A Message from 2024 Board President Kat Fimmel

New Year, New Opportunities

The new year brings a sense of renewal and an exuberance for better and brighter times. The 2024 RCSC Board is looking forward to both the opportunities, and challenges, that lay before us as we continue to improve our community and enhance our level of self-governance. We remain committed to fiscal responsibility, transparency, and member inclusivity.

Together, we have experienced many successes during the past year. A survey of the membership was conducted: members participated in development of the annual budget, a committee of members was created to address a major construction project and we continued, and continue, to improve our Technology systems. We also overcame a number of challenge: completion of the Viewpoint lake project, improved communications and established an Outreach and Communications Committee, and hired a new General Manager. Additionally, steps have been taken to lay the foundation for the future: establish a five-year plan team, set a policy for the five-year plan, develop a program to address deferred maintenance, and development an automated system for comment cards.

Kat Fimmel
2023 RCSC Board President

The major challenge that our community faces today is our Preservation Improvement Fund (PIF) project at Mountain View. The Strategic Alternatives Committee (SAC) brought forth several plans that were fully shared, and very much discussed, at four Town Hall meetings. Those plans have now been presented to the RCSC Board. We know the members would like us to be timely in preparing this document as this project has been long in the development process; however, this project will affect our community for years to come so there will need to be continuing conversations with our members regarding this matter. Many difficult decisions are ahead of us and data will play a crucial role in the approach we take.

This coming year is full of challenges and opportunities, and with continuing member support, we know this will be a great year for our community.

Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in.

Tips From A Pro

Zeroing In with Short Shots

Golf is a "target" game, yet many people dismiss the importance of proper alignment. Others attempt to line up to the target but do so improperly. Remember, alignment doesn't only affect direction, it also can affect distance and contact with the golf ball.

First, stand behind your ball and find something on the ground that is lying in between the ball and the target. This could be a divot, leaf, tee, etc. To make it easy, pick something as close to the ball as possible. Second, walk up to address the ball and position the club behind the ball aiming it in the direction of the spot that was chosen. (Similar to how you would aim your putter towards the hole.) Once it is in place position the hands on the grip. Third, step the feet in position so that they are parallel to the target line. (Again, the same as you would position your feet in putting.... aiming them parallel to the hole not at it.) Last, make the swing, feeling the confidence you will have in knowing that your alignment is correct, and your swing has a better chance of staying on the right path!

Piano Club of Sun City

Welcome to the Piano Club! If you are a fan of the piano or just love music, we invite you to become a member. Our club offers performances on the third Friday of each month at 9:30 am in the Sundial Auditorium, where you can showcase your talents or listen to others play. You will hear a variety of styles, including jazz, blues, rock, Latin, ragtime, and classical, among others. Whether you don't play, or you're a beginner, intermediate or advanced player, we welcome you to join us. Want to learn to play, or improve your playing? We offer affordable lessons. Our Sundial studio has two grand pianos, a console piano, and classroom keyboards for you to practice on. We occasionally have lectures in the studio where you can learn more about music. The studio contains a vast library of donated sheet music, free to members. Best of all, membership fees have been waived for 2024! We believe that music is a powerful tool that can bring people together, and we hope that you'll join us in celebrating the joy of piano playing. Come and be a part of our community!

Did you know that four natural protection companion plants for your tomatoes are sunflowers, basil, French marigolds and zinnias with basil imparting a slight flavor to the tomatoes? These add color, amazing scents and flavoring to your garden while discouraging unwanted pests.

The Garden Club of Sun City meets the first Tuesday each month from September through May with a membership of over 200 who share educational programming, knowledge, facilities, supplies, good humor, gardening lessons, field trips and social events. Annual dues are \$15.

The Garden Club office at the Grand Center includes an orchid and African violet nursery and a greenhouse where soil-based plants are started and hydroponic plants are raised including tomatoes, cucumbers and leafy greens. The Club's Community Garden at 91st and Greenway has dozens of raised and in-ground beds leased to Club members. Several mornings a week, you'll find members tending their plants which are protected from invaders by enclosures. A common garden "Pete's Patch" raises produce for sale at the Club office, meetings and special sales on site. There's also a cactus garden. The glorious rose garden at Sun Bowl is a Club project.

We love to nurture minds, friendships, plants, soils and butterflies -- yes, the Club even has a Monarch Way Station project to protect, propagate and give respite to Monarchs in migration. You can find more information at gardenclubofsuncity.org

Rhythm Ramblers Club/Band

If you love big band music, the Rhythm Ramblers Club is for you! All RCSC cardholders are eligible to join. Dues are \$10 per year and include admission to seven First Tuesday dances from October through April in the Sundial Auditorium. Cardholders who are not club members pay \$5 at the door, their escorted guests pay \$7. Drinks and snacks may be brought in. We provides cups and ice.

At the heart of the Rhythm Ramblers Club is the Rhythm Ramblers band, an 18-piece music group in the tradition of the great American dance bands of the 30s, 40s, and 50s. The band features five saxophones, four trombones, four trumpets, guitar, piano, bass, drums, singer, and conductor.

Club members with the desire and ability to perform the music may audition for open positions in the band. Contact Music Director, Bryan Altherr, for details: tubalips@aol.com.

But playing in the Rhythm Ramblers band is just one way to enjoy the music. Most club members join to dance or simply listen to the glorious sounds of the American big band, the music that thrilled our parents all those years ago. Started by Del Webb in 1963 to help welcome newcomers to Sun City, the Rhythm Ramblers became RCSC's first chartered club in 1968. Contact Rick Lamb for more information: ricklambphd@gmail.com.

Bell Silvercraft Club

If I had a hammer, I'd hammer in the morning...and all day long at Bell Silvercraft Club!

Silversmiths use all kinds of hammers from the lowly ball peen hammer to very intricate forging and texturizing ones. Hammers are used to flatten, form, forge silver to create beautiful pieces of jewelry which we make for ourselves, gift to loved ones and sell in our Silvercraft Boutique. Many pieces incorporate texture created from hammers.

Bell Silvercraft offers Basic Silversmith classes (a requirement for membership so that all have expertise with the machines used) and membership is open to all RCSC Cardholders. This class lets a new members experience using the torch, bench lathes, and other tools in addition to hammers to create a cuff bracelet, a ring and one other item, perhaps a pendant.

Come visit us at the Bell Center in Arts & Craft Village. Club hours are 9am to 3:30pm Monday through Saturday with the boutique open from 9am to 3pm. As we are all volunteers it is to call ahead and make sure we're available (623-933-8442).

Sew N Sew Club

Sew and Sew (SNS) holds their monthly meeting at Lakeview Center (2nd floor) on the first Thursday of the month at 10am, but has open sewing every day (except Sunday) from 9:30am to 2:30pm. SNS welcomes all sewers from beginners to experienced, and our members are always willing to lend a hand to other members.

SNS is open to all RCSC Cardholders. We are a non-profit club that sews for the community, including Luke AFB Airman's Attic, quilts for Veterans and women's shelters, and eye glass cases for local hospitals. SNS offers classes and workshops for their members each month and participates each year in the Sun City Arts & Crafts Festival at Sundial Thanksgiving weekend. SNS offers products from our boutique and doll clothes available for purchase daily. Annual Dues is \$10. Come take a tour today and see what SNS has to offer. You can also find us at www.sewandsew.info

Calligraphy Society of Sun City

The Calligraphy Society of Sun City has a 50+ year history and has gone through many changes, including relocating from Marinette to Sundial when the club required a larger space. Purchase of equipment and supplies has been a goal of the club.

Calligraphy is really a form of art, utilizing pen strokes which lead to distinctive greeting cards, poem writing, sign lettering, and other uses for beautiful writing. Since the beginning, teaching various Calligraphy styles has been a priority. Classes are offered in a room filled with friendship, laughter, and love.

Introduction to Calligraphy demonstrates the art of Calligraphy, teaching students about the various tools, pen strokes, paper types paper and some of the various styles. **Simplified Calligraphy** teaches students an easy entrance into the art of Calligraphy, using any tool, but primarily a simple felt tip pen. **Modern Brush Calligraphy** teaches a slightly more advanced style, which demonstrates the up and down strokes utilized in many styles. Two more advanced styles, **Informal Pointed Pen** and **Copper Plate** which utilize a "dip pen and ink." Other styles offered might include **Black Letter Calligraphy**, a simple, but beautiful form of art (upon request).

Card making and other craft making classes are also offered and allow club members to learn new ideas and techniques. New last fall was an exciting class in **Zen Tangle Art**, which is taught by a certified Zen Tangle instructor. We also offer workshops, such as learning Origami.

An Introduction to the Club Room class is offered once a month to introduce the new members to the tools, paper and equipment available along with the club rules.

The club is not only about learning Calligraphy, but also about giving back to the community. We make "Love" cards for residents in area retirement centers. The club supplies card making tools and materials allowing members to use their creativity, while helping our community. The club gladly accepts used greeting cards that we repurpose for the Love Cards.

Calligraphy is not an expensive hobby, as it utilizes just pen, paper, and imagination! Workshops, held in our Sundial club room, are where members create, and assist each other, are scheduled Mondays from 9-11am and from 1-3pm, Thursday and Friday from 9-11am. Calligraphy creations are for sale any time during these hours.

You are welcome to visit any time we are open to the public. Haven't you ever wondered about how a beautiful card or sign has been produced? Let us show you! See for yourself what the Calligraphy Society is all about!

Walleyball Club

Wallyball is volleyball played on a racketball court. The court is smaller and faster with all walls and the ceiling in play on one's own side! Each team has three touches to get the ball over the net. Volleyball rules apply with the exception that one side wall is allowed in passing the ball over to the other team. Team size can range from two (beach volleyball style) up to four on a side. With fewer players than volleyball, every team member is very much involved and gets a great workout!

Wallyball Club officially started play at the Bell Center racketball courts June 7, 2023. We are quickly growing because we: 1) PASS all expectations, 2) SET the standard, and 3) KILL the competition.

Whether you've been a volleyball enthusiast for years or would be starting as a novice, you will find fun and friendship at two levels of play offered each Wednesday beginning at 10am, 4pm, and 6pm. There is also single court play on Mondays at 6pm and Saturdays at 8:30am. Get hooked on this exciting new addition to Sun City club activities!

Sun City Cardholders can try out play a few times free. Annual club dues are \$10. Guests pay \$2.50. For more information and to confirm play, call/text Curt Holub at 612-223-9368 or Lori at 405-570-1520.

FUN with DICK and JANE Senior Fitness Trainers

Exercise is the single best thing you can do, in terms of mood, memory and learning. Research reveals that exercise protects the hippocampus, which governs memory and spatial navigation. Exercise increases the level of brain chemicals that make new cells and provides fresh connections between brain cells. Pump-up your brainpower by committing to a regular workout regimen. The benefits of that workout are dose-dependent. The more you exercise, the greater the cognitive benefit. Safe, Effective, Efficient exercise programs are available, with the help of Get Fit for Life. Looking back on recent years, the Friends of the Sun City Libraries organization is very proud of its support financially and promotionally for the two branch libraries in our community,

Each year the Friends draft budgets to allow for the Sun City Branch at Bell and the Fairway Branch to request and purchase items and services that are beyond its Maricopa County Library District allotment. Some of the budgets are spent on expenses related to programs, such as presenter fees and room rentals. Some of the budgets are for special services, such as the seed libraries.

Other items funded by the Friends are bigger and less routine. The Friends covered the partial cost of installing drive-up book returns on the north side of the Sun City Branch. The Friends contribution to this improvement in customer service was \$66,000.

Currently an improvement is underway to provide more electrical outlets at the Sun City branch. With the increased usage of electronic devices, such as laptops, cell phones and notepads, the need for easy access to power has become critical for patrons. This project should be completed in the next few months, improving service for many.

Another improvement in the works is to provide more usable space at the Fairway Branch. This change would involve relocating the library entrance and allowing for the current hallway area to be used for staff office space and storage. An additional staff member could be hired, improving service for the branches.

The Friends raise money with its Books Around the Corner used bookstore at the Sun City Branch. With the help of the public, books and other items are donated, and then sold. More than \$40,000 is raised annually, with these proceeds directly used for the branches.

The work of the Friends is most gratifying. To support the libraries and their staffs and to help get the word out about the value of public libraries are major goals of the group. A Board of Directors meets monthly to determine projects and strategies to accomplish our mission. If you are interested in helping to make our libraries as good as they can be, contact Friends President Sue Blechl at sueblechl@gmail.com.
