Center with these two sites being the only Fronius inverters in the RCSC Solar environment.

Pending confirmation of restored functionality at Oakmont Center.

- Lakeview Lanes – # 01/02/03/04/05/06/07/08/09

Production results significantly lower than expected for this group of inverters. Four of the replacement SMA inverters were installed at this location and the production output was similar to the PowerOne/ABB models removed. DC voltages from the solar panels were field tested and did not indicate significant under supply of voltages. Additional investigation needed on these inverters to identify a cause of the under production and if preventative maintenance tasks positively affect performance.

No resolution to this production issue this month. Some electrical plant equipment issues were identified through the review by Kortman on 06/18/2020. The recommended actions were received in early July. This recommendation and its associated costs are being reviewed.

### Production Data:

After including June production data, the lifetime to date production vs expected went down again slightly and is over expected by 5.44%. The percentage of inverters producing above expected reduced by 3 inverters to 79%. Two of these inverters had small reductions of less than 0.06% that moved the overall inverter production from just over even to expected production to just under expected production.

### I asked the librarian where the books on paranoia were?

"They are right behind you," the librarian replied.

### I asked the librarian if they could direct me to the self-help books.

The librarian stated, "That sort of defeats the purpose, doesn't it?"

### I asked the librarian if they had a book on Pavlov's Dog and Schrodinger's Cat.

After thinking a moment, the librarian said, "It rings a bell, but I'm not sure if it is here."

### It's hard to go on a date with a librarian.

They're always booked.

Patron: Yeah, I'm looking for a book about- Librarian: Being psychic?

Patron: No

Librarian: One day that will work!

### I asked the librarian if they had any books on turtles.

"Hardback?" the librarian inquired? "Yes," I replied, "and little heads."

### What happens after a cannibal has eaten a librarian?

Reader's Digest.

### What do you call a sunburned librarian?

Well red.

### A plumber was called to fix a leaky pipe in the library restroom.

The plumber made too much noise; so, the librarian asked the plumber to pipe down.

The librarian says . . .

## Water Conservation

### Ways to Save Water - Both Inside & Out

While water covers about 70% of the earth's surface which may sound like a lot, approximately 97% of that is salt water. That doesn't leave much usable water left over for the 7 billion people on this planet. Every day, people in the U.S. drink about 110 million gallons of water. And if every home in America had a faucet that dripped just once each second, 928 million gallons of water every day would go down the drain. Water conservation efforts can stop this waste and help ensure adequate water supplies for future generations. Why not choose one or two from the lists below and start saving water (and money) today!

#### INSIDE YOUR HOME

- Check faucets and pipes for leaks periodically. Repair or place as necessary.
- Check for toilet leaks by adding food coloring to the tank. Color will appear in the bowl within 15 minutes if there's a leak.
- When washing dishes by hand, do not let the water run. Fill one sink with wash water and the other with rinse water.
- Do not pre-rinse dishes before loading them in the dishwasher. Most newer models do not require pre-rinsing.
- Use the garbage disposal sparingly.
- Wash produce in the sink or pan partially filled with water instead of running the tap. Then use the water on house plants.
- Run clothes washer and dishwasher only when full and you'll save up to 1,000 gallons per year.

#### OUTSIDE YOUR HOME

- Check irrigation systems periodically for leaks and keep sprinkler heads in good shape.
- Group plants with the same watering needs together to avoid overwatering some, underwatering other.
- Use a broom or blower instead of a hose to clean driveways, patios and walkways.
- Use a layer of organic mulch on the surface of planting beds to retain moisture and to minimize weed growth that competes for water.
- Use a bucket of soapy water when washing your car, running the hose only to rinse. Or better yet, go to a commercial car wash that recycles water.
- Make sure swimming pools, fountains, ponds and other ornamental water features are equipped with re-circulating pumps.
- When backwashing your pool, consider using the water in your landscaping.
- Report broken pipes and errant sprinklers to property owner, water company or appropriate authorities.

Every Drop Counts!  
Do your part to help conserve!

## RCSC Phased Re-Opening of Recreation Facilities (with Updates)

*This phased re-opening plan for the facilities owned and operated by the Recreation Centers of Sun City, Inc. remains in effect as previously published and as of press time, we were still in Phase One. The State of Arizona and Governor Doug Ducey will announce when it is safe to proceed to the next phase. Your continued support and cooperation are appreciated and we move into this new normal. The safety and well-being of RCSC Cardholders has been and remains our number one priority.*

The RCSC Board of Directors approved a re-opening plan for the Recreation Centers of Sun City, Inc. which began on Tuesday, May 19, 2020 with summer hours.\* The Federal Government published guidelines for "Opening Up America Again" which provided a basic framework for a three-phased approach to re-opening. RCSC has used this framework to develop the plan for re-opening RCSC facilities, offices, events and entertainment. Governor Ducey announced on May 12, 2020 that Arizona was in Phase One and the Stay at Home Order would expire on May 15, 2020.

*\*Summer hours are Lakeview, Oakmont and Mountain View which will remain open until 8pm Monday-Saturday starting now through Labor Day weekend; all other center hours remain the same. Normal hours for centers goes back into effect on Tuesday, September 8.*

There is much excitement and anticipation as we start to bring use of the RCSC facilities and activities back into the community that so many enjoy and have missed during this period. The re-opening process will likely involve much tolerance, acceptance and respect from all participants. Your cooperation will help to ensure a smooth transition as we move forward.

Re-opening RCSC facilities will require strict adherence to safety and sanitation protocols during these phases developed by the RCSC Management Team and Board of Directors specific to the facilities and activities offered here in Sun City AZ to ensure the continued well-being of both Cardholders and RCSC employees.

Due to the physical distancing requirements, it is imperative that Cardholders realize that admittance to facilities will remain extremely restricted and that no congregating nor waiting for available space to become available will be allowed. Your understanding and cooperation as we deal with these limitations may alter how we proceed going forward through these phases.

Below are the requirements and restrictions which must be adhered to as we proceed through each Phase as we begin the process of re-opening RCSC facilities.

### PHASE ONE

- No guests or visitors allowed.
- Strict physical distancing requiring a minimum of six (6) feet of space between people at all times with preferably more distance when available.
- All indoor facilities, excluding Sundial pools and indoor spas, require face masks.
- All outdoor facilities, excluding walking pools, do not require face masks. Face masks are required for walking pools as there are turn-arounds where walkers cross and it allows faster walkers to safely pass slower walkers.
- Use of hand sanitizer required upon entry.
- Sanitation protocols include sanitization of equipment, tools, workstations, chairs, stools, seating, tables, pens/pencils and anything handled by more than one person prior to use by each Cardholder.
- Members must not use equipment that is positioned within six (6) feet of another piece of equipment until the adjacent equipment is not in use.
- Cardholders must adhere to all Phase One facility rules and regulations.
- Any activity that does or can cause contact between two people cannot be re-opened in Phase One.

### PHASE TWO (Effective Date to be Determined by the State of Arizona)

- No guests or visitors allowed.
- Moderate physical distancing requiring a minimum of six (6) feet of space between people excluding an occasional situation when such is not possible unless Phase Two facility rules require otherwise which will be posted.

- All indoor facilities, excluding Sundial pools and indoor spas, require face masks.
- All outdoor facilities, excluding walking pools, do not require face masks. Face masks are required for walking pools as there are turn-arounds where walkers cross and it allows faster walkers to safely pass slower walkers.
- Use of hand sanitizer required upon entry.
- Sanitation protocols include sanitization of equipment, tools, counters, workstations, chairs, stools, seating, tables, pens/pencils and anything handled by more than one person prior to use by each Cardholder
- Members must not use equipment that is positioned within six (6) feet of another piece of equipment until the adjacent equipment is not in use.
- Cardholders must adhere to all Phase Two facility rules and regulations.
- Any activity that does or can cause contact between two people cannot be re-opened in Phase Two.

### PHASE THREE (Effective Date to be Determined by the State of Arizona)

- Guests and visitors allowed.
- Limited physical distancing requiring as much space as possible.
- Use of hand sanitizer required upon entry.
- Sanitation protocols include sanitization of equipment, tools, counters, workstations, chairs, stools, seating, tables, pens/pencils and anything handled by more than one person prior to use. Cardholders must adhere to all Phase Three facility rules and regulations.
- Any activity that does or can cause contact between two people can be re-opened in Phase Three.

### CARDHOLDERS SHOULD BE ADVISED OF CDC & EXECUTIVE ORDER RECOMMENDATIONS DURING PHASES ONE and TWO

- All vulnerable individuals should continue to shelter in place through Phase One and Two. Vulnerable individuals are defined as individuals 65 and older and/or individuals with serious underlying health conditions, including high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune system is compromised such as by chemotherapy for cancer and other conditions requiring such therapy.
- Individuals who are symptomatic must stay home.
- Individuals who have a fever (100.4 F or higher) must stay home.
- Individuals must wash their hands thoroughly and frequently.

### Activities Available During Each Phase

The following activities will be available either during Phase One or Phase Two at the various recreation centers. Please note that all of the requirements and restrictions listed above must be adhered to in addition to the caveats below for specific activities:

#### Phase One - Activities

- Fitness Centers (closed per Executive Orders 2020-42 and 2020-53 as of press time)
- Pools & Spas, Indoor & Outdoor
- Duffeland Dog Park
- Hillside Park at Lakeview– Walking Trail, Fishing, Row Boats only (no Paddleboats)
- Horseshoes (only 2 persons per court)
- Lawn Bowling (only 2 persons at each end of each rink) Locker & Changing Rooms, Showers & Restrooms (no lockers at Sundial due to key/card exchange)
- Miniature Golf (only 2 persons per hole)
- Pickleball (only 2 persons per court)

*(continued on next page)*

## RCSC Phased Re-Opening Plan-Updated

*(continued from previous page)*

- Row Boats (only one person per boat)
- Shuffleboard (Outdoor at Lakeview only with only 2 persons per court)
- Table Tennis (only 2 persons per table)
- Tennis (only 2 persons per court)
- Tracks – Indoor & Outdoor

### Phase Two - Activities

- Bowling (only 3 players per lane)
- Billiards (only 2 players per table)
- Darts (only 2 players per machine)
- Shuffleboard (Indoor at Bell - only 2 players per court)

When Phase Three has been reached, vulnerable individuals may resume various activities and public interactions, but should continue to practice physical distancing, minimizing exposure to social settings where distancing may not be practical, unless precautionary measures are observed.

### UPDATED - RCSC BOARD & COMMITTEE MEETINGS:

RCSC Board & Committee Meetings resume in September. The first RCSC Board of Directors Meeting will be in the Sundial Auditorium at 9am on Monday, September 14, 2020. Face masks, hand sanitation upon entry and strict physical distancing will be required. Committee meetings scheduled will also require these protocols. For a complete list of committee meetings please see page 7 or visit the RCSC website at <https://suncityaz.org/rcsc/board-and-committee-meetings/>

**UPDATED - RCSC ADMINISTRATIVE OFFICES AT LAKEVIEW** - Corporate/Board, Cardholder Services, Chartered Clubs, Human Resources

All administrative offices at Lakeview Center have resumed normal business hours. Face masks, hand sanitation upon entering and physical distancing are required. In addition, a maximum of only two (2) Cardholders at any one time will be allowed in the waiting areas excluding Cardholders Services which can accommodate six (6) Cardholders in its waiting area. Appointments to meet with staff at Corporate/Board, Chartered Clubs and Human Resources offices are highly recommended during Phase One and Phase Two.

### UPDATED - RCSC CHARTERED CLUBS:

All Club Presidents have been contacted and are being asked to determine what phase they can meet the requirements to re-open. Several individual Chartered Clubs have been allowed to re-open, with requirements that face masks, proper sanitation and limits to the number of members present is being adhered to. No guests or visitors will be allowed to participate in any Chartered Club activities until Phase Three. Please contact individual clubs directly for the most up-to-date information regarding meeting times, club hours, etc.

### UPDATED - EVENTS & ENTERTAINMENT:

All events and entertainment scheduled throughout the summer have been cancelled. Due to restrictions currently in place, we are also cancelling all Fall 2020 Sun Bowl Concerts that were to begin on Sunday, September 27, 2020. More information about events can be found online at <https://suncityaz.org/recreation/concerts/>. The Events & Entertainment Office located at Sundial Center will remain closed to until Phase Three; however, phone calls and emails are being addressed as they are received on an on-going basis.

### A FINAL NOTE TO CARDHOLDERS:

Your patience, understanding and kind words during this difficult time have truly been appreciated. We start the process into this new normal going forward one phase at a time, one day at a time, knowing that this transition has been challenging from all sides and wish only the best for everyone's well-being and continued good health.

## Performing Arts

### Handbell Ringers of Sun City

The Handbell Ringers of Sun City are currently on hiatus due to COVID-19 restrictions. The group will resume rehearsals on Fridays from 9:00-11:30am in the Fairway Music Room when all restrictions & requirements can be met. No visitors will be allowed until we reach Phase 3 of the re-opening plan for RCSC properties. Membership is open to RCSC Cardholders & invited guests. FMI contact Doreen at doreenc4488@gmail.com.

### Sun City Concert Band

Rehearsals remain on hiatus until requirements & restrictions with regards to COVID-19 can be met.

Dust off your instruments & join the Sun City Concert Band under the direction of Ken Jaeger, well known Arizona Band Master & clinician. Charles Musgraves joins us as Associate Conductor. SCCB rehearses Tuesdays from 9-11am September through April at Fairway. Annual dues are \$5; membership is open to all RCSC Cardholders.

Visit the band's website at [sccband.org](http://sccband.org) for more information. To be placed on our Notification E-mail List, contact band President Jim Wise at 602-625-5211 or request online at <https://suncityaz.org/recreation/clubs/sun-city-concert-band/>

### Piano Club of Sun City

Piano Club is currently on summer hiatus. Meetings will resume in the fall provided that requirements & restrictions for re-opening at that time can be met.

The Piano Club meets 9:30am the third Friday of each month, October through April, in the Sundial Auditorium. You do not have to play or perform to become a member. Just enjoy the music, treats, and companionship. Annual membership is \$10 per person or \$15 per household for RCSC cardholders only. RCSC cardholders and escorted guests are always welcome.

We will be closing for the summer after this music program. Look for more great music next fall.

### Choraliers of Sun City

The Choraliers are on hiatus through the rest of 2020 and are hoping to resume rehearsals on January 4 presuming that requirements & restrictions in place at that time can be met.

The Choraliers are an accomplished SATB choir that sings a variety of music from classical to jazz. The Choraliers perform at social functions, churches, healthcare facilities & retirement communities, performing up to 10 concerts a season, including some public concerts. Rehearsals for the Choraliers are on hiatus from May thru August. The group meets every Monday 8:30-11am in Fairway Music Room (second floor). If you are interested in singing in a quality choir, sit in on a rehearsal & decide if we are right for you. FMI visit [www.suncitychoraliers.com](http://www.suncitychoraliers.com)

### Sun City Womens Chorus

The Sun City Women's Chorus takes the health and well-being of all participants seriously.

With this in mind, we have determined it to be appropriate to cancel our Holiday Concert typically held in the month of December. Therefore, we will not have rehearsals this fall. We do expect to resume rehearsals on Thursday, January 7, 2021 at 8:45 a.m. at the Fairway provided all requirements and restrictions at that time can be met.

All women with current RCSC membership are welcome to join us. We plan to perform our Spring Concert on Sunday, April 11. Many people purchased tickets for our cancelled concert this past March. We will honor those tickets at our Spring Concert. Thank you for your understanding during these difficult times. We look forward to seeing you then. If you have any questions, please contact Annette (623) 308-4643. The Chorus always welcomes new members who enjoy singing four-part harmony with a current RCSC card. No audition is required. FMIIC Annette 623-308-4643.

Tips from Get Fit for Life -

## The Aging Process Affect All Body Systems

"The chronological clock takes a toll, as active adults begin to age," states Jane Fortier, senior fitness specialist and co-owner of Get Fit for Life. "The term "AGING PROCESS" refers to universal physiological changes that take place in the human body, due to chronological aging. These changes are independent of disease, genetics, behavior and lifestyle. These changes occur in an individual regardless of their level of fitness. And, these changes are definitely going to affect how a person feels and functions."

As we age, the following physiological changes occur:

- **CARDIOVASCULAR/RESPIRATORY SYSTEM**

\*heart structure alter as the size of the left atrial chamber increases \*blood vessel walls thicken, as well as the walls of the left ventricle \*blood pressure increases \*cardiac output (stroke volume) decreases \*lung tissue loses its elasticity, and lung capacity diminishes by half \*the blood absorbs less oxygen and expels less carbon dioxide, thus reducing aerobic capacity

- **SKELETAL SYSTEM**

\*bones become thinner \*joints become stiffer because of diminished synovial fluid \*calcification occurs in and around joints \*intervertebral disks, which are gel-like in nature, lose fluid, resulting in compression and shortening of the entire vertebral column \*compacting of the spine creates a more pronounced thoracic curvature \*time-worn cartilage becomes eroded

- **COGNITION & MENTAL CLARITY**

\*processes such as attention, judgement, memory and reasoning decline, due to changes in brain tissue \*response time and thought development slows down \*language processing is diminished and recall becomes more difficult \*the ability to anticipate and adapt to a changing environments increases the danger of falling

- **ENDOCRINE SYSTEM**

\*hormone production in males and females declines \*changes in estrogen, testosterone and progesterone effect fat allocation, with more settling in the abdominal area \*fat mass increases due to muscle loss and a slowing metabolism

- **SENSORY SYSTEM**

\*changes occur in vision clarity \*problems with depth perception and contrast sensitivity \*changes in hearing and vestibular health \*tactile receptors decline, and the sense of touch is less acute in hands and feet \*proprioception (the ability to maneuver in 3-dimensional space) declines

- **MUSCLE AND CONNECTIVE TISSUE**

\*changes occur in the Slow Twitch and Fast Twitch muscle fibers \*Sarcopenia (loss of muscle due to chronological aging) begins to affect movement and body composition \*functionality becomes difficult due to muscle and connective tissue atrophy

"Exercise is the number one line-of-defense, when dealing with the physiological changes that accompany the AGING PROCESS," states Fortier. "A good exercise program for someone over 50 years would have three parts to it: aerobic, strength, flexibility. These three forms of exercise can have a positive impact on how an aging adult feels and functions."

Get Fit for Life trainers design programs that address needs, goals and medical issues. They teach clients how to exercise safely and effectively. Services are available in all Sun City Fitness Centers. To find out more about services visit Get Fit for Life Sun City on Facebook, or call 623-696-6820.

LaTouch Wellness Massage Therapy Shares...

## The Benefits of Chair Massage

The term "Chair Massage" (also referred to as seated massage) describes the type of massage that is performed while the client sits fully clothed in a special chair. Staying dressed and publicly visible has had a tremendous impact on how people perceive massage.

This is a great way to experience massage; with seated chair massage the mystery and fear of the unknown is eliminated. It is necessary for the massage therapist to have you complete a quick form with a few health-related questions. This is necessary to make sure there are no contraindications. Even though there are not many conditions that are aggravated by seated massage, sometimes it is better not to have a massage, e.g., fever or flu.

Once the therapist assists you in getting on the chair, they will use a combination of Shiatsu and Swedish massage techniques, beginning by touching you lightly on your shoulders or upper back. The focus will move to relaxing your neck, shoulders, and whole back. Your arms, hands and head may be included within this massage as well.

Massage therapy is no longer considered a luxury; we are beginning to realize the effects that stress have on our health and well-being. Dr. Tiffany Field, founder of the Touch Research Institute at the University of Miami School of Medicine stated that, "Any type of massage, including chair massage is very beneficial." Research indicated that a 15-minute chair massage will assist in:

- Increasing circulation and the flow of nutrients throughout the system
- Reducing muscle tension that can lead to chronic pain
- Stimulating lymphatic tissues thereby flushing out toxins
- Helping to relieve muscle stiffness and stress-induced tension
- Releasing endorphins ("feel-good" hormones) into the bloodstream
- Reducing fatigue, anxiety and depression
- Helping provide better quality of sleep.

During these trying, times a Chair Massage Session may prove to be beneficial. \*The Massage Therapist and the Client will wear a Mask & Hand Sanitizer will be used!

*Massage helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for yourself, call and schedule an appointment today!*

### Spanish Club - El Circulo Español

Whether you are new to the Spanish language, want to re-awaken skills learned long ago that are now dormant, or are a moderately advanced student looking to improve your conversational chops, you've found a home with El Círculo Español, the Sun City Spanish Club.

In response to the pandemic, the Club has decided not to resume classes at Fairway Recreation Center until Phase 3 restrictions have been lifted. The Board will meet in late August to decide what to do if these restrictions are still in place this fall. CHECK OUR CLUB'S website (see link below) for updates that may have taken place AFTER Sunviews publication date.

In the meantime, we are sending our members sets of weekly cartoons in Spanish via email. This is a fun and easy way to keep working on Spanish vocabulary. And Club VP Joe Hewitt assembled a wonderful document of sources for online learning of Spanish to help members continue to work on learning Spanish from home!

If you'd like to receive these resources and aren't yet a member of El Circulo Español, visit our website at <https://suncityaz.org/recreation/clubs/spanish-club/>, download the membership form and mail it to our Treasurer whose address is on the form, along with a check for \$10 for your Club membership dues. We'll add you to our membership list and you can then email us and request these resources be emailed to you.

If you already ARE a member and haven't received them, email us at [SunCitySpanishClub@gmail.com](mailto:SunCitySpanishClub@gmail.com) to request they be sent to you.

If Phase 3 restrictions ARE lifted by the fall, our class registration event will be October 15, 2020 at 5pm at Fairway, Arizona Rooms 1-2. Fall classes would begin October 19. So mark your calendars now.

Stay safe and healthy this summer!

If you have questions, please feel free to contact us via email at [SunCitySpanishClub@gmail.com](mailto:SunCitySpanishClub@gmail.com).

### SunMacs (Apple Macintosh) Computer Club

Currently closed - As of press time, this club had not requested to open.

Club Hours: Monday-Thursday, 8:30-10:30am & noon-2:30pm. Check Calendar for Friday Sessions.

Our 2020 Officers are: President Isaac Bonifas; First Vice President Agnes Holub; Second Vice President Pat Always; Secretary Barb Swintek; and Treasurer Judy Wright.

We specialize in assisting our members with Apple Products & Software. Located at Sundial; RCSC card required for membership. Annual dues: \$20 single/\$30 couple at same address.

We offer classes, Round Tables and Socials, free to club members. Some classes require pre-registration. For more information about the Club and a calendar schedule of classes offered, visit [www.sunmacs.org](http://www.sunmacs.org) or phone our club room (623-933-5300).

## LIFELONG LEARNING SUN CITY AZ

As everyone knows and understands, the COVID-19 pandemic has not waned. Because our members are in a high-risk group, the number of cases in Arizona is not declining and physical distancing cannot be practiced for registration and classes, we regret to inform members that the Executive Board of the Lifelong Learning Club has decided to cancel the Fall Semester.

We are hoping to resume for the Spring semester in 2021. In the meantime, everyone please stay safe.

Open to all RCSC Cardholders. Choose up to 10 classes per semester for one low fee; restriction is due to the limited amount of classroom space available. FMI email [sczlifelong@gmail.com](mailto:sczlifelong@gmail.com) or visit <https://suncityaz.org/recreation/clubs/lifelong-learning-club/>

# Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 57 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2019, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
