## RCSC Election Nears; Voting Starts November 9

The RCSC Board of Directors and the Elections Committee are pleased to announce the seven candidates whose names will appear on this year's ballot – Steve Collins, Kat Fimmel, Martin Heinrichs, Dale Lehrer, Karen McAdam, Sheila Rooney and Sue Wilson.

When early voting starts on Monday, November 9, 2020 (via the RCSC Web Portal), RCSC Members will be voting to fill a total of five vacant board seats. The three Directors whose terms expire at the end of December are currently held by President Dan Schroeder, Vice President Dale Lehrer and Treasurer Sue Wilson. In addition, there are two other seats on the Board currently filled by appointees Ron Jesse and Jerry Walczak that will become vacant.

Based upon ballots cast, the top three candidates with the most votes will serve full three-year terms; the fourth vote-getter will serve a two-year term and the fifth-place candidate will serve for only one year. All candidates must receive a minimum of 100 votes in order to win a seat on the Board. Should there not be five eligible winners, the Board will appoint additional Member(s) as necessary.

Due to COVID-19 sanitation restrictions, there is no candidate literature being placed at the various centers this election. Candidate biography information can be found in this edition of SunViews (see pages 17-18) and via the RCSC Web Portal once online voting begins. Video introductions of the candidates have also been recorded and can be viewed on the RCSC YouTube channel (which can be accessed from the RCSC website at [www.suncityaz.org](http://www.suncityaz.org)).

Those wishing to meet the candidates live have a number of opportunities in the coming weeks at Board Meetings on November 9 and 19. In addition, two "Candidate Forums" are scheduled where RCSC Members will have the opportunity to hear those seeking to be elected answer questions presented by both the forum moderator and members of the audience. There will be both an afternoon and an evening session so that those with daytime commitments will also have an opportunity to meet the candidate. Both sessions will be held in the Sundial Auditorium – the first one on Monday, November 2 from 2 to 4pm and an evening session on Thursday, November 5 from 6 to 8pm. Members are welcome to arrive one-half hour early for social time and to meet the candidates. Please note that physical distancing will be observed and sanitation, face masks will be required; no refreshments will be served.

Should neither forum session be convenient, video recordings will also be posted on RCSC's YouTube channel for Members to view at their leisure. Reminder notices will be sent via RCSC News Email Alerts when this information and documentation becomes available.

In addition to online voting, Members may request Absentee Ballots (if necessary) by calling the Corporate Office at 623-561-4600 anytime between November 10 and no later than December 1 if needing to be mailed. All absentee ballots must be received by Election Day (Tuesday, December 8, 2020) which is when in-person voting will occur at Lakeview Center Social Hall #2 only from 8am to 4pm.

*Candidate biographies and goals can be found on pages 17-18.*

### More Events Cancelled

## Help Others This Holiday Season

As we enter into the holiday season with continued concern for the health and well-being of all RCSC Cardholders and staff, we will unfortunately be cancelling a number of annual community events. The Sun City AZ Arts & Crafts Festival, normally held the Friday and Saturday after Thanksgiving, will not occur this year. In addition, both the Sun City AZ Holiday Celebration at Lakeview and the free "In the Mood" Christmas concert at Sundial are also cancelled.

However, we are very excited to announce the return of the "Santas for Seniors" charity drive. You'll have the opportunity to help make the upcoming holidays a little brighter for those who have qualified for Sun City Foundation assistance this past year by participating in this hugely successful program which helped many last year thanks to your overwhelming generosity.

Starting on Monday, November 9, 2020, take a tag from the tree in either the Fairway Center lobby or Bell Center pool/fitness entry and return it to the RCSC Corporate Office at Lakeview Center no later than Friday, December 11 with a \$25 gift card (Fry's, Safeway, Walmart, etc.) and we'll share your generosity with those less fortunate.

The Sun City Foundation, a 501(c)3 organization helps Recreation Centers of Sun City, Inc. (RCSC) Members who have outlived their resources through assistance with RCSC annual property assessments, allowing these Members to continue their use of the recreational facilities and remain active and social.

Your donations to the "Santas for Seniors" program this holiday season will be helping someone truly in need right here in Sun City AZ. Thank you for caring and sharing with others in the community. For more information, please contact the RCSC Corporate Office at 623-561-4600.

## Grand "Rising" Has Begun

General Contractor Robert E. Porter Construction, Inc. got quickly to work in mid-September once fencing and traffic flow was redirected with earthwork on the building pad site for Building II at Grand Center. It is anticipated that this construction should be completed within six months, with Vintage Vehicles and the Sun City Sportman's Clubs anxious for occupancy this spring. Once completed, this new building will add another 14,000 + square feet of dedicated club space for RCSC Cardholder activities.

## Golf & Grounds Report

### Pro Shops

Golf rounds in August increased by 3,967 over prior year and represent the most rounds played in August since 2007. For the year Riverview has played 37,413 rounds, followed by Lakes West (36,158 rounds), South (34,869 rounds), Willowcreek (34,753 rounds) and North (29,632 rounds). For the month 60% of rounds played were played by Annual No-Fee golf passholders and Annual Surcharge Fee golf passholders.

On September 4, we will host a fundraiser event to raise funds for Patriot Golf Day and the Folds of Foundation. Despite restrictions due to COVID-19, we had a total of 80 participants in this year's event, matching last year's total. Total fundraising efforts fell short of previous year, as we avoided fundraising efforts that dealt with cash.

### Golf Courses

All major summer agronomic procedures have been completed and overseeding begins on September 28 for South, Lakes East, Willowcreek and Riverview. These courses will reopen on October 17 with cart path restrictions in place until November 6. The remaining courses will close October 19 and reopen November 7 with cart path restrictions in place until November 20. We are currently not planning an overlap period during which all courses will be closed, however we will be monitoring long range forecasts as we near the September 28 start date. Should forecasted temperatures prove problematic for overseeding, we will move the start date for the first wave of course closures to October 5. Should this change prove necessary, it will result in an overlap period of course closures as we will not move the second wave of course closures back.

During this overseed/winter season we will be running three trials of putting green seed mix. The trials will take place on Lakes East, Quail Run and the practice putting greens at South. Our traditional mix consists of 70% rye grass and 30% Poa Trivialis. For the courses undergoing the trial, bent grass will be added to the mix. These courses will use 70% rye grass, 20% Poa Trivialis and 10% bent grass. The practice putting greens at South will not use any Poa Trivialis. The mixture on the practice putting greens will be 70% rye grass and 30% bent grass. We are undergoing these trials as the number of Poa Trivialis growers has been decreasing as they switch their fields to crops that yield a bigger return on investment. We want to be prepared should Poa Trivialis become unavailable or the price becomes too high. The trials of the bent grass will give our superintendents additional experience in managing a bent grass surface for play and through summer transition.

### Lawn Bowling

Mowing heights have been lowered following the completion of summer agronomic practices. The lowered heights have resulted in a quickening of pace. Lawn Bowl pace now range from a slow of 10.6 seconds at Mountain View to a high of 12.6 seconds at Bell North. The unusually hot summer and lack of rainfall resulted in greens needing additional water throughout the summer. All greens, except Mountain View, are still carrying higher than normal moisture readings. The Moisture Quotient (MQ) readings range from a low of 6.9 at Mountain View to a high of 19.6 at Lakeview West. The average MQ reading for all 6 greens has decreased by 21% over the last month.

The softball field and areas around Sun Bowl will be overseeded beginning the week of September 28. Overseeded areas around Lakeview will begin the week over October 5.

## Thoughts from a Pro

### Developing A Pre-Shot Routine

One of the most important things to do during practice is to develop a consistent pre-shot routine. A pre-shot routine keeps you focused on the task at hand and becomes a way to ready yourself to hit your shot without overthinking. Pre-shot routines may include a variety of elements; however, the key is practicing it over enough times where it becomes automatic.

Here are some things to include in working on your pre shot routine.

1. Practice swings - Not all people include a practice swing, but if you do make sure you limit yourself to just one on the course. If you think there is a good reason to take one, do it! If not and it just tires you out, skip it! This is all about what works for you.
2. Alignment - Standing behind the target line and choosing a spot to line up with is usually most effective but however you decide to ensure your alignment is consistent must be included.
3. Addressing the ball - Meaning lining up the clubface to the hole, taking your grip and lastly your stance.
4. Trigger to swing - This is different for everyone. Some people take a breath, others do a waggle with their hands and club, or maybe a forward press...whatever you choose it must be the same every time.

Think of another sport you may be familiar with that may have a pre-shot routine. I think of hitting a serve in tennis or shooting a free throw in basketball...it doesn't matter how many times you bounce the ball before take your shot or hit your serve, only that you do it the same way each time. Work out your pre-shot routine for golf so that its comfortable for you.

Remember, a good pre-shot routine takes a matter of 10-20 seconds, so it is not about playing slow. We always want to move along on the course to make the game more fun for everyone. The most important reason for developing your pre-shot routine is so that you will do the same thing every time, for every shot. This helps with consistency and overthinking. You will automatically go into your routine instead of cluttering your brain with distractions! Try it and see how it works for you!

## Voting in the RCSC Board Election; A New Normal?

Just like everything else in 2020, this year's RCSC election is proving to be just one more anomaly in this year of "new" normals.

The Elections Committee did an outstanding job recruiting seven candidates who'll appear on the ballot. Each candidate offers experiences and talents that make them uniquely qualified to be elected, most importantly their desire to serve the community.

Serving on the RCSC Board of Directors is often an eye-opening and rewarding experience for those who take a seat at the table. Making decisions which may not be welcomed by many is a tough job. And this year has proven to be a real humdinger when it comes to doing what is reasonable, prudent and best for keeping our members and RCSC staff as safe as possible while following guidelines and restrictions, mandates and requirements.

While a "normal" year would have us electing three new Board directors, there are five positions which must be filled as a result of this election. Besides the three vacancies that routinely cycle through the process, there are two spots that are currently held by people appointed by the Board who are serving through the end of the year.

And that's one of the reasons your vote in the RCSC Election this year is more important than ever.

The three candidates who receive the most votes will fill the three expiring terms that are now held by Vice President Dale Lehrer, Treasurer Sue Wilson – and yours truly. The candidates who receive the fourth and fifth highest vote count will serve two years and one year respectively to complete the terms of the vacated seats.

In reality, this means we could have half of the Board change in this single election. The "normal" cycle of three expiring terms

each year provides consistency and continuity on the Board. Let's hope we can get back on track as a result.

You need to keep in mind that anyone elected to the Board must receive a minimum of 100 votes. While Sun City residents are avid voters in most national, state and local elections – not so much when it comes to voting for the RCSC Board. Most years, turnout is down right dismal. Remember, any remaining vacancy resulting from this election will once again be filled with an appointee. Don't just sit back and do nothing. Make your voice heard and make your vote count. Do it online starting Monday, November 9; do it in person on Election Day (Tuesday, December 8). Request an absentee ballot if you must. Just do it!

Another reason this election is so important is that a search for a new RCSC General Manager will take place next year, for which the Board of Directors is responsible. Who you elect now for the Board will be making decisions and that will have consequences for years to come.

Yes...just like clockwork, the RCSC Board of Directors Election happens every year. Why not make a real difference this time around and vote for a change in this very important, extremely local election?

Remember - it is 2020 and nothing is "normal!"

## Management Report

### Financial Report

The Recreation Centers of Sun City, Inc. (RCSC) has ended August 2020 within its operating and capital budget year to date. All Divisions, with the exception of Bowling and Food Service, have met or exceeded their net operating budget projections year to date with total operating income \$93k (1%) favorable to budget and operating expenses \$889k (7%) favorable to budget. Bowling and Food Service declines are driven by the COVID-19 closure and restrictions with Bowling remaining closed until Phase II of the reopen plan. Bowling did reopen in August, but income remains lower than budget. Income favorability is driven by higher than budgeted income in the Building & Infrastructure and Golf Divisions. Operating expense favorability is primarily driven by lower payroll, utility and general operating expenses across multiple Divisions. Year to date operating excess without projects favorability is \$977k (45%) favorable to budget. RCSC is continuing to see the effect of the COVID-19 related shutdown with August monthly operating income shortfalls in Bowling and Food Service totaling \$44k. However, Golf operating income excess of \$76k in August offset the shortfall.

### Cardholder Services

Payments on past due assessments in August were 8.0% of past due balances. Overall accounts receivable increased in August by 4.8% and is up 16.2% from the beginning of the year. Overall accounts receivable past due balances have increased in August by 3.2%. July assessments went 30 days past due at a 5.6% rate and June assessments went 60 days past due at a 1.6% rate.

Payments from our third-party collections firm totaled \$6,557 in August. Year to date payments through our third-party collections firm total \$79,911. Payments made in August through the online RCSC Web Portal totaled \$154,109 from 331 property owners. Year to date web portal payments total \$1,404,142 from 3,388 property owners.

In August property transfer balances increased by 7.5%. Outstanding balances related to property transfers represent 54% of all receivables and 53% of past due balances. At the end of August trustee sale notices on Sun City AZ properties ended at 23 and properties owned by lending institutions remained at 3.

## Project Updates

### Bell Center

- Social Hall Restroom Renovation

This project includes the full renovation of the social hall restrooms including the inclusion of accessible facilities. The demolition work began on 8/31/2020 and is complete. The plumbing subcontractor is currently working in the space. The work is projected to be completed by mid-November. Contractor: K.L. McIntyre (Cost: \$160,487)

- Social Hall Kitchen Renovation

This project includes the full renovation of the social hall kitchen which will replace flooring, lighting and cabinetry in the kitchen and the trash receptacle areas. The demolition work began on 8/27/2020. The demolition and environmental remediation are complete. The plumbing subcontractor is currently working in the space. The work is projected to be completed by end of October, but final use is tied to the County inspection. They will inspect the Restroom and Kitchen projects concurrently in mid-November. Contractor: K.L. McIntyre (Cost: \$126,926)

### Grand Center – Building I

Most pending items have been completed within the club rooms with a few minor items remaining, mainly tied to product shipping delays.

The RCSC Grounds department is working on the landscaping on the site and is expected to complete this work by the end of September.

Pending is the 103rd Ave monument sign and building signage. Final signage design has not yet been completed, but once complete monument sign installation will be held until the Grand Center Building II nears completion.

### Grand Center – Building II

RCSC has contracted with General Contractor (GC) Robert E. Porter Construction, Inc. to complete this project.

The GC commenced work on the project on 9/14/2020. Fencing around the work site has been installed and traffic flow has been redirected in the parking lot. Earthwork on the building pad site began the week of 9/14/2020.

Duration of the project is projected to be 6 months,

### Lakes East/West Maintenance Yard

No changes during the month of September.

### Mountain View Center

No planning or design work completed since the last report.

### Sundial Center

Replaced the aged Bocce Scoreboards in September. Contractor: RCSC Skilled Trades (Budgeted at \$3000; Cost: \$163)

### Solar:

### New Issues:

- Bell Rec Center Inverter #01

Inverter had a cock failure. 9/3/2020 B&I reset date and time. Issue resolved.

This report was distributed on September 17, 2020 and may have been edited for publication due to space restrictions.

## Project Updates

(continued from previous page)

- Fairway Rec Center Inverter #10

Inverter is missing the grid, 8/21/2020. Sent to Kortman, the breaker was tripped. Issue resolved.

### Issues Resolved:

- Lakeview Lanes Inverter #01

Inverter was replaced with a SMA inverter and communication was established with AlsoEnergy on 9/11/2020.

Lakeview Lanes transformer was replaced on 9/3/2020.

### Open Issues:

- Oakmont Rec Center – # 01/02/03/04/05/06

The inverters at Oakmont Center are not reporting production data. This has been an outstanding issue since July 2018. The production meter shows overall production data for the site, but the individual inverters are not reporting production to the AlsoEnergy aggregation reporting site. A new data logger has been replaced but unable to connect. AlsoEnergy and Fronius states it should be communicating. Kortman performed continuity check on all three wiring conductors from inverter to AlsoEnergy enclosure, wiring is good. Waiting on a response from Fronius. Fronius and Kortman are working together to find a workaround to get the inverters communicating with AlsoEnergy.

- Lakeview Rear – # 01/02/03/04

Like the Oakmont site the inverters at the Lakeview Rear site stopped communicating with the AlsoEnergy data logger and thus the AlsoEnergy aggregation reporting site. The Lakeview Rear inverters are Fronius models like Oakmont Center with these two sites being the only Fronius inverters in the RCSC Solar environment. Pending confirmation of restored functionality at Oakmont Center.

### Production Data:

After including August production data, the lifetime to-date production vs expected went down again slightly and is over expected by 5.20%. The percentage of inverters producing above expected reduced by 1 inverter to 79%. The inverter had small reductions of less than 0.06% that moved the overall inverter production from just over even to expected production to just under expected production.

## Changes are Coming to SunViews

Starting in January 2021, SunViews will have a new look and layout. We will continue to have the news and information you need, but much of it will be a slimmer format and in a more timely fashion. Due to skyrocketing printing costs, SunViews will no longer be distributed directly to homes within Sun City AZ starting next year. Copies of this publication will continue to be available at RCSC offices, recreation centers, golf pro shops and bowling centers in addition to online access.

While we realize it is difficult for many clubs at this time who are yet unable to meet due to continued COVID-19 virus concerns and restrictions, we'll be revamping the information that is provided to Cardholders each month within the Club Directory (based upon submitted schedules approved by the Chartered Club Office) but will be eliminating the Club Event section.

Chartered Clubs will continue to receive space for an annual article per the established rotating schedule (Form BP 12-17 (b)) where they can include details about their club that make them unique and special. We're also excited to work with Clubs who might wish to enhance their RCSC webpages with more information. And as always, submissions for "Sun City Gives Back," highlighting the good deeds done by RCSC Clubs both here in the community and beyond may be submitted at any time for publication consideration.

Club Presidents will be receiving additional information providing more details regarding this transition. We're excited about these changes and look forward to improving RCSC's online presence and communication with Cardholders.

# Arts and Crafts Festival

**The Best After-Thanksgiving Holiday Shopping!**

## CANCELLED

After much deliberation & careful consideration, the 2020 Arts & Crafts Festival Committee has determined that cancelling this annual event is the best decision for the welfare & safety of everyone.

Wishing all a joyous holiday season & we look forward to seeing you at next year's festival.

**Quack, quack, quack, quack!**  
Can't wait to have the Amazing  
Duck Race back!

The RCSC Management Team regrets having to cancel the Sun City AZ Holiday Celebration at Lakeview this year.

Please continue to be safe & stay well!

## MCLD Libraries

# Continuing to Serve

Public Libraries serve as places for access, learning and connection across the world. So when the COVID-19 crisis led so many to close, libraries were challenged to find new and creative ways to connect to their communities and provide services people rely on. "At their core, libraries are about access," said Brianna King, Sun City Library Manager. "So, we had to get creative on how we could provide access to library services while still keeping staff and residents safe."

The Sun City and Fairway Libraries are a part of Maricopa County Library District (MCLD), a special taxing district that runs 18 libraries countywide. On March 16, 2020, all MCLD libraries closed in order to ensure the safety of staff and customers. But library operations didn't stop when the doors were locked. Instead, contactless and virtual services were dreamed up, launched, and continuously tailored to meet the needs of individual communities.

The first virtual service MCLD launched was moving its popular in-person events to the web. MCLD Now, which originally launched as a live stream service, now hosts daily on-demand videos for all ages and gets around 10,000 viewers every month.

"During these times of isolation, we wanted to keep those connections with our community and let them know we're still here," said MCLD Program Resources Manager Jolene Bradley. "It is exciting to see our staff try new things and see the community's response to the events and take part in them."

Events aren't the only missed connection communities felt. The professional one-on-one assistance librarians give to residents is another essential function of library service. What has resulted is MCLD's new Book-A-Librarian option, which allows customers to schedule phone calls and video conferences to get help with homework, digital devices, library card services and more. The online customer service desk has been well received by cardholders and appointments don't seem to be slowing down anytime soon.

The final step in bringing library services online was ensuring access to the wealth of books, movies and more in MCLD's collection. Immediately after closing doors to the public, the library district increased checkout limits and at-home access to its digital collection. From eBooks to audiobooks and more, there was quite an increase in engagement with MCLD's online resources as many people began staying home.

However, there was still an overwhelming desire from the community to regain access to the library's nearly 720,000 items in its physical collection.

Curbside and Walkup Pickup, a contactless service to reserve and pickup books, movies and more was launched in late April. The service has been extremely popular and serves an average of 360 customers per day at each of the District's 18 libraries.

Even with the unforeseen challenges 2020 brought, MCLD Libraries continue striving to be a destination for quality library service—whether at home, online or curbside. While we may not know what the next few months bring during this extraordinary time, MCLD knows this: No matter what is going on in the world, the library is always here for you.

Maricopa County Library District is currently in a phased reopening plan, and continues to extend hours and additional ways of access during the COVID-19 crisis based on data from the CDC and Maricopa County Department of Public Health. For more information and to see what's available currently at your nearest library, visit <https://mclldaz.org/> or call (602) 652-3000.

## Water Conservation

### It Takes How Much Water to Do What?

Okay, after all this time you've made changes in your lifestyle to help conserve water – full loads of laundry and in the dishwasher, turning the faucet off while shaving and brushing your teeth, fixing drips and leaks, embracing desert landscaping and the like.

Now it's time to consider how much water it takes to produce some of products we use and consume on a routine basis. You may recall that a pint is a pound the world around, but a pound of many items required 1,000s of pints of water to produce

- One pound of roasted coffee – 2,500 gallons (or 50 bathtubs full of water)
- If you prefer tea, it take eight gallons of water to produce one cup of tea
- While an egg takes 53 gallons of water to produce, one pound of chick meat uses 519 gallons
- One pound Pork uses 719 gallons to produce, while beef uses 1,850 gallons per pound produced
- One pound of butter requires 666 gallons
- A Glass of Milk requires 62.5 gallons to produce while orange just take 45 gallons
- Do you prefer beer or wine? Beer is the water-wise choice at 19.81 gallons vs. wine at 31.7 gallons
- Remember – vegetables are good for you and only require 39 gallons to produce a pound

By eating less meat (even one day each week), you're actually reducing your water footprint by up to 25,000 gallons of water per year! Just imagine if everyone were to try it!

## SOFTBALL &amp; OUTDOOR TRACK - Updated 9/21/2020

- Game play on the softball field may resume on October 19, 2020. No contact allowed. No guests allowed.
- A minimum of 6 feet of physical distancing is required, regardless if in same family, excluding an occasional situation when such is not possible. Must chalk a line 6 feet behind home plate for visual cue to catcher in adhering to physical distancing.
- Must sanitize player seating areas after the team has batted. Players are to be seated in the dugout, fence line benches, picnic tables, and first row of bleachers so that all players are physically distanced. Players should stay in one seating location for the half inning while on offence to eliminate the need to sanitize during the offensive half of the inning. These seating areas must be sprayed with sanitizer upon going into the field for the next defensive half inning.
- Spectators are permitted provided that 6 feet physical distancing is adhered to at all times. Picnic tables and bleachers may be used by spectators. If bleachers are to be used, then

available seats must be identified to ensure 6 feet physical distancing. The Softball Club will be responsible for ensuring both players and spectators comply with the 6 feet physical distancing requirement. The club shall provide sanitizing spray for use by spectators on seating after use. Spectators may bring their own seating provided that the placement and use of personal seating follows the 6 feet physical distancing requirement.

- Limited use of stadium seating, tables and chairs with required 6 feet physical distancing regardless if in same family.
- Cardholders are required to sanitize before and after use of every RCSC piece of equipment, including seating, counters and tables, utilizing the sanitation method provided.

## Sun City Calligraphy Club

For 37 years, the Sun City Calligraphy Society has been dedicated to promoting the art of beautiful writing. Under normal conditions, general meetings are held the third Thursday of each month at 9:00am at our Sundial club room.

Classes will be available to learn different calligraphy hands from our experienced teachers, including Simplified Calligraphy, Italic, Blackletter, Uncial, Foundational, Copperplate, Informal Pointed Pen, Brush and others. There are also many "fun-shops" held throughout the year, where you can learn how to make beautiful and unique greeting cards or learn new "tips and tricks" with your calligraphy. We have die-cutting and stamping equipment available for our members' use. You can help others experience the joy of receiving a handmade card by making "Love Cards" for our local nursing homes. Opportunities are also available to make cards to sell in our club boutique and at the Fall Fair.

When Phase 3 of the RCSC Reopening Plan begins, our club room will be open from 9-11am on Thursdays and Fridays, and Monday afternoons from 1pm-3pm to practice your writing, make Love Cards, or work on your own projects. If you would like to participate in any of our events, club membership is open to all RCSC Cardholders. Current 2020 members will have their dues waived for 2021, since access to club activities was limited to three months. For further information, call Trudy Bryson at (623) 594-6591.

## Sun City Choraliers

The Choraliers are an auditioned mixed ensemble of approximately 30 singers accompanied by piano and drums. The musical background of our members is varied - from former music teachers and band members, to church choir or other music groups. If you like to sing choral music, all voice parts are needed. We usually have about 8 shows for the winter holiday season, and again for spring. However, the Choraliers are on hiatus through the rest of the year and we hope to resume our regular schedule in 2021, presuming that requirements and restrictions in place at that time can be met. Our director, Jane Brambilla, makes rehearsal recordings of each part for all songs to make learning your music easier. She is also working with several members to prepare a virtual choir video until regular in-person rehearsals can resume. If you have skills like keyboard, stand-up bass, or other instruments, we would love to meet you. We are also looking for an accompanist, so if you would like to accompany a vibrant group performing challenging music, please contact us through our website.

Rehearsals are on hiatus through 2020, but are scheduled to resume January 4 from 8:30 to 11am Mondays in Fairway Music Room (second floor). If you are interested in singing in a quality choir, sit in on a rehearsal and decide if we are right for you. For more information visit [www.suncitychoraliers.com](http://www.suncitychoraliers.com).

## SewNSew Club

What did you do during your extended at home stay? The members of Lakeview SewNSew kept both their hands and their sewing machines very busy. They sewed clothing for Luke Air Force Children, eyeglass cases and masks, masks and more masks.

Lakeview SewNSew and Bell Stitchers coordinated their efforts to sew over 5,000 masks for Shriners Hospitals and for Hospice.

SewNSew members have been connecting and staying in touch with each other using Zoom. They are learning new techniques and tips from club members on live Facebook.

Our 100 club members are looking forward to the clubroom opening. They are anxious when you can stop a visit at the Lakeview clubroom and to see what is happening and what is new. We invite you to attend the Open House we are planning to host in March at Lakeview. RCSC Cardholders can find more information about SewNSew including club hours, classes and activities by visiting our website at <http://www.sewnsew.info>.

## Garden Club of Sun City

Attention all gardeners! The Garden Club of Sun City is thriving, despite COVID and record summer heat. Whether you are an expert, hobbyist, or new to gardening in the low desert, this is the club for you!

Our new Grand Center home features a 20 x 60 ft. professional grade greenhouse available to members, and houses our expanded office (open all year, Monday, Wednesday and Friday from 9am to noon). Come hear expert guest speakers, meet fellow gardeners, and get your questions answered at the monthly membership meetings held on the each first Tuesday each month (September through May) at 8:30am in the Grand Center Sonoran Room.

Gardening continues uninterrupted (masked up and socially distanced) at the Community Garden, 91st and Greenway Avenues, where members can lease space or help tend the community plots. The monthly Community Garden Open House occurs each 3rd Saturday, September through May, from 9:00 to 11:00 am.

The Garden Club also gives back! This spring, members sewed 2,500 face masks for local health facilities and the Navajo Nation; and club members maintain the beautiful Rose Garden at the Sun Bowl. And, of course, we have "Too Much Fun" monthly breakfasts at George's Lakeview (third Tuesday, 8am), field trips, and several "renowned" parties throughout the year.

Membership is open to RCSC Cardholders. Until phase 3 of the reopening plan is reached, meetings are virtual, appointments are required for office visits, and open houses/breakfasts/parties are cancelled. For more club information, membership application, and calendar, visit [gardenclubofsuncity.org](http://gardenclubofsuncity.org), email to [gardenclubofsuncity@gmail.com](mailto:gardenclubofsuncity@gmail.com), or call 623-875-5921.

## Piano Club of Sun City

If you like music, than you will like the Piano Club. It's as simple as that. People think that you have to perform or play the piano, but that isn't true. Most members either don't play the piano, or don't play for the club. They just listen to and enjoy the live music. We have monthly music performances in the Sundial Auditorium where a large variety of piano music is heard, and sometimes we have other instruments. There are many very talented musicians. We socialize and eat treats before and after the performances. Frequently, there are also music books and sheet music laid out on tables, free for whom-ever wants them.

Soon the Piano Studio will be moving to a larger space at Sundial, vacated by the Camera Club. This will bring exciting possibilities to our club. We hope to have small music gatherings and open club hours where members can practice on grand pianos. Perhaps some of our more shy members, who don't care to perform in the large auditorium, will entertain us with their skills. Watch our webpage for news of the move.

We meet at 9:30 a.m. on the third Friday of the month, October through April, in the Sundial Auditorium. If you do wish to learn to play or improve your playing, we offer affordable lessons from caring teachers. Although we are not currently having our monthly music programs due to Covid-19, we are still offering piano lessons. It is only \$10 a year per person or \$15 per household to join our club, RCSC Cardholders only. When things get back to normal, come listen any third Friday and see for yourself what great entertainment we offer.

*Left to Right: Marilyn Feyereisen, Mary Pryzina, and Marvella Berg were among the performers entertaining the crowd January 28, 2020 at the Piano Club of Sun City's annual concert, "An Evening to Remember"*

## Bell Silvercraft Honors Tom Johnson

Bell Silvercraft Club is honoring Tom Johnson, an outstanding long term member, artist and teacher of Lost Wax Casting. Tom became a snowbird in 1992, hailing from cold and snowy Minnesota. While in Minnesota he taught fabricating for 11 years.

In 1995, he began teaching Lost Wax Casting in Sun City at the Bell Silvercraft Club, a club open to all RCSC Cardholders. Lost Wax Casting technique is used for creating beautiful pieces of jewelry and decorations. Pictured is Tom Johnson with a finished piece, wax tree and flask. A wax model is made and sprued to a "tree". Investment medium is then poured into a flask holding the wax tree. After heating in a kiln this wax melts and the investment becomes the mold. Molten metal is then poured into the flask making the piece, in this picture the cross.

Bell Silvercraft Club thanks Mr. Tom Johnson for his many years of service to promote the art of Lost Wax Casting.

Vintage Vehicles is open, practicing safety and social distancing. Our shop is open Monday through Saturday from 8am to 4pm now that summer is over – and cruising weather is here! Club members are required to adhere to all RCSC guidelines regarding COVID-19 protocols. Please refer to the website at [suncityaz.org](http://suncityaz.org) for up-to-date changes.

Our shop is currently located at 13430 N. 105th Ave. Bldg 17. For more information about the club and upcoming activities, call 623- 215-8312 or visit [vintagevehiclesof-suncity.com](http://vintagevehiclesof-suncity.com).

On the subject of our shop, we have wonderful news! In approximately six months, Vintage Vehicles will be moving to new digs at the Grand Center property (10415 W. Grand Ave.). This new space will feature six dedicated bays, four lifts and outside work areas, giving us a total of over 8,000 square feet.

Currently we have a club restoration project underway: a 1956 Ford truck which we intend to raffle. In addition, we can completely restore cars, weld and rebuild.

Four hundred over 400 members, we welcome owners of all types of wheeled conveyances from golf carts, motorcycles, ATVs, daily drivers to high dollar hot rods and restorations. Monthly automotive classes – that have proven to be both highly informative and well attended - will resume when COVID restrictions relax.

## Bell Silvercraft

Since 1976, Bell Silvercraft has offered members the opportunity to create quality sterling silver jewelry within a friendly and helpful environment. Early on, members brought in speakers from the Heard Museum along with various other skilled silver workers and designers which started our tradition of establishing a very active class and training program. This proud tradition continues today.

When a new member joins, they are introduced to a variety of sterling silver techniques, including basic soldering skills, creating and making custom bezels for cabochons (polished rocks) along with the safe and proper use of the club's professional equipment. Classes are taught by experienced members with a limit of 4 students per class so you'll have ample opportunity for one-on-one instruction.

Classes on advanced techniques are also offered, including lost wax casting, broom straw casting, chain maille, inlay work, twisted wire work, along with a variety of bracelet and choker techniques and styles. The club has many demonstrations on soldering and fabricating techniques as well as the use of other specialty tools available in the club. This dedication to helping our members is what has established our reputation of creating high quality and creative silver work.

Located in the Bell Center Arts & Crafts Village behind the Sun City Visitors Center, the club is normally open Monday through Saturday from 9am to 3pm. We we are currently following all required protocols and restrictions. For more information about joining, please call 623-933-8442.

Prior to that I was a commercial fee appraiser specializing in small office buildings and industrial properties. Income approach involved analysis of income and expense statements.

**Sun City/Community Involvement:**

- President of Westpark Community Advisory Board. (1,000 home community located in Buckeye, AZ)
- Spearheaded the development of 3 youth activity centers in 3 different communities.
- Helped develop 14 miles of single-track mountain biking trails (Dogbone) in Buckeye, AZ.
- Helped maintain FINS trail at Estrella Mountain Ranch.

**Goals:**

1. Develop innovative solutions that would increase safety while opening uses that have been shut down due the virus (e.g. Touchless thermometers prior to facility use (\$50 on Amazon), move some gym equipment outside under patios, install mist systems, etc.). REMEMBER the VIRUS was supposed to be gone this summer). Will it be years before we all get vaccinated? Will it come back?
2. Maintain current facilities at the current cost. (Maintained HOA cost at Westpark even though 10% of the homes were in foreclosure)

**Experience:**

BS in Physical Therapy from Marquette University, MBA from Cardinal Stritch University; Certificate in Industrial Rehabilitation from the School of Engineering University of Wisconsin-Milwaukee; Regional Director of Rehabilitation Services and Program Development for Aurora Healthcare, WI; President of First Choice Business Solutions, WI; President of On-Site Solutions, WI; Owner First Choice Rehabilitation, Private Practice Outpatient Physical Therapy, WI; RCSC Board of Directors 2018 to present;

**Sun City/Community Involvement:**

- Member Marinette Clay Corner
- Member Handweavers & Spinners
- Secretary Sun City Sportsmen's Club
- Ad Hoc Long-Range Planning Committee – Grand Ave
- President Sun City Clay Club
- Properties Committee
- Outreach & Communications Committee
- Liaison – SCHOA Roads & Safety

**Goals:**

1. Utilization of quantitative analysis tools in the decision-making process of all PIF and Long-Range Planning Projects.
2. Strategic Planning for Board and Management.
3. Work to keep Sun City a vital and affordable retirement destination for its current and future residents

**Experience:**

Bachelor of Arts + Secondary Teacher Certification, Princeton University, 1981; Masters level courses in International Education; Secondary and adult educator in Lake Forest, IL; Colorado Springs, CO; and Bavaria, Germany; 18 years of board experience with non-profits, as Chair since 2009; Extensive volunteer church work with children, youth, and adults.

**SC/Community Involvement:**

- 7 years Sun City Pickleball Club
- 2 years Bell Woodworking
- avid user of fitness facilities
- enthusiastic Covid golfer
- co-host of home fellowship group for Softball Club members
- 7 years of intensive caregiving for aging parents

**Goals:**

1. The job of the RCSC Board is to make sure that those entrusted with operational leadership are always acting legally, ethically, and prudently on behalf of Sun City Residents.
2. A Board which forges an authentic link with its moral ownership can never forget this mandate. I will push relentlessly for the Board to listen, to probe, and to gather evidence of the owners' concerns, needs, demands, and fears.

**Experience:**

40+ years in the commercial insurance industry. Experience includes business/people management, short/long term planning, budget management as well as involvement in various board positions and similar responsibilities required in the insurance regulatory environment. Earned several professional designations including the premier CPCU designation held by less than 5% of insurance professionals. BS Degree /Education from Eastern Illinois University. Hold an active AZ teaching certificate. How to work with others to achieve positive results is a strength grown over the years. I have lived in Sun City for nearly 8 years.

**Sun City/Community Involvement:**

- Sun City Posse - Dispatch
- 2015-2016 - Secretary for Condo Board of an AZ residential HOA in SC.

**Goals:**

1. Share loss control and risk management techniques to provide a safe play environment. As insurance costs continue to escalate, safety is a crucial element in cost management.
2. Become involved in securing the most experienced independent insurance agent, making certain exposures are adequately covered and the insurance premium is fair and commensurate.
3. Initiate long range planning. Stay current with technology. Be one step ahead and remain an attractive community for future Sun City residents.

**Experience:**

Master's Degree in Educational Administration Western Illinois University; Bachelor's degree in Elementary Education University of Northern Iowa; Elementary Principal for 15 years; Received the "Principal of National Blue-Ribbon School" award in 2013; Elementary Teacher for 19 years

**Sun City/Community Involvement:**

- Artistic Stained-Glass Club 5 years
- Bell Ceramics Club 1 ½ years
- Next Gen Club 1 year
- RCSC Board of Directors 3 years as Treasurer
- SC Foundation 2 ½ years as President and Vice President
- Co-Chair Ad Hoc Long-Range Planning Committee for Mt. View
- Chair Bowling Committee 3 years
- Chair (1 year), Co-Chair (2 years) Club Organization Committee (COC)
- Co-Chair Budget & Finance Committee 3 years
- Co-Chair Investment Committee 3 years
- Chair Election Committee 1 year
- RCSC Liaison Friends of Library

**Goals:**

1. To continue to update current facilities to meet the needs of current and future generations.
2. To keep the RCSC Corporation strong financially.

**Online Voting Begins Monday, November 9, 2020  
via the RCSC Web Portal**

## Performing Arts

### Handbell Ringers of Sun City

The Handbell Ringers of Sun City will remain on hiatus until Phase 3 of the RCSC Reopening Plan. When it is safe for ringers to rehearse, observing the distancing and masking restrictions, plans will be developed for the return of members and their guests. When we resume rehearsals, Membership is open to RCSC Cardholders & invited guests. FMI contact Doreen at doreenc4488@gmail.com.

### Sun City Concert Band

Rehearsals remain on hiatus until requirements & restrictions with regards to COVID-19 can be met.

Dust off your instruments & join the Sun City Concert Band under the direction of Ken Jaeger, well known Arizona Band Master & clinician. Charles Musgraves joins us as Associate Conductor. SCCB rehearses Tuesdays from 9-11am September through April at Fairway. Annual dues are \$5; membership is open to all RCSC Cardholders.

Visit the band's website at [sccband.org](http://sccband.org) for more information. To be placed on our Notification E-mail List, contact band President Jim Wise at 602-625-5211 or request online at <https://suncityaz.org/recreation/clubs/sun-city-concert-band/>

### Piano Club of Sun City

Meetings will resume when RCSC reaches Phase 3 and all requirements & restrictions for re-opening can be met.

The Piano Club is excited to be moving soon into a new enlarged space at Sundial to the area vacated by Camera Guild).

The Piano Club typically meets at 9:30am the third Friday of each month, October through April, in the Sundial Auditorium. You do not have to play or perform to become a member. Just enjoy the music, treats, and companionship. Annual membership is \$10 per person or \$15 per household for RCSC cardholders only. RCSC cardholders and escorted guests are always welcome.

### Choraliers of Sun City

The Choraliers are on hiatus through the rest of 2020 and are hoping to resume rehearsals on January 4 presuming that requirements & restrictions in place at that time can be met.

The Choraliers are an accomplished SATB choir that sings a variety of music from classical to jazz. The Choraliers perform at social functions, churches, healthcare facilities & retirement communities, performing up to 10 concerts a season, including some public concerts. Rehearsals for the Choraliers are on hiatus from May thru August. The group meets every Monday 8:30-11am in Fairway Music Room (second floor). If you are interested in singing in a quality choir, sit in on a rehearsal & decide if we are right for you. FMI visit [www.suncitychoraliers.com](http://www.suncitychoraliers.com)

### Sun City Womens Chorus

The Sun City Women's Chorus takes the health and well-being of all participants seriously.

With this in mind, we have determined it to be appropriate to cancel our Holiday Concert typically held in the month of December. Therefore, we will not have rehearsals this fall. We do expect to resume rehearsals on Thursday, January 7, 2021 at 8:45 a.m. at the Fairway provided all requirements and restrictions at that time can be met.

All women with current RCSC membership are welcome to join us. We plan to perform our Spring Concert on Sunday, April 11. Many people purchased tickets for our cancelled concert this past March. We will honor those tickets at our Spring Concert. Thank you for your understanding during these difficult times. We look forward to seeing you then. If you have any questions, please contact Annette (623) 308-4643. The Chorus always welcomes new members who enjoy singing four-part harmony with a current RCSC card. No audition is required. FMI Annette 623-308-4643.

Tips from Get Fit for Life -

## Momentum Obstacles During Weight Loss

Losing weight can be an emotional rollercoaster," states Jane Fortier, personal trainer and weight management specialist. "In the beginning, things go great. You're motivated, determined and excited about your plan. The scale moves in the right direction. You feel alive, energized and confident. Just when you think you have everything under control, life begins to shift. The energy level starts plummeting. You aren't nearly as excited as you were weeks earlier. You begin to skip exercise sessions. Junk food slips back into your diet. Your momentum begins to dissipate. Before long, you come to a complete standstill. The little voice in your head says, I'm tired, I don't want to do this anymore."

Basic Momentum Obstacles will always crop-up, with any weight loss journey. Identify these obstacles, might make a difference in your success:

1. **Boredom** - Whether it's eating the same "healthy" foods, sticking to the same exercise routine or just the realization that this is a lifelong journey, boredom inevitably sets in. Remedy: Keep things interesting. Adding variety and switching things up, with both eating and exercise, will make the journey more enjoyable. When you start making excuses for sticking to your plan, boredom is usually the culprit.
2. **The Dreaded Plateau** - You are losing weight at a slow but steady pace, then it stops. You haven't seen a change in weeks, and you are feeling discouraged. Remedy: Alter your mindset. Plateaus are not a bad thing, but rather your body's way of adjusting to a lower weight. Staying at a new set-point for a few weeks or even months is a significant accomplishment. The number on the scale may not be changing, but your body composition probably is. Shift your focus from weight loss to improved health! Once you have a better attitude about plateaus, mix up your exercise routine and alter eating habits. The plateau will subside.
3. **Changes in Routine** - Life always throws you curve balls: you suddenly face health concerns with a spouse; guests will be visiting from out of town; a two week vacation is coming up; the holiday season has arrived. These routine shifts can make it difficult to squeeze in exercise and stay-on-course with healthy eating. Remedy: Go back to the beginning of your journey. Before you started that journey, you had to figure out the "what, where and how" that you would use. Time to do that again. Figure out how to approach these shifts in routine. Failure to plan is planning to fail. Life is constantly shifting. If staying healthy is important, you must engage in healthy habits always, not just when it's convenient. Think ahead, plan for changes!
4. **End-of-Day Fatigue and Lack of Sleep** - As the day wanes on, so does your resolve. Evenings can be tough, especially after keeping it together all day long. If you're skimping on sleep, it makes it even more difficult to muster the energy to focus on goals, after trudging through a full day's responsibilities. Remedy: Fatigue is indeed the enemy of weight loss. Sleep deprivation messes with your hormones, causing a surge in the hormones that increase appetite and a decrease in the ones that signal satiation. When overly fatigued, impulsive choices interfere with food selection. Making sensible choices becomes more difficult. If you want to have sustained weight loss, you must prioritize sleep in order to eliminate fatigue.
5. **Living with Someone Who Is Not Concerned with Weight Loss** - We are influenced by those with whom we spend the most time. When your partner is not concerned about losing weight or healthy eating, you may find yourself faced with temptation or coerced in some way. Unknowingly, those partners are sabotaging your goals. Remedy: You must speak up and make your needs known. By voicing your concern, you will open up possibilities for compromise. Don't preach or try to convince your partner to join in a weight-loss program, just ask that he or she support you, in your efforts.

Hopefully, these suggestions will help with overcoming momentum obstacles, when they arise. On the weight loss journey, surround yourself with positive, supportive people, and become your own cheerleader and best friend. Get Fit for Life personal trainers make great coaches for a weight loss journey. LaTouch Wellness Massage Therapy Shares...

## The Gift of Touch

Did you have a stressful day, or do you have an ailment that just won't go away? Massage Therapy could be the solution. Massage offers a silent language that makes one feel physically at ease. It contributes to our healing on many levels, physically, mentally and emotionally creating total healing. A gentle touch from someone you trust can be reassuring, comforting and relaxing. Studies show that individuals who receive a nurturing, loving touch on a regular basis are healthier and happier and cope better with social situations than those who do not.

The human skin is the largest organ in the body and has many sensitive nerve ends. Massage is the best means of offering healing touch therapy to people of all ages. Touch stimulates receptors sites located on the skin. They, in turn, communicate to the brain resulting in the release of endorphins, a stress-reducing hormone that helps induce relaxation and improve mental focus.

Three Ways Therapeutic Touch Therapy May Benefit You:

1. **Improved Resistance to Diseases** - A gentle massage can cause an increase in the white blood cells used in defense against diseases. It ensures better body protection at all times. Increased blood flow credited with improved immunity, is achieved through therapeutic touch.
2. **Reduced Stress Levels** - Certain stress-related hormones, such as cortisol, can have negative effects on the body. Massage lowers our stress levels, inducing relaxation and decreasing these hormones.
3. **Better Sleep** - Is insomnia a problem for you? Massage therapy can help to improve your sleep patterns. Thus reducing fatigue and contributing to a better quality of life.

Touch is essential for the physical and mental well-being of a person. This is a gift of great importance. Offer it to yourself or to your loved one this upcoming holiday season.

LaTouch Wellness Massage Therapy is located within the Fairway Recreation Center. We offer Swedish Massage, Deep Tissue Massage, LaStone Massage, Sports Massage, Aroma Therapy, Reflexology Techniques, Reiki Energy Healing or A LaTouch Wellness Synergy Session. Many services can be combined into one hour, 1-1/2 hour or 2-hour therapeutic session. Please contact Laura at (623) 201-0378 to schedule your appointment today or visit our website at [www.LaTouchWellness.com](http://www.LaTouchWellness.com) for additional information.

*Massage helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for yourself, call and schedule an appointment today!*

### Spanish Club - El Circulo Español

Spanish Club - El Circulo Español. Whether you are new to the Spanish language, want to re-awaken skills learned long ago that are now dormant, or are a moderately advanced student looking to improve your conversational chops, you've found a home with El Circulo Español, the Sun City Spanish Club.

In response to the pandemic, the Club has decided not to resume in-person classes at Fairway through the end of 2020. No annual meeting will be held as planned. Alternative plans for 2021 are not available at this time.

In lieu of in person classes, the Club's Board decided to offer a limited number of classes this fall using Zoom. Zoom course information will be distributed and registration conducted via email. Space in Zoom classes will be limited.

Here's what you need to do to find out more about Spanish Zoom classes and to register:

1. If you are currently a Club member PLEASE make sure the Club has your correct email. If you have changed your email address since May, or have not been receiving the Club's regular informational emails please send your new or corrected email to [suncityspanishclub@gmail.com](mailto:suncityspanishclub@gmail.com). And then check your emails REGULARLY for more information from us.

2. If you are NOT a Club member, go to our website at <https://suncityaz.org/recreation/clubs/spanish-club/>, download the membership form and mail it to our Treasurer whose address is on the form, along with a check for \$10 for your Club membership dues. We'll add you to our membership list and you will then begin receiving our informational emails. Your new membership will be valid through 2021.

Also, CHECK THE CLUB'S website (use the link above) for updates that may have taken place AFTER Sunviews publication date. Stay safe and healthy until we see you again either in person or via Zoom!

Cuidate y mantente bien!

### SunMacs (Apple Macintosh) Computer Club

The SunMacs (Apple Macintosh) Computer Club will reopen in January. The first general meeting of 2021 will be Saturday, January 9, 2021 and Isaac Bonifas will talk about what's new from Apple.

Our Officer/Committee members will continue to serve in 2021, subject to election.

Officers are: President, Isaac Bonifas; First Vice President, Agnes Holub; Second Vice President, Pat Always; Secretary, Barb Swintek; and Treasurer, Judy Wright.

We specialize in assisting our members with Apple Products & Software. Located at Sundial; RCSC card required for membership. Annual dues: \$20 single/\$30 couple at same address. We offer classes, Round Tables and Socials, free to club members. FMIC visit [www.sunmacs.org](http://www.sunmacs.org) or phone our club room (623-933-5300).

## LIFELONG LEARNING SUN CITY AZ

As everyone knows and understands, the COVID-19 pandemic has not waned. Because our members are in a high-risk group, the number of cases in Arizona is not declining and physical distancing cannot be practiced for registration and classes, we regret to inform members that the Executive Board of the Lifelong Learning Club has decided to cancel the Fall Semester.

We are hoping to resume for the Spring semester in 2021. In the meantime, everyone please stay safe.

Open to all RCSC Cardholders. Choose up to 10 classes per semester for one low fee; restriction is due to the limited amount of classroom space available. FMI email [sczlifelong@gmail.com](mailto:sczlifelong@gmail.com) or visit <https://suncityaz.org/recreation/clubs/lifelong-learning-club/>

# Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 57 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2019, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
